Nothing in this agreement shall be deemed to derogate from or impair the powers and responsibilities of the Committee under the statutes of the Commonwealth, or the rules or regulations of any agency of the Commonwealth. As to every matter not covered by this Agreement, the Committee retains all the rights, powers, and duties it has by law, and may exercise the same without any such exercise being made the subject of an arbitration proceeding hereunder;

b. The Superintendent of Schools of Andover (hereinafter referred to as the Superintendent) has responsibility for carrying out the policies so established;

c. The teaching staff of the public schools of Andover has responsibility for providing in the classrooms of the schools, education of the highest possible quality;

d. Fulfillment of these respective responsibilities can be facilitated and supported by consultation and free exchange of views and information between the Committee, the Superintendent, and the teaching staff in the formulation and application of policies relating to wages, hours, and other conditions of employment for the teaching staff;
e. To give effect to these declarations, the following principles and procedures are hereby adopted.

**ARTICLE 1**

**Scope**

1-01 For the purposes of collective bargaining with respect to wages, hours, and other conditions of employment, the negotiating of collective bargaining agreements, and any questions arising there under, the Committee recognizes the Association as the exclusive bargaining agent and representative of all professional employees defined in 1-02 (as such employees are defined in Chapter 150E of the General Laws of Massachusetts).

1-02 Unit A shall be comprised of all classroom teachers, program heads with teaching assignments, media librarians/digital learning specialists, learning specialists, guidance counselors, school social workers, moderate and severe special education teachers, Educational Team Facilitators, school psychologists, speech and language therapists, teachers of English as a Second Language, Reading Specialists, registered nurses, coordinator of the gifted and talented program excluding paraprofessionals and all other employees.

1-03 The Association agrees to allow the Committee to assign unit work to the Program Advisors at up to 40% per advisor. Major assignments of substantive bargaining unit work to administrators will not be made without the consent of the Association.

1-04 The Association and the School Committee have established mutual goals of maintaining and promoting student achievement; recruiting and retaining the best teachers; and promoting education to the community of Andover. During the life of this Agreement, either party may institute discussions of issues that affect our mutual goals. Discussions, under normal circumstances, shall commence no later than two weeks after receipt of notice.
ARTICLE 2

2-01 If, during the life of the contract, any teacher feels that an action taken by the Committee or Administration adversely affects his/her conditions of employment but does not violate the contract, the teacher should discuss the matter with his/her immediate supervisor to see if the matter can be resolved. If not resolved then:

a. The matter will be discussed by the teacher involved, the President of the Association, and the supervisor and/or principal; if still not resolved, with the Director of Human Resources.

b. If the matter is still not resolved, the President of the Association and Association representatives will discuss the matter with the Superintendent.

c. If the matter is still not resolved, the President of the Association and representatives of the Association will discuss the matter with representatives of the Committee in an effort to resolve the matter. If the Association and Committee so desire, they may seek the assistance of a mutually agreed upon third party for recommendations for resolving the matter.

2-02 Any person(s) appearing before the Committee with regard to any matter connected with this Agreement shall be allowed to speak and have representatives of the Association act on his/her behalf provided the person is to speak on an agenda item.

If an employee has not paid the fee or has not filed a complaint regarding the fee at the Labor Relations Commission within forty-five (45) days after the bargaining agent has made a written demand for payment of the fee, the Committee shall suspend the unit member until the fee is paid. Such suspension shall not exceed seven (7) work days.

The Union faces to indemnify the School Committee for damages or other financial loss which the School Committee may be required to pay or suffer by an administrative agency or Court of competent jurisdiction as a result of the School Committee's compliance with this Article.

e. Teachers may be required to participate in other professional activities for a time not to exceed six (6) hours in any month. Reasonable effort will be made to give all teachers affected at least forty-eight (48) hours notice regarding the scheduling or rescheduling of this time. Under normal circumstances, the time shall be scheduled contiguous to the regular workday. The parties agree that the second high school open house will be included as part of the six (6) hour requirement. The high school principal will consult with the Union on the scheduling of the remaining four (4) hours for that month.

Nurses 30 Minutes

7-06 Effective September 1, 2012, teachers in grades 6-8 will, in addition to their lunch period, be scheduled for 225 minutes of preparation time during a five day work week. During this preparation time, teachers shall not be assigned to duties. Where possible, preparation time shall be scheduled so that no time period is less than thirty (30) minutes duration.

Recognizing the importance of common team planning time to the functioning of the middle school model, middle school academic subject area teachers who are part of an academic core team will be scheduled for 225 minutes of common team planning in a five day work week. Foreign Language, Integrated Arts, and Physical Education teachers will be scheduled for 90 minutes of team planning time per five day week. 7-12 High school and middle school teachers will not be required to teach in more than two (2) subject areas. The number of preparations within each department shall be equitably distributed within each department.

7-13 Teacher-pupil ratios will be determined by the type of program, frequency of meetings, and the purpose of the instructional unit. The ratios will be a departmental or team consideration in the high school, and middle schools, and a primary or intermediate grade consideration in the elementary schools. In each case where the individual student-teacher ratio represents excessive responsibilities, assistance will be provided.

When a disagreement exists about whether such responsibilities are or are not excessive, the grievance procedures will be followed to settle the disagreement.

19-02 Written notice of intention to take this leave shall be filed with the person's immediate supervisor or principal, and forwarded to the Superintendent at least one (1) week in advance with the reason for taking such leave. Exceptions to the application of this provision may be made where the one (1) week advance notice would be either a hardship or impossibility.

19-03 Availability of this leave shall be limited to 5% of the total teaching personnel in any one (1) school in any one (1) day.

19-04 Grievances under this article may be instituted at Level 3 of the Grievance Procedure.

20-01 Up to three (3) members designated by the Association shall, upon request, be granted leaves of absence of one (1) or two (2) school years without pay or increment for the purpose of engaging in the activities of the National Education Association, or any of its national, state, or local affiliates. Any member desiring leave shall apply to the Superintendent by February 1, prior to the beginning date of
proposed leave. No leave under this section shall be granted after the start of the next school year.

20-02 Sabbatical leave for approved full-time study, as for other approved educational activities may be allowed for bargaining unit members who have taught in Andover for at least five (5) years. Such leave may be granted for one (1) year or one-half (1/2) year at one-half (1/2) pay for the period of absence regardless of any scholarship awards.

20-03 Working sabbatical leaves for research and advanced study may be allowed for unit members who have taught in Andover for at least five (5) years. Such leaves shall be at full pay if the member works the equivalent of a half-time teaching schedule. A member who does not fulfill the teaching requirement shall reimburse the Town pro-rata for the time at half salary.

20-04 Up to three (3) and no more than two (2) sabbatical leaves of either type delineated in 20-01 or 20-02 may be allowed. The Committee, in its discretion, may grant additional leaves and may grant internal sabbatical leaves to bargaining unit members. Sabbatical leaves of absence covered in Section 20-02 and 20-03 shall be governed by the following rules:

(1) A preliminary request and plan for the use of such leave shall be presented to the School Committee by the preceding November 1, final request by the following April 30th.

(2) A written report concerning the manner in which the leave was used may be required by the School Committee upon completion of the sabbatical leave.

(3) Any personnel granted a sabbatical leave shall contract with the School Committee that upon termination of such leave, he/she will return to service in the Andover School System for a period equal to twice the length of the leave.

(4) Upon return from such leave, said person shall be placed on the salary schedule at the level which he/she would have achieved had he/she remained actively employed in the system during the period of his/her absence.

(5) Upon return from such leave, said person shall be returned to the same position which he/she held at the time said leave commenced, if available or, if not, to an equivalent position.
(6) A second or third such leave shall not be authorized until such personnel shall re-establish eligibility by serving another period of five (5) years in the Andover School System.

20-05 A teacher who has served for more than three (3) years as a teacher in Andover may be granted his/her request of leave of absence without pay for up to one (1) school year; provided that the teacher notifies the Committee in writing of his/her intent to do so by March 15 preceding the school year of the leave. This leave is not intended to provide a teacher with an opportunity to follow a spouse to another job location or to hold a job open while the teacher takes another job or to hold a job open if the teacher has no intention to return.

a. A teacher, upon return, shall be returned to his/her former position, if possible, or, if not, to a similar position. Provided, however, nothing contained herein shall prevent the Committee from laying off a teacher pursuant to Article 27 of this Agreement.

b. Leaves under this provision shall not exceed eight (8) in any school year.

c. Requests for leaves under this provision shall not be denied without just cause. If the number of people already on leave within the applicant’s teaching area makes the granting of a leave under this provision educationally unsound, the standard of just cause for denial shall have been met.

d. Teachers on such leaves must notify the Superintendent of their intent to return no later than March 15 of the year preceding the school year of return. If the Superintendent notifies the teacher and the Association by registered mail to the teacher’s last address on file of the March 15th deadline at least two (2) weeks in advance, then failure to respond can result in forfeiture of the teacher’s position. Should the Superintendent send written notice by certified mail to a teacher who has not complied with the March 15th deadline, the Superintendent will also notify the Association. The teacher must respond within fifteen (15) days after receipt of the notice.

e. The Association agrees to assist the Administration in locating teachers on leaves of absence and verifying their actual anticipated dates of return.

20-04 Leaves in excess of 90 work days granted pursuant to this Article and Article 21 shall not exceed more than two (2) in a four (4) year period.
ARTICLE 21

Childbearing and Child Rearing Leave

21-01 Childbearing Leave - Pursuant to Massachusetts General Laws Chapter 149, Section 105D, every female employee who has completed the initial probationary period of ninety (90) days is entitled to at least eight (8) weeks for the purpose of giving birth, provided she gives at least two (2) weeks; notice of her expected departure and return dates.

a. An employee intending to take a leave of absence under 21.01 and who wishes to be eligible for childbearing leave shall notify the Superintendent of her approximate date of leave commencement and whether or not she anticipates taking a child rearing leave at least four (4) weeks prior to the anticipated commencement of the leave. Teachers are urged to give earlier notification thus providing the Administration with additional time to secure a replacement and insure continuity of instruction.

b. The pregnant teacher may continue in her assigned position as long as her physical condition and ability to perform her assigned duties allow. The Superintendent may require medical evidence of the teacher’s ability to continue to work in the same manner that it may require when questioning the health of a teacher in a non-maternity related situation.

c. During disability periods due to pregnancy or childbirth a teacher, upon a timely request for sick leave, is eligible to use sick leave pursuant to Article 15.

d. The teacher, upon completion of childbearing leave, shall be restored to the position she held when her leave commenced or a substantially equivalent position.

21-02 Child Rearing Leave - Timely with the birth or adoption of a child or upon completion of a childbearing leave, a teacher shall be entitled to a child rearing leave of up to two (2) years, provided the teacher gives written notice at least eight (8) weeks in advance of the leave or adoption. Only one (1) parent shall be eligible for such leave from the Andover School System for the birth or adoption of a child.

a. A teacher on child rearing leave shall return to work at the beginning of a school year or at the semester break half-way through the year.
b. The anticipated return date shall be included in the application for such leave. Prior to April 1 of each year the Association shall, if requested by the Superintendent, aid in determining whether a teacher is going to return the following year to the Andover School System.

c. Leave taken pursuant to this Article must be consecutive and unpaid and the return to full-time employment shall constitute a termination of child rearing leave.

d. In determining the placement on the salary schedule of a teacher who returns from a child rearing leave of absence, credit for full year teaching will be given on the schedule for the school year during which the leave began provided the teacher completed at least ninety-two (92) school days of teaching during said school year; otherwise, the teacher shall return to the step on the salary schedule which she held prior to the commencement of such leave.

21-03 The teacher shall be restored as soon as practicable to the position she held when her leave began, or to a substantially equivalent position. Provided, however, nothing contained herein shall prevent the Andover School District from laying off a teacher on child rearing leave pursuant to Article 27 of this Agreement.

21-04 Members who have been employed for one complete year and have worked a minimum of 1,250 hours over the past year, shall be entitled to a leave of absence without pay for up to 12 consecutive weeks for adoption, foster care placement of a child or parent or if a serious health condition effects the member’s spouse, child or parent in accordance with the Family and Medical Leave Act and the District’s policy. Time spent on childbearing and child rearing leave pursuant to Articles 21-01 and 21-02 of this Agreement will be included in the computation of said twelve week period.

ARTICLE 22

Jury Leave

22-01 A teacher who is called for jury duty will receive jury pay in an amount equal to the difference between his/her base salary and jury service fee. The teacher must furnish evidence satisfactory to the Superintendent that he/she has performed jury duty and must specify the amount of compensation he/she received for jury duty on days for which payment is claimed.

22-02 Jury pay will not be granted if jury service is performed while the teacher is on a previously authorized leave of absence or layoff.
ARTICLE 23

23-01 In the event of a death in the immediate family of a teacher, he/she will be granted leave with pay on the day of the funeral if it is a workday, two (2) additional workdays falling between the day of death and the day of the funeral, and the two (2) days immediately following the funeral if they are workdays. "Immediate family" of a teacher is defined as spouse, children, parent, sibling, or any member of the teacher's household.

23-02 In the event of the death of parent-in-law, grandparents, or any member of the teacher's household, the teacher will be granted leave with pay on the day of the funeral if it is a workday and two (2) additional workdays falling between the day of death and the day of the funeral.

23-03 In the event of the death of aunts, uncles, nieces, or nephews, the teacher will be granted leave with pay on the day of the funeral if the teacher attends the funeral.

ARTICLE 24

Unclassified Absences

24-01 Teacher absence for reasons other than those stated will be penalized by a loss of pay in the ratio established in Article 13.

24-02 School employees must notify the building principal or designee of his/her intention to leave the school during unassigned time between the beginning of classes and the end of school for educational purposes and must have the authorization of the building principal or designee to leave for non-educational purposes.

25-03 The Committee agrees to furnish the member any documented information in its possession relating to the incident.

25-04 The Administration will take appropriate disciplinary action against the students responsible for abusive conduct, torts, or damage to automobiles.

25-05 The Committee will provide indemnification for teachers to the extent required by law.

ARTICLE 26

26-01 The parties agree that there shall be no reprisals against any teacher by reason of his/her membership or lawful participation in any activities of the Association or its affiliates or his/her institution of any grievance, complaint, or proceeding under this agreement or statute or Federal Law.

26-02 Grade Change

a. In grading students, teachers shall adhere to written grade policies adopted by the school system. Before establishing or changing grading policies, the Committee shall meet and discuss the proposed changes with the Association.

b. A parent or a student (if 18 years of age or older) may challenge the grade the teacher has given a student subject to the following procedures and conditions:

1. The person making the challenge shall state in writing the grade being challenged and the specific reasons for challenging that grade. The written challenge shall be given to the principal and the teacher.

2. The person making the challenge shall first discuss the matter with the teacher grading the student.
3. If the challenging party is not satisfied, then the matter shall be referred to the Principal, who shall convene a meeting within fourteen (14) days of the receipt of a written appeal of the grade.

c. A teacher's grade may be changed if the grade was calculated in error or the grading was inconsistent with written grading policies. The teachers subjective and/or objective judgment in determining a grade shall not be challenged unless it is established that the teacher acted in bad faith or in an arbitrary and capricious manner in establishing the grade. Other than the teacher, only the Principal shall have the power to change a grade and then only if the teacher is in violation of this Article.

d. The teacher shall have the right to be present at any meeting regarding changing a grade, may be represented by the Association and shall have the right to appeal any grade change to arbitration pursuant to this Agreement.

26-03 Rights on Non-Tenured Personnel

a. The election of personnel shall take place prior to June 15.

b. A teacher without professional status shall be notified in writing on or before May 15 whenever such teacher is not to be employed for the following school year. The written statement will include the reasons as to the grounds for the non-renewal.

c. The Superintendent shall, upon request, allow one personal appearance by an individual to present his case. Such request shall be made in writing to the Superintendent within ten (10) school days from the date of receipt of the notice of the non-renewal. The Superintendent shall hold the hearing within fifteen (15) days of the request.

d. The Superintendent shall notify the individual in writing of his/her final decision within five (5) days of the date of such appearance.

26-04 Whenever any teacher is required to appear before the School Committee, the Superintendent or his/her designee, or any committee member or agent thereof concerning any matter which could adversely affect the continuation of that teacher in his/her office or position, employment, salary or increments, he/she shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have an agent or representative of the Association present to advise him/her and represent him/her during such meeting or interview.
26-05 Teachers have the right to examine their personnel files and to make copies of such contents and records as concern their work or themselves.

26-06 No teacher shall be suspended or dismissed without just cause. No teacher shall be reduced in rank or compensation (except through non-renewal) without just cause. This just cause provision shall not apply to the non-renewal of non-tenured teachers.

26-07 The Committee agrees that the Program Advisors will not have the authority to discharge, suspend, or issue written reprimands. Statements in an observation and/or evaluation document shall not be considered, for the purposes of the aforementioned restriction, a written reprimand.

ARTICLE 27

Reduction in Force

27-01 Should declining enrollment and/or other budgetary reasons result in the layoff of teachers with professional status, such reduction shall be accomplished consistent with statutory requirements and this Agreement with the following procedures:

Definitions:

Seniority - Length of continuous service in the bargaining unit measured from the first day for which compensation was received. Time spent on unpaid leaves of absence shall not be counted toward seniority, but shall not constitute a break in continuous service. Individuals who have prior teaching experience in the Andover Schools, and move directly into a position in the Administrator's bargaining unit, shall retain their seniority in the teachers' bargaining unit for a period of three (3) years measured from the date of appointment to the administrators' unit. Said individuals shall not continue to accrue seniority for time served outside of the teachers' bargaining unit.

Seniority List - A ranking of teachers, by department, based upon seniority from the senior most to the junior most teachers. The list shall include the date from which seniority is measured and the teacher's area of certification. An updated seniority list will be given to the Association no later than November 1 of each school year. The list will be posted in each school building and any teacher wishing to challenge the accuracy of his/her position on the seniority list, regarding certifications or date of
employment, shall have thirty (30) calendar days to file a written appeal to the Association and the Superintendent. If a dispute still remains regarding a teacher's seniority placement after the Association and the Superintendent have met to resolve the issue, the matter shall be submitted to arbitration and heard by arbitrator within thirty (30) days of his/her appointment. The arbitrator shall issue a decision no later than ten (10) days after the arbitration hearing.

Department

Secondary Teachers - Foreign Languages, Mathematics, English, Science, Social Studies, Guidance and Health.

Pre K-12 Specialists - Art, Music, Physical Education, Digital Learning Specialist, Media Librarian, English Language Learner (E.L.L.) Teacher, and Learning Specialists.

Special Education – Moderate and Severe Special Needs Teachers, School Social Workers, School Psychologists, Speech and Language Teachers.

Elementary: preK-5 - If a teacher is teaching in more than one (1) department, he/she will be placed in the department where he/she spends the majority of his/her time.

Recall Period - The recall periods shall include the first and second school year, following the school year in which the layoff becomes effective, and the first day of school of the subsequent school year.

27-02 To the extent possible, natural attrition shall be used to reduce the positions.

27-03 If layoffs of teachers with professional status are then needed, no teacher with professional status shall be laid off if there is a teacher without professional teacher status whose position the teacher with professional status is currently certifiable to perform.

27-04 If further layoffs are needed, the layoffs shall be by department, following the seniority list, starting with the least senior teacher. Whenever the Superintendent reasonably believes that a junior employee within a department is the only qualified employee within said department, then said junior employee shall be retained and the next junior most employee shall be laid off.
Any disputes surrounding the interpretation of this section, must be submitted to the Committee no later than fourteen (14) calendar days following receipt of the layoff notification. The parties shall schedule an arbitration hearing no later than the third week in June, before one of the arbitrators designated in Section 27-01 to hear any disputes surrounding this section. The arbitrator shall issue his/her decision with ten (10) calendar days of the completion of the hearing.

27-05 If one (1) or more bargaining unit members have the same seniority date as defined in 27-01 Definitions, the following procedures shall be used to break the tie:

a. Each affected member shall have the total time spent on unpaid leaves of absence subtracted from his/her seniority.

b. If one (1) or more members remain tied after the application of Section 27-05a, members with the least amount of part-time service shall be senior.

c. If the first two methods referred to above in Section (a) and (b) do not break the tie, the position on the seniority list shall be determined by a one-time lottery.

27-06 Teachers laid off pursuant to this Article shall be placed on a recall list and treated as a teacher on unpaid leave of absence for the duration of the recall period.

27-07 A professional teacher status teacher shall receive written notice of layoff no later than the May 15th preceding the layoff. Should a layoff occur during a school year, the teacher will be notified at least sixty (60) school days in advance of the layoff.

27-08 During the recall period stated above, a unit member will be eligible to remain in the group health and life insurance programs, of the Town of Andover, to the extent permitted by law, provided that the laid off employee pays the full premium amount.

27-09 Unit members on layoff shall be recalled in the reverse order of layoff to fill those vacancies which they are qualified to teach. A member who declines the recalled vacancy shall be moved to the bottom of the recall list. A certified letter sent to the last address on file at the Superintendent's Office shall constitute recall notice. Failure to reply in writing within thirty (30) days shall result in placement at the bottom of the recall list.
27-10 Unit members on layoff shall be contacted for any permanent substitute assignment. There will be no penalty should the member refuse less than a full school year's substitute position. Should a member accept a permanent substitute position, such member will be placed on the salary schedule at Bachelor's Step 1 of the Agreement. A member who continues in said position beyond twenty (20) consecutive days will be placed on the appropriate track and step according to his/her status prior to layoff and receive the salary to commensurate with such placement. The salary will be retroactive to the first day for which compensation was received as a substitute teacher. In addition to the appropriate salary placement after twenty (20 consecutive days of teaching, the member will also begin to accrue seniority retroactive to the first day for which compensation was received as a substitute teacher.

A person refusing a permanent substitute position for an entire school year shall be deemed to have refused a recall opportunity.

27-11 The Committee agrees to grant upon request two (2) unpaid one-year leaves of absence for the purpose of schedule which he/she held prior to the commencement of such leave.

* If an assistant coach is not funded, the Head Coach will be paid at the next higher level (see volleyball and swimming). In addition, if a Cheerleading Coach for Hockey is not appointed, and those duties are assumed by the winter Cheerleading Coach, an additional stipend of $500 will be added to the winter Cheerleading Coach’s position.

Fine Arts positions are under the immediate supervision of the Director of Fine Arts. Extra-curricular positions are under the supervision of the Building Principal. The following criteria will be used to write job descriptions and to establish a benchmark for the amount of the stipend:
Rating Criteria

I. Length of Activity

The actual contact time spend with students during practices, competitions, performances, or activities. The actual time required beyond the school day and/or school calendar (weekends, nights, holidays, vacations).

II. Pressure

The degree of public or parent interest or interaction. The degree of safety involved.

III. Preparation Time and Administrative Requirements

The number of students and assistants involved in the activity; the amount of time required to prepare statistics, coordinate information, review films, and plan activities, practices, competitions, and performances; coordinating with other agencies, handling funds and keeping records.

IV. Expertise

The experience needed to lead/conduct the activity or program.

Review Committee

A review committee may be convened by the Superintendent at the request of the Association, any holder of a fine arts or extra-curricular position, or an administrator for the purpose of adjusting, adding or deleting positions. A committee will be convened within thirty (30) days. The committee will consist of three (3) members appointed by the A.E.A. President and three (3) members appointed by the Superintendent. The Personnel Director will chair this meeting in order to review the meaning of the criteria, provide the job description and maintain minutes.

After a discussion of each of the criteria, members will rate each of the criteria areas. If an adjustment is necessary, this committee will make such a recommendation to the Superintendent.
V. Coaching Evaluations

The AEA and the Andover Public Schools agrees to move forward with a formal process for the annual evaluation of coaches and assistant coaches. The Athletic Director assigned to oversee the sport shall meet with the Head Coach to discuss the evaluation no later than 30 days following the official end of the season. Assistant coaches shall receive a written evaluation no later than 45 days following the season's end. The parties also agree that the evaluation document in use as of 2005 shall be continued until such time as the parties agree to any change.

(26) Timeline
(1) Purpose of Educator Evaluation

A) This contract language is locally negotiated and based on M.G.L., c.71, § 38; M.G.L. c.150E; the Educator Evaluation regulations, 603 CMR 35.00 et seq. In the event of a conflict between this collective bargaining agreement and the governing laws and regulations, the laws and regulations will prevail.

B) The regulatory purposes of evaluation are:

i) To promote student learning, growth, and achievement by providing Educators with feedback for improvement, enhanced opportunities for professional growth, and clear structures for accountability;

ii) To provide a record of facts and assessments for personnel decisions;

iii) To ensure that every school committee has a system to enhance the professionalism and accountability of teachers and administrators that will enable them to assist all students to perform at high levels; and

iv) To assure effective teaching and administrative leadership.

(2) Definitions (* indicates definition is generally based on 603 CMR 35.02)

A) *Artifacts of Professional Practice: Products of an Educator’s work and student work samples that demonstrate the Educator’s knowledge and skills with respect to specific performance standards.

B) Caseload Educator: Educators who teach or counsel individual or small groups of students through consultation with the regular classroom teacher, for example, school nurses, guidance counselors, speech and
language pathologists, and some reading specialists and special education teachers.

C) **Classroom teacher**: Educators who teach preK-12 whole classes, and teachers of special subjects as such as art, music, library, and physical education. May also include special education teachers and reading specialists who teach whole classes.

D) **Categories of Evidence**: Multiple measures of student learning, growth, and achievement, judgments based on observations and artifacts of professional practice, including unannounced observations of practice of any duration, but generally not less than ten (10) minutes; and additional evidence relevant to one or more Standards of Effective Teaching Practice.

E) **District-determined Measures**: Measures of student learning, growth and achievement related to the Massachusetts Curriculum Frameworks, Massachusetts Vocational Technical Education Frameworks, or other relevant frameworks, that are locally bargained to the extent required by law, comparable across grade or subject level district-wide. These measures may include, but shall not be limited to: portfolios, approved commercial assessments and district-developed pre and post unit and course assessments, and capstone projects.

F) **Educator(s)**: Inclusive term that applies to all classroom teachers and caseload educators, unless otherwise noted.

G) **Educator Plan**: The growth or improvement actions identified as part of each Educator's evaluation. The type of plan is determined by the Educator's career stage, overall performance rating, and the rating of impact on student learning, growth and achievement. There shall be four types of Educator Plans:

H) **Developing Educator Plan** shall mean a plan developed by the Educator and the Evaluator for one school year or less for an Educator without Professional Teacher Status (PTS); or, at the discretion of an Evaluator, in consultation with the Educator with PTS, in a new assignment.
I) **Self-Directed Growth Plan** shall mean a plan developed by the Educator for one or two school years for Educators with PTS who are rated proficient or exemplary.

J) **Directed Growth Plan** shall mean a plan developed by the Educator and the Evaluator of one school year or less for Educators with PTS who are rated needs improvement.

K) **Improvement Plan** shall mean a plan developed by the Evaluator, after consultation with the educator, of at least thirty (30) calendar days and no more than one school year for Educators with PTS who are rated unsatisfactory with goals specific to improving the Educator’s unsatisfactory performance. In those cases where an Educator is rated unsatisfactory near the close of a school year, the plan may include activities during the summer proceeding the next school year.

L) **ESE:** The Massachusetts Department of Elementary and Secondary Education.

M) **Evaluation:** The ongoing process of defining goals and identifying, gathering, and using information as part of a process to improve professional performance (the “formative evaluation” and “formative assessment”) and to assess total job effectiveness and make personnel decisions (the “summative evaluation”).

N) **Evaluator:** Any person designated by a superintendent who has primary or supervisory responsibility for observation and evaluation. The superintendent is responsible for ensuring that all Evaluators have an administrative license and have training in the principles of supervision and evaluation. Each Educator will have one primary Evaluator at any one time responsible for determining performance ratings.

O) **Primary Evaluator** shall be the person who determines the Educator’s performance ratings and evaluation.
P) **Supervising Evaluator** shall be the person responsible for developing the Educator Plan, supervising the Educator’s progress through formative assessments, evaluating the Educator’s progress toward attaining the Educator Plan goals, and making recommendations about the evaluation ratings to the primary Evaluator at the end of the Educator Plan. The Supervising Evaluator may be the primary Evaluator or his/her designee.

Q) **Teaching Staff Assigned to More Than One Building:** Each Educator who is assigned to more than one building will be evaluated by the appropriate administrator where the individual is assigned most of the time. The principal of each building in which the Educator serves must review and sign the evaluation, and may add written comments. In cases where there is no predominate assignment, the superintendent will determine who the primary evaluator will be.

R) **Notification:** The Educator shall be notified in writing of his/her primary Evaluator and supervising Evaluator, if any, at the outset of each new evaluation cycle. The Evaluator(s) may be changed upon notification in writing to the Educator.

S) **Evaluation Cycle:** A five-component process that all Educators follow consisting of 1) Self-Assessment; 2) Goal-setting and Educator Plan development; 3) Implementation of the Plan; 4) Formative Assessment/Evaluation; and 5) Summative Evaluation.

T) **Experienced Educator:** An educator with Professional Teacher Status (PTS).

U) **Family:** Includes students’ parents, legal guardians, foster parents, or primary caregivers.

V) **Formative Assessment:** The process used to assess progress towards attaining goals set forth in Educator plans, performance on standards, or both. This process may take place at any time(s) during the cycle of evaluation, but typically takes place at mid-cycle.
W) *Formative Evaluation:* An evaluation conducted at the end of Year 1 for an Educator on a 2-year Self-Directed Growth plan which is used to arrive at a rating on progress towards attaining the goals set forth in the Educator Plan, performance on Standards and Indicators of Effective Teaching Practice, or both.

X) **Goal:** A specific, actionable, and measurable area of improvement as set forth in an Educator’s plan. A goal may pertain to any or all of the following: Educator practice in relation to Performance Standards, Educator practice in relation to indicators, or specified improvement in student learning, growth and achievement. Goals may be developed by individual Educators or specialized instructional support personnel, by the Evaluator, or by teams, departments, or groups of Educators or specialized instructional support personnel who have the same role. Team goals can be developed by grade level or subject area.

Y) *Measurable:* That which can be classified or estimated in relation to a scale, rubric, or standards.

Z) **Multiple Measures of Student Learning:** Measures must include a combination of classroom, school and district assessments, student growth percentiles on state assessments, if state assessments are available, and student ACCESS gain scores. This definition may be revised as required by regulations or agreement of the parties upon issuance of ESE guidance expected by July 2012.

AA) **New Assignments:** New assignments shall mean a change in licensure or a change in level, unless an educator has been assigned to that level within the previous five (5) years after attaining Professional Teacher Status.

The President of the AEA will be provided with a list of educators proposed for new assignments in the coming school year.

BB) *Observation:* A data gathering process that includes notes and judgments made during one or more classroom or worksite visits(s) of any duration, but generally not less than ten minutes, by the Evaluator and may include examination of artifacts of practice including student
work. An observation shall occur in person. Observations will be
done openly and with knowledge of the Educator. The parties agree
not to employ video observations until appropriate protocols are
developed and agreed upon. Classroom or worksite observations
conducted pursuant to this article must result in written feedback to
the Educator. Normal supervisory responsibilities of department,
building and district administrators will also cause administrators to
drop in on classes and other activities in the worksite at various times
as deemed necessary by the administrator. Carrying out these
supervisory responsibilities, when they do not result in targeted and
constructive feedback to the Educator, are not observations as defined
in this Article.

U) **Parties:** The parties to this agreement are the Andover Education
Association and the Andover School Committee.

V) *Performance Rating:* Describes the Educator’s performance on each
performance standard and overall evaluation. There shall be four
performance ratings:

▪ Exemplary: the Educator’s performance consistently and
significantly exceeds the requirements of a standard or overall
evaluation. The rating of exemplary on a standard indicates that
practice significantly exceeds proficient and could serve as a model
of practice on that standard district-wide.

▪ Proficient: the Educator’s performance fully and consistently meets
the requirements of a standard or overall evaluation. Proficient
practice is understood to be fully satisfactory.

▪ Needs Improvement: the Educator’s performance on a standard or
overall evaluation is below the requirements of a standard or
overall, but is not considered to be unsatisfactory at this time.
Improvement is necessary and expected.

▪ Unsatisfactory: the Educator’s performance on a standard or
overall evaluation has not significantly improved following a rating
of needs improvement, or the Educator’s performance is
consistently below the requirements of a standard or overall and is considered inadequate, or both.

W) *Performance Standards:* Locally developed standards and indicators pursuant to M.G.L. c. 71, § 38 and consistent with, and supplemental to 603 CMR 35.00. The parties may agree to limit standards and indicators to those set forth in 603 CMR 35.03.

X) *Professional Teacher Status:* PTS is the status granted to an Educator pursuant to M.G.L. c. 71, § 41.

Y) Rating of Educator Impact on Student Learning: A rating of high, moderate or low based on trends and patterns of student learning, growth and achievement as well as on state assessments and district-determined measures. The parties will negotiate the process for using state and district-determined measures to arrive at an Educator’s rating of impact on student learning, growth and achievement, using guidance and model contract language from ESE, expected by July 2012.

Z) Rating of Overall Educator Performance: The Educator’s overall performance rating is based on the Evaluator’s professional judgment and examination of evidence of the Educator’s performance against the four Performance Standards and the Educator’s attainment of goals set forth in the Educator Plan, as follows:

i) Standard 1: Curriculum, Planning and Assessment

ii) Standard 2: Teaching All Students

iii) Standard 3: Family and Community Engagement

iv) Standard 4: Professional Culture

v) Attainment of Professional Practice Goal(s)

vi) Attainment of Student Learning Goal(s)

AA) *Rubric:* A scoring tool that describes characteristics of practice or artifacts at different levels of performance. The rubrics for Standards and Indicators of Effective Teaching Practice are used to rate Educators on Performance Standards, these rubrics consists of:
vii) Standards: Describes broad categories of professional practice, including those required in 603 CMR 35.03

viii) Indicators: Describes aspects of each standard, including those required in 603 CMR 35.03

ix) Elements: Defines the individual components under each indicator

x) Descriptors: Describes practice at four levels of performance for each element

BB) *Summative Evaluation:* An evaluation used to arrive at a rating on each standard, an overall rating, and as a basis to make personnel decisions. The summative evaluation includes the Evaluator’s judgments of the Educator’s performance against Performance Standards and the Educator’s attainment of goals set forth in the Educator’s Plan. The Summative Evaluation must be based on evidence from multiple categories of evidence as per the regulations.

CC)*Superintendent:* The person employed by the school committee pursuant to M.G.L. c. 71 §59 and §59A. The superintendent is responsible for the implementation of 603 CMR 35.00.

DD) *Teacher:* An Educator employed in a position requiring a certificate or license as described in 603 CMR 7.04(3)(a, b, and d) and in the area of vocational education as provided in 603 CMR 4.00. Teachers may include, for example, classroom teachers, librarians, guidance counselors, or school nurses.

EE) *Trends in student learning:* At least two years of data from the district-determined measures and state assessments used in determining the Educator’s rating on impact on student learning as high, moderate or low.

FF) *Self Assessment:* The evaluation cycle shall include self-assessment addressing Performance Standards established through collective bargaining or included in individual employment contracts.

(i) Each educator shall be responsible for gathering and providing information to the evaluator on the educator’s performance which shall include: an analysis of evidence of student learning, growth and
achievement for students under the educator's responsibility; an assessment of practice against Performance Standards; and proposed goals to pursue to improve practice and student learning, growth, and achievement.

(ii) The educator shall provide such information, in the form of a self-assessment, in a timely manner to the evaluator at the point of goal setting and plan development.

(iii) The evaluator shall consider the information provided by the educator and all other relevant information.
Evidence Used In Evaluation

The following categories of evidence shall be used in evaluating each Educator:

A) Multiple measures of student learning, growth, and achievement, which shall include:

i) Measures of student progress on classroom assessments that are aligned with the Massachusetts Curriculum Frameworks or other relevant frameworks and are comparable within grades or subjects in a school;

ii) At least two district-determined measures of student learning related to the Massachusetts Curriculum Frameworks or the Massachusetts Vocational Technical Education Frameworks or other relevant frameworks that are comparable across grades and/or subjects district-wide. These measures may include: portfolios, approved commercial assessments and district-developed pre and post unit and course assessments, and capstone projects. One such measure shall be the MCAS Student Growth Percentile (SGP) and/or ACCESS gain scores, if applicable, in which case at least two years of data is required.

iii) Measures of student progress and/or achievement toward student learning goals set between the Educator and Evaluator for the school year or some other period of time established in the Educator Plan.

iv) For Educators whose primary role is not as a classroom teacher, the appropriate measures of the Educator’s contribution to student learning, growth, and achievement should be locally bargained to the extent required by law. The measures set by the district should be based on the Educator’s role and responsibility.

B) Judgments based on observations and artifacts of practice including:

i) Unannounced observations of practice of any duration, but generally not less than ten (10) minutes.

ii) Announced observation(s) for non-PTS Educators in their first year of practice in a school, Educators on Improvement Plans, and as determined by the Evaluator.
iii) Examination of Educator work samples.

iv) Examination of student work samples.

C) Evidence relevant to one or more Performance Standards, including but not limited to:

i) Evidence compiled and presented by the Educator, including:

(a) Evidence of fulfillment of professional responsibilities and growth such as self-assessments, peer collaboration, professional development linked to goals in the Educator plans, contributions to the school community and professional culture;

(b) Evidence of active outreach to and engagement with families;

ii) Evidence of progress towards professional practice goal(s);

iii) Evidence of progress toward student learning outcomes goal(s).

iv) Student and Staff Feedback – see # 23-24, below; and

v) Any other relevant evidence from any source that the Evaluator shares with the Educator. Other relevant evidence could include information provided by other administrators such as the superintendent.

((4)) Rubric

The rubrics are a scoring tool used for the Educator’s self-assessment, the formative assessment, the formative evaluation and the summative evaluation. The district may use either the rubrics provided by ESE or comparably rigorous and comprehensive rubrics developed or adopted by the district and reviewed by ESE. The current rubrics are attached to this agreement, but will be amended as additional rubrics from ESE become available.
Evaluation Cycle: Training

A) Prior to the implementation of the new evaluation process contained in this article, districts shall arrange training for all Educators, principals, and other evaluators that outlines the components of the new evaluation process and provides an explanation of the evaluation cycle. The district through the superintendent shall determine the type and quality of training based on guidance provided by ESE.

B) By November 1st of the first year of this agreement, all Educators shall complete a professional learning activity about self-assessment and goal-setting satisfactory to the superintendent or principal. Any Educator hired after the November 1st date, and who has not previously completed such an activity, shall complete such a professional learning activity about self-assessment and goal-setting within three months of the date of hire. The district through the superintendent shall determine the type and quality of the learning activity based on guidance provided by ESE.

Evaluation Cycle: Annual Orientation

A) At the start of each school year, the superintendent, principal or designee shall conduct a meeting for Educators and Evaluators focused substantially on educator evaluation. The superintendent, principal or designee shall:

i) Provide an overview of the evaluation process, including goal setting and the educator plans.

ii) Provide all Educators with directions for obtaining a copy of the forms used by the district. These may be electronically provided.

iii) The faculty meeting may be digitally recorded to facilitate orientation of Educators hired after the beginning of the school year, provided that an announcement is made prior to the meeting that it is being recorded.

iv) Provide strategic plan, district and school goals and priorities as well as professional development opportunities related to those goals and priorities.
Evaluation Cycle: Self-Assessment

A) Completing the Self-Assessment

i) The evaluation cycle begins with the Educator completing and submitting to the Primary or Supervising Evaluator a self-assessment by October 1st or within four weeks of the start of his or her employment at the school, except for the first year of this agreement when it shall be completed by October 15th or within the first four weeks of employment.

ii) The self-assessment includes:

   (c) An analysis of evidence of student learning, growth and achievement for students under the Educator's responsibility.

   (d) An assessment of practice against each of the four Performance Standards of effective practice using the district's rubric.

   (e) Proposed goals to pursue:

       (1st) At least one goal directly related to improving the Educator's own professional practice.

       (2nd) At least one goal directed related to improving student learning.

B) Proposing the goals

i) Educators must consider goals for grade-level, subject-area, department teams, or other groups of Educators who share responsibility for student learning and results, except as provided in (ii) below. Educators may meet with teams to consider establishing team goals. Evaluators may participate in such meetings.

ii) For Educators in their first year of practice, the Evaluator or his/her designee will meet with each Educator by October 1st *(or within
four weeks of the Educator's first day of employment if the Educator begins employment after September 15th) to assist the Educator in completing the self-assessment and drafting the professional practice and student learning goals which must include induction and mentoring activities. * 2013-2014 school year or the first year of implementation, the October 15th date will replace the October 1 date, as noted above.

iii) Unless the Evaluator indicates a PTS Educator in his/her second or third years of practice should continue to address induction and mentoring goals pursuant to 603 CMR 7.12, the Educator may address shared grade level or subject area team goals.

iv) For Educators with PTS and ratings of proficient or exemplary, the goals may be team goals. In addition, these Educators may include individual professional practice goals that address enhancing skills that enable the Educator to share proficient practices with colleagues or develop leadership skills.

v) For Educators with PTS and ratings of needs improvement or unsatisfactory, the professional practice goal(s) must address specific standards and indicators identified for improvement. In addition, the goals may address shared grade level or subject area team goals.
Evaluation Cycle: Goal Setting and Development of the Educator Plan

A) Every Educator has an Educator Plan that includes, but is not limited to, one goal related to the improvement of practice; one goal for the improvement of student learning. The Plan also outlines actions the Educator must take to attain the goals established in the Plan and benchmarks to assess progress. Goals may be developed by individual Educators, by the Evaluator, or by teams, departments, or groups of Educators who have the similar roles and/or responsibilities. See Sections 15-19 for more on Educator Plans.

B) To determine the goals to be included in the Educator Plan, the Evaluator reviews the goals the Educator has proposed in the Self-Assessment, using evidence of Educator performance and impact on student learning, growth and achievement based on the Educator’s self-assessment and other sources that Evaluator shares with the Educator. The process for determining the Educator’s impact on student learning, growth and achievement will be determined after ESE issues guidance on this matter. See #22, below.

C) Educator Plan Development Meetings shall be conducted as follows:

i) Educators in the same school may meet with the Evaluator in teams and/or individually at the end of the previous evaluation cycle or by October 15th of the next academic year to develop their Educator Plan. Educators shall not be expected to meet during the summer hiatus.

ii) For those Educators new to the school, the meeting with the Evaluator to establish the Educator Plan must occur by October 15th or within six weeks of the start of their assignment in that school.

iii) The Evaluator shall meet individually with Educators with PTS and ratings of needs improvement or unsatisfactory to develop professional practice goal(s) that must address specific standards and indicators identified for improvement. In addition, the goals may address shared grade level or subject matter goals.
iv) For educators with PTS with ratings of Proficient and Exemplary, the professional practice goal may be team goals. In addition, these educators may include professional practice goals that address enhancing skills that enable the educator to share best practices with colleagues or develop leadership skills.

v) Unless the evaluator indicates that educators in their second or third year of practice should continue to address induction and mentoring goals, the educator may propose team goals.

D) The Evaluator completes the Educator Plan by November 1st. The Educator shall sign the Educator Plan within 5 school days of its receipt and may include a written response. The Educator’s signature indicates that the Educator received the plan in a timely fashion. The signature does not indicate agreement or disagreement with its contents. The Evaluator retains final authority over the content of the Educator’s Plan.

(9) Evaluation Cycle: Observation of Practice and Examination of Artifacts – Educators without PTS

A) In the first year of practice or first year in a new assignment:

i) The Educator shall have at least two (2) announced observations during the school year using the protocol described in section 11B, below.

ii) The Educator shall have at least four (4) unannounced observations during the school year.

B) In their second and third years of practice or in the second and third years of a new assignment:

i) The Educator shall have at least one (1) announced observation during the school year.

ii) The Educator shall have at least three (3) unannounced observations during the school year.
Evaluation Cycle: Observation of Practice and Examination of Artifacts – Educators with PTS

A) The Educator whose overall rating is proficient or exemplary must have at least one (1) unannounced observation during the evaluation cycle.

B) The Educator whose overall rating is needs improvement must be observed according to the Directed Growth Plan during the period of the plan which must include at least two (2) unannounced observations.

C) The Educator whose overall rating is unsatisfactory must be observed according to the Improvement Plan which must include both unannounced and announced observations. The number and frequency of the observations shall be determined by the Evaluator, but in no case, for improvement plans of one year, shall there be fewer than one (1) announced and four (4) unannounced observations. For Improvement Plans of six months or fewer, there must be no fewer than one (1) announced and two (2) unannounced observations.

Observations

The Evaluator's first observation of the Educator should take place by November 15. Observations required by the Educator Plan should be completed by May 15th, unless the Educator is on the first year of a two year Self-Directed Growth Plan at which time the observations must be complete by June 15th. The Evaluator may conduct one (1) additional observation after June 15th.

The Evaluator is not required nor expected to review all the indicators in a rubric during an observation.

A) Unannounced Observations

i) Unannounced observations may be in the form of partial or full-period classroom visitations deemed useful by the Evaluator,
principal, superintendent or other administrator. The evaluator shall observe the educator generally for at least ten (10) minutes.

ii) The Educator will be provided with at least brief written feedback from the Evaluator within 3-5 school days of the observation. The written feedback shall be delivered to the Educator in person or by email.

iii) Any observation or series of observations resulting in one or more standards judged to be unsatisfactory or needs improvement for the first time must be followed by at least one observation of at least thirty (30) minutes in duration within twenty (20) school days.

B) Announced Observations

i) All non-PTS Educators in their first year in the school and PTS Educators on Improvement Plans shall have at least two (2) announced observations and other educators at the discretion of the evaluator shall have at least one (1) Announced Observation.

(a) The Evaluator shall select the date and time of the lesson or activity to be observed and discuss with the Educator any specific goal(s) for the observation. The observation shall be a partial or full class period or observation of service.

(b) Within five (5) school days of the scheduled observation, upon request of either the Evaluator or Educator, the Evaluator and Educator shall meet for a pre-observation conference. In lieu of a meeting, the Educator may inform the Evaluator in writing or in email of the nature of the lesson, the student population served, and any other information that will assist the Evaluator to assess performance.

(1st) The Educator shall provide the Evaluator a draft of the lesson, student conference, IEP plan or activity. If
the actual plan is different, the Educator will provide the Evaluator with a copy prior to the observation.

((12)) Evaluation Cycle: Formative Assessment

A) A specific purpose for evaluation is to promote student learning, growth and achievement by providing Educators with feedback for improvement. Evaluators are expected to make frequent unannounced visits to classrooms. Evaluators are expected to give targeted constructive feedback to Educators based on their observations of practice, examination of artifacts, and analysis of multiple measures of student learning, growth and achievement in relation to the Standards and Indicators of Effective Teaching Practice.

B) Formative Assessment may be ongoing throughout the evaluation cycle but typically takes place mid-cycle when a Formative Assessment report is completed. For an Educator on a two-year Self-Directed Growth Plan, the mid-cycle Formative Assessment report is replaced by the Formative Evaluation report at the end of year one. See section 13, below.

C) The Formative Assessment report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on Performance Standards and overall, or both.

D) No less than two (2) weeks before the due date for the Formative Assessment report, which due date shall be established by the Evaluator with written notice to the Educator, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may provide to the evaluator additional evidence of the educator's performances against the four Performance Standards.

E) Upon the request of either the Evaluator or the Educator, the Evaluator and the Educator will meet either before or after completion of the Formative Assessment Report.

F) The Evaluator shall complete the Formative Assessment report and provide a copy to the Educator. All Formative Assessment reports must be signed by the Evaluator and delivered face-to-face or by email.

H) The Educator shall sign the Formative Assessment report by within five (5) school days of receiving the report. The signature indicates that the Educator received the Formative Assessment report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.

I) As a result of the Formative Assessment Report, the Evaluator may change the activities in the Educator Plan.

J) If the rating in the Formative Assessment report differs from the last summative rating the Educator received, the Evaluator may place the Educator on a different Educator Plan, appropriate to the new rating.

((13)) Evaluation Cycle: Formative Evaluation for Two Year Self-Directed Plans Only

A) Educators on two year Self-Directed Growth Educator Plans receive a Formative Evaluation report near the end of the first year, but no later than June 10th, of the first year of the two year cycle. The Educator's performance rating for that year shall be assumed to be the same as the previous summative rating unless evidence demonstrates a significant change in performance in which case the rating on the performance standards may change, and the Evaluator may place the Educator on a different Educator plan, appropriate to the new rating.

B) The Formative Evaluation report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on each performance standard and overall, or both.

C) No later than May 1st of the first year, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining
professional practice and student learning goals. The educator may also provide to the evaluator additional evidence of the educator’s performance against the four (4) Performance Standards.

D) The Evaluator shall complete the Formative Evaluation report and provide a copy to the Educator. All Formative Evaluation reports must be signed by the Evaluator and delivered face-to-face or by email.

E) Upon the request of either the Evaluator or the Educator, the Evaluator and the Educator will meet either before or after completion of the Formative Evaluation Report.

F) The Educator may reply in writing to the Formative Evaluation report within ten (10) school days of receiving the report.

G) The Educator shall sign the Formative Evaluation report within five (5) school days of receiving the report. The signature indicates that the Educator received the Formative Evaluation report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.

H) As a result of the Formative Evaluation report, the Evaluator may change the activities in the Educator Plan.

I) If the rating in the Formative Evaluation report differs from the last summative rating the Educator received, the Evaluator may place the Educator on a different Educator Plan, appropriate to the new rating.

J) A copy of the formative assessment will become part of the Educator’s personnel file.

(14) Evaluation Cycle: Summative Evaluation

A) The evaluation cycle concludes with a summative evaluation report. For Educators on a one (1) or two (2) year Educator Plan, the summative report must be written and provided to the educator by June 15th.

B) The Evaluator determines a rating on each standard and an overall rating based on the Evaluator’s professional judgment, an examination of evidence against the Performance Standards and evidence of the attainment of the Educator Plan goals.
C) The professional judgment of the primary evaluator shall determine the overall summative rating that the Educator receives.

D) For an educator whose overall performance rating is exemplary or proficient and whose impact on student learning is low, the evaluator's supervisor shall discuss and review the rating with the evaluator and the supervisor shall confirm or revise the educator's rating. In cases where the superintendent serves as the primary evaluator, the superintendent's decision on the rating shall not be subject to review.

E) The summative evaluation rating must be based on evidence from multiple categories of evidence. MCAS Growth scores shall not be the sole basis for a summative evaluation rating.

F) To be rated proficient overall, the Educator shall, at a minimum, have been rated proficient on the Curriculum, Planning and Assessment and the Teaching All Students Standards of Effective Teaching Practice.

G) No less than four (4) weeks before the due date for the Summative Evaluation report, which due date shall be established by the Evaluator with written notice provided to the Educator, the Evaluator will provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may also provide to the evaluator additional evidence of the educator’s performance against the four (4) Performance Standards.

H) The Summative Evaluation report should recognize areas of strength as well as identify recommendations for professional growth.

I) The Evaluator shall deliver a signed copy of the Summative Evaluation report to the Educator face-to-face or by email no later than May 15th.

J) The Evaluator shall meet with the Educator rated needs improvement or unsatisfactory to discuss the summative evaluation. The meeting shall occur by June 1st.
K) The Evaluator may meet with the Educator rated proficient or exemplary to discuss the summative evaluation, if either the Educator or the Evaluator requests such a meeting. The meeting shall occur by June 15th.

L) Upon mutual agreement, the Educator and the Evaluator may develop the Self-Directed Growth Plan for the following two (2) years during the meeting on the Summative Evaluation report.

M) The Educator shall sign the final Summative Evaluation report by May 20th. The signature indicates that the Educator received the Summative Evaluation report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.

((16)) Educator Plans: Developing Educator Plan

A) The Developing Educator Plan is for all Educators without PTS and for some educators in a new assignment. Educators without PTS shall be placed on a developing educator plan at the discretion of the Evaluator. Evaluators
will develop the educator plan for Educator’s in a new assignment after consultation with the Educator.

B) The Educator shall be evaluated at least annually.

((17)) Educator Plans: Self-Directed Growth Plan

A) A Two-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is moderate or high. A formative evaluation report is completed at the end of year one (1) and a summative evaluation report at the end of year two (2).

B) A One-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is low. D) For an Educator on a Directed Growth Plan whose overall performance rating is at least proficient, the Evaluator will place the Educator on a Self-Directed Growth Plan for the next Evaluation Cycle.
E) For an Educator on a Directed Growth Plan whose overall performance rating is not at least proficient, the Evaluator will rate the Educator as unsatisfactory and will place the Educator on an Improvement Plan for the next Evaluation Cycle.

((19)) Educator Plans: Improvement Plan

A) An Improvement Plan is for those Educators with PTS whose overall rating is unsatisfactory. The President of the AEA will be informed of an educator rated unsatisfactory.

B) The parties agree that in order to provide students with the best instruction, it may be necessary from time to time to place an Educator whose practice has been rated as unsatisfactory on an Improvement Plan of no fewer than thirty (30) calendar days and no more than one (1) school year. In the case of an Educator receiving a rating of unsatisfactory near the close of one (1) school year, the Improvement Plan may recommend activities that occur during the summer before the next school year begins.

C) The Evaluator must complete a summative evaluation for the Educator at the end of the period determined by the Evaluator for the Plan.

D) An Educator on an Improvement Plan shall be assigned a Supervising Evaluator (see definitions). The Supervising Evaluator is responsible for providing the Educator with guidance and assistance in accessing the resources and professional development outlined in the Improvement Plan. The primary evaluator may be the Supervising Evaluator.

E) The Improvement Plan shall define the problem(s) of practice identified through the observations and evaluation and detail the improvement goals to be met, the activities the Educator must take to improve and the assistance to be provided to the Educator by the district.

F) The Improvement Plan process shall include:

I) Decision on the Educator’s status at the conclusion of the Improvement Plan.

i) All determinations below must be made no later than June 1. One of three decisions must be made at the conclusion of the Improvement Plan:
(a) If the Evaluator determines that the Educator has improved his/her practice to the level of proficiency, the Educator will be placed on a Self-Directed Growth Plan.

(b) In those cases where the Educator was placed on an Improvement Plan as a result of his/her summative rating at the end of his/her Directed Growth Plan, if the Evaluator determines that the Educator is making substantial progress toward proficiency, the Evaluator shall place the Educator on a Directed Growth Plan.

(c) In those cases where the Educator was placed on an Improvement Plan as a result of his/her Summative rating at the end of his/her Directed Growth Plan, if the Evaluator determines that the Educator is not making substantial progress toward proficiency, the Evaluator shall recommend to the superintendent that the Educator be dismissed.

A principal considering making an employment decision that would lead to PTS for any Educator who has not been rated proficient or exemplary on each performance standard and achieved an overall rating of proficient or exemplary on the most recent evaluation shall confer with the superintendent by May 1. The principal’s decision is subject to review and approval by the superintendent.

((25)) General Provisions

A) Only Educators who are licensed may serve as primary evaluators of Educators.

B) Evaluators shall not make negative comments about the Educator’s performance, or comments of a negative evaluative nature, in the presence of students, parents or other staff, except in the unusual circumstance where the Evaluator concludes that s/he must immediately and directly intervene. Nothing in this paragraph is intended to limit an administrator’s ability to investigate a complaint, or secure assistance to support an Educator.

C) The superintendent shall insure that Evaluators have training in supervision and evaluation, including the regulations and standards and indicators of effective teaching practice promulgated by ESE (35.03), and the evaluation Standards and Procedures established in this Agreement.
D) Should there be a serious disagreement between the Educator and the Evaluator regarding an overall summative performance rating of unsatisfactory, the Educator may meet with the Evaluator’s supervisor to discuss the disagreement. Should the Educator request such a meeting, the Evaluator’s supervisor must meet with the Educator. The Evaluator may attend any such meeting at the discretion of the superintendent. The Superintendent may determine that an additional announced observation is warranted. Such observation shall be done by another district evaluator.

When the evaluation process results in the termination or non-renewal of an Educator, then no financial remedy or reinstatement shall issue if there was substantial compliance. Nothing in this article diminishes an employee’s rights under M.G.L., Chapter 71 and Article 26-06 of the Agreement.
