## **ARTICLE V - OPERATIONAL GUIDELINES/FLEXIBLE PROFESSIONAL DEVELOPMENT**

### **A. School Year**

1. The teachers' contractual year shall be one hundred eighty-five (185) days including, but not limited to, the day before the first day of pupil classes and actual session days. Actual session days shall mean days when students are actually in session for at least half of the normal school day. Days on which school is not in session as a result of inclement weather or other causes are not a part of actual session days.

2. The day before Thanksgiving shall be a half day for students and teachers. The day before December vacation and the last day of classes may be half days for students. Teachers will be engaged in professional activities after the students' departure to the extent required by state school-day regulations. The above half days shall be counted as "actual session days."

3. Teachers shall not be required to work Saturday except by mutual agreement between the Association and the Committee.

Of the four (4) days for professional development, one (1) of the days will be considered a flexible professional development day. If one (1) of the remaining three professional development days is canceled due to a school cancellation, that professional development day will then become a second (2) Flexible Professional Development day that year.

### **B. School Day**

It has been the policy of the Committee not to stipulate the time teachers should arrive at school or the time they should leave. It is agreed that teachers, as professionals, should be aware of their responsibility to be in their classrooms when their students arrive and of their responsibility to be available to students for make-up and special help, and for parent and SPED/IEP meetings when needed. The practice of handling this in a professional manner shall be continued.

**Middle School: The teacher's schedule will be put out a week ahead so students know when teachers are available (before, during or after school). Teachers will communicate to students and parent(s)/guardian(s) at the beginning of the school year about how to get help. If a teacher stays for after school help and no students seek assistance after 10 minutes, the teacher may leave.**

The length of the school day shall not be increased or decreased without mutual consent of the Association and the School Committee unless otherwise required by the State Department of Education.

### **C. After-School Staff Meetings**

Monthly Staff meetings will consist of the following: **One principal directed staff meeting with all staff, one team/curriculum/grade level meeting, one Professional Learning**

**Community (PLC).** The duration of the meeting shall not generally exceed 1 hour. All staff meetings are regularly on Mondays except when there are two Monday holidays and the meeting is scheduled with advanced notice. No staff meetings will be held during the week when evening parent-teacher conferences and/or curriculum/open houses are scheduled. Principals and teachers will collaboratively develop the norms for such meetings.

(On weeks there is a PLC afterschool, there will be no PLCs during the school day. Faculty meetings will begin 5 minutes after the departure of the last bus. - Non-contractual agreement)

D. Lunch Periods

All teachers shall have a daily duty-free lunch period of thirty (30) minutes.

E. Preparation Periods

1. In addition to their lunch period, all elementary teachers shall have preparation periods during which they will not be assigned any other duties. There will be five (5) such periods per week, each of which shall be approximately forty (40) minutes in duration. A team planning period or a team meeting may be substituted for one of the five prep periods when deemed necessary by the principal. The Principal will endeavor in consultation with teachers to schedule one prep per day.

2. In addition to their lunch period, all Middle School teachers will have one (1) modular classroom preparation period per day, equal to the average modular period, during which preparation period they will not be assigned to any other duties.

F. Parents'/Curriculum Nights

Teachers will be responsible for the following parent/teacher events:

Fall:

One evening for an Open House (no more than 90 minutes) with early release for teachers. Principals and teachers will work collaboratively to decide the Open House format.

Two afternoon and two evening conferences with early release. **The two half days should be non-consecutive.**

Spring:

One afternoon and one evening conference with early release.

G. Class Size

The Committee recommends following the class size policy insofar as it is feasible to do so.

**ARTICLE VI - NON-TEACHING DUTIES**

A. The Committee and the Association agree that a teacher's primary responsibility is the total education of the children in the teacher's care.

B. Assignment of teachers for non-teaching duties shall be on an equitable basis.

C. Although teachers may be required to collect and transmit money to be used for educational purposes, they will not be held responsible for the loss of any money collected unless such loss is the result of failure to follow school regulations.

D. Teachers will not be required to drive pupils to activities which take place away from the school building.

E. Professional Development Days

1. Professional development days shall run from 8:30 a.m. to 2:30 p.m. for all schools and include a 30 minute lunch period. The agenda of the professional development days will be decided by the Professional Development Committee.

2. Building principals and teachers may provide input data to be sent to the Assistant Superintendent in order that they may set priorities and develop agendas for these professional development days.

**ARTICLE VII - TEACHER EMPLOYMENT**

**A. Upon initial employment, step placement will be at the discretion of the Superintendent.**

B. Any teacher with professional status who enters the military service shall receive credit not to exceed two (2) years for such service and for previously accumulated sick leave.

C. During their first three years of employment, new teachers are required to successfully complete a course, provided by the district and approved by the Superintendent, dealing with effective teaching strategies.

D. Part-time Teachers

1. Compensation

Part-time teachers shall be compensated a pro-rata salary and benefits based upon the number of classroom periods taught. Eligibility for insurance shall be based upon state law.

2. Scheduling

Whenever possible, a part-time teacher at the Middle School will not be required to have more than one (1) average class period of time scheduled between his or her teaching classes on any given day. Part-time teachers shall be scheduled to have a class during the last period of one (1) day so that they may be available for extra help sessions after school; no extra duties shall be assigned to the teacher for that day.

E. Reduction In Force

1. In the event that a reduction in the number of teachers with professional teacher status (PTS) is deemed advisable by the Superintendent, the following rules shall apply in the determination of which teachers are to be laid off:
  - a. Teachers with PTS shall not be laid off if there is a teacher without PTS whose position the teacher with PTS is qualified to fill.
  - b. Reduction in force of a teacher with PTS within the targeted disciplines shall be based on a teacher's job performance and the best interest of the students, which is defined as the teacher's most recent summative overall evaluation ratings as compared to other teachers' most recent summative overall evaluation ratings (with ratings of Meets the Standards of the Northborough School District for evaluations prior to 2013-2014). Proficient and Exemplary will be considered equal.
  - c. If there is a tie using the above criteria, the tie shall be broken by seniority, with the least senior teacher in the discipline targeted laid off first. If there is still a tie, versatility and/or licensure will be the determining factor. A teacher's placement on the salary schedule shall not be a factor in the consideration of layoffs.
  - d. Seniority shall be defined by the length of uninterrupted service in full-time equivalent years and days working under a valid license, from the most recent commencement of service. A seniority list by name shall be provided to the Association by November 15. Disputes over the list shall be submitted to the Superintendent within 30 calendar days of distribution. The Superintendent will respond in writing within 30 calendar days.
  - e. Unpaid leaves of absence shall not cause an interruption in seniority, but shall not be counted toward credit. Professional status teachers who face the prospect of employment termination, as a result of a reduction in force, shall be informed in writing by May 1 of the school year preceding the anticipated reduction, when feasible.
  - f. Teachers with professional teacher status who have been reduced shall be eligible for continued participation in group insurance plans at their own expense to the extent provided by federal (COBRA) regulations.

## 2. Teacher Recall Procedures

In the event of a layoff or a reduction in force, teachers who have been rated Proficient or Exemplary at the time of layoff are eligible for recall. No new employee shall be hired for a permanent position until such time as every eligible employee on the recall list has been given an opportunity to apply in writing to fill the vacancy.

- a. The Superintendent shall maintain a complete list of all professional personnel formerly under the contract who are, by virtue of declining student enrollment and/or school closings, dismissed. It is the applicant's responsibility to furnish current information and an updated resume.

- b. A teacher's name shall be maintained on the recall list until the September 1<sup>st</sup> two years after the date on which the layoff occurs. Personnel on this list are encouraged to provide notification if they no longer wish to be considered for recall.
  1. Names still listed at the end of the recall period will be dropped.
  2. Individuals who refuse a job offer (of equal FTE) will be dropped from the list except for verified medical reasons. Medical reasons do not extend the recall period.
- c. When a vacancy occurs, the personnel department will notify each qualified former employee on the recall list by mail that a vacancy exists. Those interested must express this interest in writing within a 14-day calendar period from the date of the notification's postmark.

Upon recall, employees shall advance one step on the salary schedule, provided that they are employed by the District (90) days in the year directly preceding their layoff, and have satisfied all other contractual requirements. PTS returning to service shall have their accrued sick days and seniority restored. Any teacher with professional teacher status electing to be placed on such recall list will be deemed to have waived his hearing rights under MGL, Chapter 71, Section 42. This section does not abrogate the teacher's right to the grievance procedure as described herein.

#### F. Early Retirement Clause

Unit employees who will have accumulated twenty (20) years of service in the Northborough School System as of their date of retirement and who wish to retire or resign before the age of sixty-five (65) are eligible for entry into the Early Retirement Program.

1. Entry into the Early Retirement Program will be granted to up to four (4) new unit employees each year. In cases where there are more than four (4) applicants, the four (4) unit employees with the greatest seniority will be accepted into the program; if there is a tie in seniority, a lottery system will be used to determine program participation.
2. Written notice must be received by the Superintendent no later than **January 15**. Early retirement compensation cannot be considered for Massachusetts Teachers Retirement benefits. Payment of the early retirement compensation shall be distributed in two equal payments, January and June, according to the appropriate schedule.

In all instances, the teacher who is absent shall be credited as using the appropriate leave time and this time will be deducted from their accredited time, i.e., personal, sick.

6. The number of job share positions shall be at the discretion of the Superintendent.
