

## Massachusetts School and District Profiles

### 2008 Adequate Yearly Progress (AYP) Report

This page contains a summary listing of 2008 AYP data for public schools and districts in the Commonwealth of Massachusetts. The District Level page provides a summary of district accountability status under the No Child Left Behind Act (NCLB). The School Level page indicates whether schools made AYP in the aggregate and for all subgroups in English language arts and mathematics in 2008. It also provides aggregate performance (CPI) and improvement (CPI Change) data in both subject areas by school, and a notation indicating whether the school is required to provide NCLB School Choice or Supplemental Educational Services (SES) in the 2008-09 school year. Click a district or school name to view its detailed AYP report.
