

Massachusetts School and District Profiles
2005 Adequate Yearly Progress (AYP) Report

This page contains a summary listing of 2005 AYP data for all public schools and districts in the Commonwealth of Massachusetts. The page indicates whether schools and districts made AYP in the aggregate and for all subgroups in English language arts and mathematics in 2005. It also provides aggregate performance (CPI) and improvement (CPI Change) data in both subject areas by school and district.
