

Massachusetts School and District Profiles

2003 Adequate Yearly Progress (AYP) Report

This page contains a summary listing of 2003 AYP data for all public schools and districts in the Commonwealth of Massachusetts. The page indicates whether schools and districts made AYP in the aggregate and for all subgroups in English language arts and mathematics in 2003. It also provides aggregate performance (CPI) and improvement (CPI Change) data in both subject areas by school and district.
