EXISTING CONDITIONS OF EMPLOYMENT

Except as this Contract shall hereinafter otherwise provide, all conditions of employment applicable on the effective date of this Contract to employees covered by this Contract, as established by the School Committee’s Rules and Regulations in force on the said date, shall continue to be so applicable during the life of this Contract.

Article III

TEACHING HOURS AND TEACHING LOAD

The School Committee and the Association recognize and agree that a teacher’s responsibility to his/her students and his/her profession should normally entail the performance of duties and the expenditure of time beyond the regular work day, but that time and work schedules can, and should be established, applicable to teachers in the normal course of their employment. To this end, the following conditions of employment shall be effective, except in circumstances beyond the control of the School Department, in the administration of this Contract.

A. The Work Year of all returning Professional Salaried Employees, shall begin not earlier than 1 week prior to Labor Day, and shall not terminate later than June 30th in the following calendar year, and shall consist of a total of 183 days. In addition to said work days, new employees of the Clinton School Department shall attend the 2.5 day Orientation Program during the week prior to the beginning of the school year. Such additional orientation days shall not be included in the said work year. “Mentor” teachers will attend this program as part of their performance responsibilities.

All other in-service meetings shall be held during release time.

B. Unless otherwise provided, the length of the work day for each school shall be 7 hours and 29 minutes at CHS, 7 hours and 15 minutes at CMS, and 7 hours and 5 minutes at CES,

earlier than 15 minutes on a voluntary basis at the discretion of the principal based on the
needs of students. The work day may end fifteen (15) minutes earlier if professional
responsibilities are concluded or if the employee is expressly released earlier by the
Principal. Professional responsibilities include attending student support meetings and
assisting students with extra help. For the purpose of this Contract, the term “students’

established by the School Committee for the students at respective schools. Employees
will be assigned duties for that period by direction of the School Principal, and may be
assigned duties in storm and other emergencies. These duties will be assigned in a fair and
equitable manner and will be assigned to all unit members assigned to said school. The
school administration will show cause for exceptions to this provision.

employee more than two (2) times during the school year, and shall not exceed two (2)
hours in duration for the high school and two and one-half (2.5) hours in duration at the
middle school and elementary levels. A third evening meeting/event, not to exceed two (2)
hours in duration, may be held through bilateral agreement, once a formal program and
agenda have been submitted and approved.

Two additional evening meetings and/or events may be held if these are both paid and
voluntary. The superintendent will be able to limit the number of teacher participants if
necessary. The rate of pay will be the same as the Non-Article III teaching stipend defined

GRIEVANCE PROCEDURE

A. Definitions:

1. A grievance is a claim or complaint based upon an event, act or condition which effects the interpretation, meaning, or application or any of the conditions of this Agreement.

2. A “grievant” is the person or persons, and/or the Association itself, making the claim or complaint.

3. A “party in interest” is the person or persons, and/or the Association making the claim and filing the grievance, and any person it might take in order to resolve the grievance.

4. When filing a grievance a teacher must state in writing the specific provision of the Agreement which is alleged to have been violated and is being grieved.

B. Purpose:

The purpose of this procedure is to resolve, at the lowest possible administrative level, solutions to the problems which may from time to time arise, affecting working conditions of employees and/or the contractual right and privileges of employees covered by the Agreement.

Both parties agree that grievance proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure:

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort shall be made to expedite the process. The time limits specified may, however, in particular circumstances, be reduced or extended by mutual agreement in writing.

Level One

The grievance shall be presented in writing within ten (10) school days of the event to the immediate supervisor or administrator and the Principal to whom the grievant is specifically assigned. The appropriate administrators shall thereafter meet with the grievant in an effort to settle the grievance. Any meeting with reference to the above shall be held during non-school hours.
Level Two

If at the end of five (5) school days next following such presentation at Level One, the original grievance shall not have been disposed of to the grievant's satisfaction, the grievant may, within five (5) school days thereafter, present the original grievance IN WRITING to the Superintendent, who shall thereafter meet with the grievant in an effort to settle the grievance.

Level Three

If at the end of ten (10) school days next following presentation of the original grievance at Level Two, the dispute shall not have been disposed of to the grievant's satisfaction, the grievant may, within five (5) school days thereafter, if the School Committee has jurisdiction on the particular issue, present that grievance IN WRITING to the School Committee which shall thereafter meet with the grievant in an effort to settle the grievance.

Level Four

If at the end of fifteen (15) school days next following presentation of the original grievance at Level Three, the grievance shall not have been disposed of to the satisfaction of the grievant, the grievant may submit the grievance to arbitration. The parties may agree to utilize the Massachusetts Department of Labor Relations or the American Arbitration Association for the arbitration. If no agreement, the parties shall utilize the American Arbitration Association. The arbitration must be filed within twenty-one (21) calendar days in accordance with the tribunals voluntary rules and regulations then obtaining. The costs of the Arbitrator shall be shared equally by the School Committee and the grievant, including per diem expenses, if any, and actual necessary travel and subsistence expenses. The arbitration award made shall be final and binding upon the School Committee, the Association and the grieving employee(s) if any. The arbitration proceeding shall be subject to the following conditions:

1. The authority of the arbitrator shall be limited to the interpretation of this Agreement. The arbitrator shall have no right to add to, or subtract from, or modify this Agreement, and shall only interpret such items and determine such issues as may be submitted to him/her by the written agreement of the parties.

2. Either party shall have the right to have a transcript made of the proceedings. Both parties may agree to share the expense of providing a copy of the transcript to the arbitrator. If only one party requests a transcript of the proceedings, the requesting party shall be responsible for the expense of providing a copy of the transcript to the arbitrator. The non-requesting party is not entitled to a copy of the transcript.

3. Monetary awards resulting from a decision of the arbitrator shall not be retroactive beyond twelve (12) months prior to the date of the occurrence of the grievance.

4. The arbitrator shall not render any decision contrary to state or federal law.
D. Miscellaneous:

1. Grievances submitted in written form shall be responded to in writing by the Principal or immediate supervisor. The failure of the Administrator, Superintendent, or School Committee to respond to a grievance within the appropriate time limit shall be considered a denial of the grievance, and the grievant(s) or the Association may move the grievance to the next level of the procedure.

2. All written communications, documents, and records, relating to any grievance shall be maintained in a file separate from the personnel file of any employee involved in the proceedings. Unless requested in writing to do otherwise, by all employees named in such records, any documents, communications, and records dealing with the processing of a grievance will be kept in the strictest confidence and will not be made available or referred to potential employers or others inquiring about said employee(s), but not having been a party in interest to the actual proceedings.

3. Any party in interest may be represented at all stages of the grievances by a person or persons of his/her own choosing, except that a grievant may not be represented by a representative or an officer of any teacher organization other than the Clinton Teachers Association (CTA) and/or its parent affiliates. When a teacher is not to be represented by the CTA and/or its agents, the CTA will be informed by the grievant of the impending proceedings and shall have the right to be present at the proceedings and to state its views at all stages of the particular grievance matter.

4. If any employee covered by this Agreement shall present any grievance without representation by the CTA and/or its agents, the disposition, if any, of the dispute shall be consistent with the provisions of this Agreement. The disposition, if any, of any grievance processed under these herein described circumstances, shall be transmitted in writing to the CTA by the grievant at the same time a decision is delivered to the employee grieving the matter without representation.

5. Subject to the provisions of the Public Records Law, the Committee shall, upon request, make available to all parties in interest, school department records and documents in its possession, necessary to the processing of any grievance.

6. When attendance at grievance proceedings is required of an employee to provide information, to serve as a witness, to represent a party in interest, or to otherwise take part in grievance deliberations during the school day, said employee will be released from normal and assigned duties without loss of pay as necessary to permit participation in the foregoing activities. The foregoing notwithstanding, every effort will be made by all parties in interest to schedule grievance sessions in the participants' non-working hours or after school.

7. The School Committee and the Association view the grievance procedure as a problem-solving procedure which may be used with impunity.
8. Pending the Arbitrator’s final decision of a grievance, the teacher and/or the Clinton Teachers Association shall proceed diligently with the performance of their duties in accordance with the School Committee’s decision.

9. It is understood that the CTA may not bring forth a grievance on behalf of an individual bargaining unit member, but may bring forth a grievance in its own name where the Association as a whole has been aggrieved.

10. Reserved.

11. No information may be presented to the Arbitrator that has not been previously presented through the grievance process.

12. Grievances may be settled without precedent by mutual agreement of the parties at any stage of the grievance or arbitration procedure until the issuance of a final award by the arbitrator.

13. The grievant(s) or Association’s failure to initiate any Level within the appropriate time limit shall result in barring the grievance.

Article XII

SICK LEAVE BUY-BACK

Effective July 1, 1994, when a Professional Employee hired prior to July 1, 2007 retires from the Clinton Public School System and the Massachusetts Teacher Retirement System, after ten (10) years of service in the Clinton School System, he/she or his/her estate will receive full pay for as many days as the employee has accumulated in sick leave using the following formula:

A. One for one for the first sixty (60) days of accumulated sick leave.

B. Days in excess of sixty (60) will be paid at the rate of one (1) day's pay for every two (2) days of accumulated sick leave up to a maximum of forty (40) additional days. Total sick leave days paid for under this provision would be a maximum of one-hundred (100) days.

C. The per diem rate will be based on the work year at retirement.
D. The maximum payment for all accumulated sick leave days will not exceed $29,000 during the years of this contract. It is understood that this maximum will be a negotiable item for any successor agreement, but that it cannot be lowered.

E. The one day rate of pay, per diem, is based only on the employee's salary (BA, BA+15, BA+36/MA, MA+15, MA+30, MA+45, MA+60/CAGS, MA+75/PHD), and longevity bonus, if appropriate. Chairperson, athletic, or extra-curricular pay are not included.

F. For teachers hired on or after July 1, 2007: After ten (10) years of service in the Clinton Public Schools, at any time when the teacher retires from the Clinton Public School System and the Massachusetts Teacher Retirement System, or dies (estate will receive this benefit), he or she will receive full pay at the per diem rate for 6% of the days that the teacher has accumulated in sick leave up to $29,000. The per diem rate will be based on the work year at retirement.

G. Notification of intent to retire must be supplied to the superintendent by December 1st of the school year in which the employee intends to claim this benefit. The order of priority for payments will be determined by seniority of the retiree(s). Additionally, the actual retirement date must be effective at the end of mid-year point or at the completion of the school year. It is understood that a bargaining unit employee may still elect to retire at a time other than the mid-point or the end of the school year, but such employee shall not be eligible for the full sick leave buyback. The total of the sick leave buyback ($29,000) will be reduced by the value of the retiring teacher's per diem pay from the date he/she leaves from the beginning the school through the mid-point and after the mid-point until the end of the school year.

H. Clinton Public Schools will pay out all buyback monies owed within three years of a qualifying retirement.

**Article XIII**

**REDUCTION IN FORCE CLAUSE**

If for any reason the Committee deems it necessary to reduce staff in accordance with a decline in enrollment, reorganization, budget limitations, or as other circumstances may warrant, the following procedure will be followed:

A. Before the layoff/involuntary transfer of any teacher, all reasonable measures such as normal attrition, leaves of absence, long-term illnesses, etc. shall be employed to minimize, delay or eliminate the need for layoffs.

B. Teachers will be laid off according to the following rules and procedures:

1. The least senior teacher in the affected discipline will be laid off first.
2. Additional layoffs within the same discipline will be in inverse order of seniority.

3. Exceptions to #1 and #2 above may be made when it can be determined that the performance of a junior teacher in the affected discipline is better than that of the senior teacher. Factors used in such determination will include: area(s) of certification, major or minor, graduate work completed in the field, teacher evaluations, course/grade level experience, attendance history, and teaching experience outside the Clinton Public School System.

4. Teachers who were Instructional Associates will be given seniority based upon their first appointment as Instructional Associates.

**SENIORITY**

Seniority in a discipline will mean length of continuous service in a professional capacity in the Clinton Public Schools in years, months, and days. All unpaid leaves of absence as granted by the School Committee shall not interrupt continuous service for the purpose of defining seniority, but time spent in such leaves will not count toward seniority. Teachers shall be credited for seniority purposes with all time spent on sabbatical leave or paid authorized leaves of absence. In the event that employee's length of service in the Clinton Public Schools are equal, the factors listed under #3 above will be used to determine who the “senior” teacher is.

**CROSS-OVER/BUMPING**

A teacher who is to be laid off in a particular discipline and is certified to teach in another discipline will be placed in the second discipline for the purpose of determining if he/she or another teacher from the new discipline is to be laid off. A teacher with more system wide seniority than another may “bump” a junior teacher with less seniority holding a position for which the senior teacher is certified, provided the senior teacher maintains appropriate certification. Those teachers “bumping” into another discipline must complete two graduate courses (6 credits) in the “new” discipline upon filling the position and will have one (1) year in which to complete said graduate courses.

**RECALL**

A teacher laid off shall have recall rights for a two (2) year period commencing on July 1st following the last school year he/she taught before being laid off. During the recall period the laid off employees will have preference for any vacancy or new position for which they are eligible.

A laid off employee will be given priority on the substitute list during said recall period if the teacher has so requested in writing to the Superintendent.

A teacher to be recalled will be so notified at the last address on file with the Superintendent by registered or certified mail and a copy of such notice will be forwarded to the President of the
Association. If the teacher fails to respond affirmatively to the recall within two (2) weeks of the date of mailing of the notice, the teacher will forfeit all recall rights.

A teacher recalled will be given full credit for prior service in the Clinton Public Schools. However, time spent awaiting recall while not employed by the Committee will not be credited. Placement on the salary schedule will be done in a manner consistent with the conditions of the previous sentence. All benefits to which an employee was entitled at the time of layoff, will be restored in full upon recall.

During the first 18 months of recall period, teachers will be entitled to retain membership in group life and medical insurance plans of the Town of Clinton as pursuant to Massachusetts General Law. If the teacher forfeits recall rights as specified above, then the insurance coverage under this paragraph is also forfeited.

**PART-TIME POSITIONS**

Once it is determined by the Committee to reduce a full-time position to a part-time position, the following will take place:

1. The position will first be offered to the incumbent.
2. If the incumbent declines the position, a job description will be posted and qualified applicants will be sought within the system.
3. If, after interviews, no qualified and certified teacher is found to transfer into the position, the position will be posted outside the system.
4. If no certified and qualified applicants can be found outside the system, the position will be filled by the original applicant(s) using the following as criteria: area(s) of certification, major or minor, graduate work completed in the field, teacher evaluations, course/grade level experience, attendance history, and teaching experience outside the Clinton Public School System.

**Article XIV**

**GENERAL**

A. The Association shall be provided with a copy of the Official Agenda of each regular School Committee Meeting prior to each meeting. The Association will also be provided with copies of all other non-confidential materials which are relevant to this contract.

B. If any provision of this Contract, or any application of this Contract to any teacher or group of teachers shall be found contrary to law, then such provision of application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications of this Contract shall continue in full force and effect.
C. The Superintendent may assign Guidance Counselors to work ten (10) days during the summer vacation. If so assigned, the counselors shall be paid a per diem rate based on their salary when school ended before that summer.

D. Employees will be notified of their anticipated assignment for the following school year on or before June 1 of each school year. However, management reserves the right to change this assignment based on staffing, operational or student needs and provided that employees will be notified of any changes as soon as practicable.

E. The Superintendent may request a nurse to work one week prior to the new school year for new enrollment or parent meetings, at the per diem rate.

General education courses and most in-service programs (even if approved) will not be considered appropriate credits to use unless designated at the time of approval. No courses taken before September 1, 1974 will be used in claiming this level. Approved courses taken after September 1, 1974, up to 21 credit hours, are applicable to this schedule.

2. All staff employed by the School Department as of May 1, 2001 and who return to a job in the Clinton School Department for the 2001 – 2002 school year, and are presently at the B+15 step will remain eligible for the B+36 step. All employees whose employment commences with the 2001 – 2002 school year will not be eligible for this step.

D. MOVEMENT ON THE SALARY SCHEDULE

This includes holding monthly meetings to support the department, school, and district goals; updating and maintaining the program of studies, course descriptions, and curriculum; preparing the budget and ordering appropriate instructional supplies; analyzing data, reporting out, and making adjustments based on data. Department Chairs are also members of the Curriculum & Instruction Committee and may be required to attend evening events such as School Committee or School Council meetings to represent their department. In addition to the stipend listed, Department Chairs have "department chair" duty scheduled for a period of time during the day in lieu of another supervisory duty. N. PURPOSE AND CREATION OF STIPEND POSITIONS

Purpose of Stipend Positions: Stipend positions exist to compensate individuals for taking on additional responsibilities. These responsibilities are typically athletic coaching, advising student activities, or instructional leadership. In filling stipend positions, Clinton Public Schools shall hire the most qualified applicant in order to best support the students.

Creation of a Stipend Position: Clubs and stipend positions can be created two ways:

1. School Committee or Administrative Discretion: When the School Committee or Administration identifies athletics, student activity, or instructional leadership needs they may choose to create a job description and post a stipend position to fill the need. The amount of the stipend shall be based on comparable existing positions.

2. Students or Staff Initiative: When students or staff identify an interest they may bring their athletics, student activity, or instructional leadership position to the appropriate School Council. If the School Council supports the need, then the position may run as an unpaid pilot. After the activity has had sufficient time to run, not to exceed two years, the person in the position should present data to the School Council regarding the impact of the position. If the School Council supports continuing with the program, it shall be recommended by the building Principal for inclusion in the next fiscal year. Requests to be included in a fiscal year budget should be made prior to the end of the calendar year in order to be included in the next fiscal year budget.

**P. ATHLETICS**

Athletic Coaches are responsible for working with the Athletic Director and handling all aspects of their team. This includes collecting necessary paperwork, ensuring eligibility, compliance with CPS and MIAA policies, rules, and regulations. Coaches are expected to follow a regular practice routine in order to ensure their teams are prepared for all competitions.

Athletic Coaches shall be classified as follows:

Level 9: This classification applies only to the Head Varsity Football coach due to the number of participants, the length of season, and the supervision of assistants required with the position.

Level 8: This classification applies to varsity coaches. Coaches at this level are still expected to make the sport an enjoyable experience for their players, but there is more of an emphasis on playing the best players and striving for success.

Level 6: This classification primarily applies to JV Coaches. At the JV level the focus is on player development and working with the varsity program to support a competitive program.

Level 4: This classification is for Middle School and freshmen sports. At the middle school/Freshmen level the focus should be on fundamentals and teaching the skills, terminology, and techniques that will be necessary to succeed at the JV and Varsity levels.

**O. GRADE LEVEL LEADERS**

The grade level leaders will serve as members of the building-based instructional team. They will be the primary liaison between Administration and/or Department Chairs and the grade level team members. The Grade Level Leader would also serve as the facilitator for grade level meetings and/or professional development and may be expected to develop agendas and prepare minutes. Grade level leaders are expected to attend one additional after school meeting per month.

**R. TEAM CHAIR**

Team chairs are integral parts of the Special Education process. The Team Chair is responsible for ensuring that all aspects of initial meetings and re-evaluation meetings are completed and then chairing the meeting and overseeing the follow through paperwork. The Team Chair oversees the entire process and will conduct testing and write IEPs as necessary to ensure compliance with the law and to best support our students.
S. DIRECT DEPOSIT

Effective July 1, 2021, or upon such later date determined by the School District, the School District may require all bargaining unit members to have their paychecks directly deposited to a banking institution of their choosing. Upon implementation of a mandatory direct deposit banking system, the School District shall make each employee's pay slip or check stub available for review electronically.

School Nurses' Salary Schedule

1. The certified School Nurse [RN(BSN), RN(MSN)] will be placed on the teachers’ salary schedule at Step One or at the appropriate step as determined by the Superintendent of Schools. Nurses that have obtained the National School Nurse Certification will be moved to the B+15 column.

If a School Nurse is required by the Principal or his/her designee to perform actual work outside of his/her total daily scheduled hours, as set forth in Article III, as a result of being assigned to a different separate school building during the course of the same school day, he/she will be compensated proportionately for those additional hours based on his/her per diem rate of pay. Additionally, if any nurse is required to cover another school in addition to her regularly scheduled school, the nurse shall be compensated an additional twelve dollars per hour ($12.00/hour) for the period of the coverage.
