ARTICLE I

Recognizing that our prime purpose is to provide education of the highest possible quality for the children of Plympton, and that good morale within the professional staff of the Plympton School System is essential to the achievement of that purpose, we, the undersigned parties to this Agreement, declare that:

1. Under the Laws of Massachusetts, the Committee, elected by the citizens of Plympton, has the final responsibility for establishing the educational policies of the Plympton School System;

2. The Superintendent of Schools of Plympton has the responsibility for carrying out the policies so established;

3. The professional staff of the Plympton School System has the responsibility for providing education of the highest possible quality;

4. Fulfillment of these respective responsibilities can be facilitated and supported by consultations and a free exchange of views and information between the Committee and the Administration, and the professional staff in the formulation and application of policies relating to wages, hours, and other conditions of employment for the professional staff; and so,

5. To give effect to these declarations, the following principles and procedures are hereby adopted:

ARTICLE II
RECOGNITION

For purposes of collective bargaining with respect to wages, hours, standards of productivity, performance and other conditions of employment, the Committee recognizes the Association as the exclusive bargaining agent and representative of all regular full-time and part-time professional employees including nurses, part-time professional employees who are shared with other school systems in the Superintendency, Union 31 working one-fifth or more of a regular work week with the Plympton School System; excluding all aides, substitute teachers, administrators, managerial and confidential employees and all other employees of the Committee.
ARTICLE III
FAIR PRACTICES

A. As the sole collective bargaining agent, the Association will bargain for all employees covered by this Agreement without regard to race, color, creed, national origin, political activities, association activities, sex, sexual orientation, gender identity, marital status, age, or previous affiliation with other teaching organizations.

B. The Committee and the Association agree that there will be no discrimination in the hiring of employees or in their training, assignment, promotion, transfer, or discipline because of race, color, religion, national origin, political activities, association activities, sex, sexual orientation, gender identity, marital status, or age.

C. It is further agreed between the Association and the Committee that the principles agreed to in this Article shall be in compliance with State and Federal laws and/or regulations concerning discrimination.

ARTICLE IV
GRIEVANCE PROCEDURE

A. Definitions:

1. A grievance is:
   a. an alleged violation of one or more terms or provisions of the Agreement; or
   b. a dispute over the interpretation or application or any of the provisions of this Agreement.

2. An aggrieved party is the person (or persons) making the claim.

3. A party in interest is the person (or persons) making the claim or any person who might be required to take action, or against whom action might be taken, in order to resolve the claim.

4. All reference to "days" in this Article shall mean school days which are defined as days on which school is in session for students.

B. Purpose:

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate.

2. Nothing herein contained will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of
the administration, and having the grievance adjusted without intervention by the Association, provided the adjustment is not inconsistent with the terms of this Agreement, and that the Association has been given the opportunity to be present at such discussion and to state its views.

C. Procedure:

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

If, at the end of ten (10) days after the occurrence of any grievance, or from the date when the grievant(s) should have reasonably become aware of said occurrence, the grievance shall not have been presented at Level One of this procedure, the grievance shall be deemed to have been waived. Any grievance in course shall also be deemed to have been waived if the action required to present it to the next level in procedure shall not have been taken within the time specified therefor.

In the event that a grievance is filed on or after June 1, which if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein may be mutually reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

Level One: The aggrieved party shall present his/her grievance, in writing, on the form which is Appendix D, to the Principal requesting that a meeting be held in regard to the grievance. In the event that the teacher is not directly responsible to an individual Principal, then he/she will present it to his/her immediate Supervisor.

Level Two: If, at the end of the five (5) days next following such presentation, the grievance shall not have been resolved to the employee’s satisfaction, the employee may, within five (5) days thereafter, file with the Professional Rights and Responsibilities Committee the written grievance which shall be reviewed with the employee by said Committee; and if after such review the employee shall so desire, the grievance shall be presented within five (5) days to the Superintendent. The Superintendent or his/her designee shall, within five (5) days thereafter, meet with the employee and the Association authorized representative in an effort to settle the grievance.

Level Three: If, at the end of five (5) days following the Level Two meeting, the grievance shall not have been resolved to the employee’s satisfaction, the employee shall, if he/she intends to pursue the grievance, within five (5) days thereafter request and have a review of the grievance by the P.R. & R. Committee. If after such review the employee shall so desire, the grievance shall be submitted within five (5) days to the School Committee. Within ten (10) days the School Committee shall meet with the employee and the Association authorized representative in an effort to settle the grievance.
**Level Four:** If, at the end of ten (10) days following the Level Three meeting the grievance shall not have been resolved to the satisfaction of the grievant, the Association may give written notice to the School Committee of its intent to proceed to Arbitration within five (5) days following the conclusion of such period of ten (10) days. After five (5) days following such notification, the Association will have ten (10) days to submit the grievance to the American Arbitration Association for disposition in accordance with the applicable rules of the American Arbitration Association. The expenses of such arbitration shall be shared equally by the School Committee and the Association, and the award made shall be final and binding upon the School Committee, the Association, and the aggrieved employee except for review or confirmation as is provided by Massachusetts General Laws.

The Arbitrator shall have jurisdiction only over disputes arising out of grievances as defined in Paragraph A of this Article and submitted to him/her in accordance with the provisions contained in this Article. The Arbitrator will be without power or authority to add to, or subtract from the language and/or terms of this Agreement. The Arbitrator will be without power or authority to make any decision or award which violates case law or statutory law, or any rules and regulations issued under the authority of the Commonwealth of Massachusetts or of the United States or which requires the commission of an act prohibited by law or which violates any of the terms of this Agreement.

For such matters of this Agreement which have been specifically excluded from the grievance and arbitration procedures, and/or for matters which occurred prior to the effective date of this initial Agreement, the Arbitrator shall not be permitted to hold hearings, to take evidence, or render a decision.

No Arbitrator shall have authority or power to make any settlement retroactive beyond ten (10) working days prior to the date on which said grievance was first initiated at Level One herein before explained in this Article.

**D. General Provisions:**

1. If, in the judgment of the P.R. & R. Committee a grievance affects a group or class of employees, the P.R. & R. Committee may submit such grievance in writing to the Superintendent directly, and the processing of such grievance will be commenced at Level Two. The P.R. & R. Committee may process such a grievance through all levels of the Grievance Procedure if a majority of those affected so desire.

2. Decisions rendered at Levels One, Two, and Three of the Grievance Procedure will be in writing, setting forth the decision and the reasons therefor, and will be transmitted promptly to all parties in interest and the Chairman of the P.R. & R. Committee.

3. Unless requested to do otherwise by the employee in question, any documents, communications and records dealing with the processing of a grievance will be kept
in the strictest confidence and will not be made available to potential employers or others inquiring about said employees.

4. No reprisal will be taken by the Committee or by any member of the Administration against any party in interest, any school representative, any member of the Professional Rights and Responsibilities Committee, or any other participant in the Grievance Procedure, by reason of such participation.

5. Decisions which are left to the discretion of the School Committee shall not be subject to the Arbitration provision of this Agreement unless they were arbitrary, capricious, or discriminatory.

ARTICLE IVa
CONTINUITY OF OPERATIONS

No public employee or employee organization shall engage in a strike, as defined in Massachusetts General Laws, Chapter 150E, and no public employee or employee organization shall induce, encourage, or condone any strike, work stoppage, slowdown, or withholding of services by such public employees.

P. C-17: Section 18 (Educator Plans: Directed Growth Plan) Sub-section C. Date of June 10th in January 2012 publication inaccurate; changed from June 10th to May 15th to match timelines elsewhere in document.

P. C-22: Section 22 (Rating Impact on Student Learning Growth). Release date of July 15th, 2012 for Model Contract Language for Rating Impact on Student Learning Growth is removed. ESE will publish Model Contract Language for this phase of the evaluation framework when guidance for rating impact is more fully developed through technical appendices.

P. C-23: Section 25 (Transition from Existing Evaluation System) Sub-section B. Language in January 2012 publication stating “Educators who have received ratings of unsatisfactory or its equivalent in the prior year will be placed on Self-Directed Growth or Improvement Plans at the sole discretion of the Superintendent “ was inaccurate; language should have specified Directed Growth instead of Self-Directed Growth. ii) Supervising Evaluator shall be the person responsible for developing the Educator Plan, supervising the Educator’s progress through formative assessments, evaluating the Educator’s progress toward attaining the Educator Plan goals, and making recommendations about the evaluation ratings to the primary Evaluator at the end of the Educator Plan. P) **Goal**: A specific, actionable, and measurable area of improvement as set forth in an Educator’s plan. A goal may pertain to any or all of the following: Educator practice in relation to Performance Standards, Educator practice in relation to indicators, or specified improvement in student learning, growth and achievement. Normal supervisory responsibilities of department, building and district administrators will also cause administrators to drop in on classes and other activities in the worksite at various times as deemed necessary by the administrator. Carrying out these supervisory responsibilities, when they do not result in targeted and constructive feedback to the Educator, are not observations as defined in this Article.

The educator shall provide such information, in the form of self-assessment, in a timely manner to the evaluator at the point of goal setting and plan development. 35.03 (2)(b). Evaluators shall use evidence of educator performance and impact on student learning, growth, and achievement in goal setting with the educator based on the educator’s self-assessment and other sources that the evaluator shares with the educator. 35.06(3)(a).

CC) **Summative Evaluation:** An evaluation used to arrive at a rating on each standard, an overall rating, and as a basis to make personnel decisions. The summative evaluation includes the Evaluator's judgments of the Educator’s performance against Performance Standards and the Educator’s attainment of goals set forth in the Educator's Plan. The summative evaluation rating must be based on evidence from multiple categories of evidence.

DD) **Superintendent:** The person employed by the school committee pursuant to M.G.L. c. 71 §59 and §59A. The superintendent is responsible for the implementation of 603 CMR 35.00.

EE) **Teacher:** An Educator employed in a position requiring a certificate or license as described in 603 CMR 7.04(3)(a, b, and d) and in the area of vocational education as provided in 603 CMR 4.00. Teachers may include, for example, classroom teachers, librarians, guidance counselors, or school nurses.
FF) *Trends in student learning*: At least two (2) years of data from the district-determined measures and state assessments used in determining the Educator’s rating on impact on student learning as high, moderate or low.

3) **Evidence Used In Evaluation**

The following categories of evidence shall be used in evaluating each Educator:

A) Multiple measures of student learning, growth, and achievement, which shall include:

i) Measures of student progress on classroom assessments that are aligned with the Massachusetts Curriculum Frameworks or other relevant frameworks and are comparable within grades or subjects in a school;

ii) At least two district-determined measures of student learning related to the Massachusetts Curriculum Frameworks or the Massachusetts Vocational Technical Education Frameworks or other relevant frameworks that are comparable across grades and/or subjects district-wide. These measures may include: portfolios, approved commercial assessments and district-developed pre and post unit and course assessments, and capstone projects. One such measure shall be the MCAS Student Growth Percentile (SGP) or ACCESS scores, if applicable, in which case at least two years of data is required.

iii) Statewide growth measure(s) where available, including the MCAS Student Growth Percentile and the ACCESS gain scores, if applicable, in which case at least two years of data is required.

iv) Measures of student progress and/or achievement toward student learning goals set between the Educator and Evaluator for the school year or some other period of time established in the Educator Plan.

v) For Educators whose primary role is not as a classroom teacher, the appropriate measures of the Educator’s contribution to student learning, growth, and achievement set by the district. The measures set by the district should be based on the Educator’s role and responsibility.

B) Judgments based on observations and artifacts of practice including:

i) Unannounced observations of at least 5 minutes in duration.

ii) Announced observation(s) for non-PTS Educators in their first year of practice in a school, Educators on Improvement Plans, and as determined by the Evaluator.

v) Examination of student work samples.
C) Evidence relevant to one or more Performance Standards, including but not limited to:

i) Evidence compiled and presented by the Educator, including:

(a) Evidence of fulfillment of professional responsibilities and growth such as self-assessments, peer collaboration, professional development linked to goals in the Educator plans, contributions to the school community and professional culture;

(b) Evidence of active outreach to and engagement with families;

ii) Evidence of progress towards professional practice goal(s);

iii) Evidence of progress toward student learning outcomes goal(s).

iv) Student and Staff Feedback – see # 23-24, below; and

v) Any other relevant evidence from any source that the Evaluator shares with the Educator. Other relevant evidence could include information provided by other administrators such as the superintendent.

4) Rubric

The rubrics are a scoring tool used for the Educator’s self-assessment, the formative assessment, the formative evaluation and the summative evaluation. The district will use the rubrics provided by ESE in January, 2012, and attached hereto.

5) Evaluation Cycle: Training

A) Prior to the implementation of the new evaluation process contained in this article, districts shall arrange training for all Educators, principals, and other evaluators that outlines the components of the new evaluation process and provides an explanation of the evaluation cycle. Effort will be made to have this training occur during the contractual work day. The district through the superintendent shall determine the type and quality of training based on guidance provided by ESE and input from the Association.

B) By November 1st of the first year of this agreement, all Educators shall complete a professional learning activity about self-assessment and goal-setting satisfactory to the superintendent or principal. Any Educator hired after the November 1st date, and who has not previously completed such an activity, shall complete such a professional learning activity about self-assessment and goal-setting within three months of the date of hire. The district through the superintendent shall determine the type and quality of the learning activity based on guidance provided by ESE and input from the Association.
6) **Evaluation Cycle: Annual Orientation**

A) At the start of each school year, the superintendent, principal or designee shall conduct a meeting for Educators and Evaluators focused substantially on educator evaluation. The superintendent, principal or designee shall:

i) Provide an overview of the evaluation process, including goal setting and the educator plans.

ii) Provide District and School goals and priorities, as well as professional development opportunities related to those goals and priorities.

iii) Provide all Educators with directions for obtaining a copy of the forms used by the district. These may be electronically provided.

iv) The faculty meeting may be digitally recorded to facilitate orientation of Educators hired after the beginning of the school year provided that a public announcement is made at the beginning of the meeting and the video is of the presentation being delivered.

7) **Evaluation Cycle: Self-Assessment**

A) Completing the Self-Assessment

i) The evaluation cycle begins with the Educator completing and submitting to the Evaluator a self-assessment by October 1st or within four weeks of the start of their employment at the school.

ii) The self-assessment includes:

   (a) An analysis of evidence of student learning, growth and achievement for students under the Educator’s responsibility.

   (b) An assessment of practice against each of the four Performance Standards of effective practice using the district’s rubric.

   (c) Proposed goals to pursue:

      (1st) At least one goal directly related to improving the Educator’s own professional practice.

      (2nd) At least one goal directly related to improving student learning.

B) Proposing the goals

i) Educators must consider goals for grade-level, subject-area, department teams, or other groups of Educators who share responsibility for student learning and results, except as provided in (ii) below. Educators may meet with teams to consider establishing team goals. Evaluators may participate in such meetings.

ii) For Educators in their first year of practice, the Evaluator or his/her designee will meet with each Educator by October 1st (or within four weeks of the Educator’s first day of employment if the Educator begins employment after September 15th) to assist the Educator in completing the self-assessment and drafting the professional practice and student learning goals which must include induction and mentoring activities and may be part of a team goal.
iii) Unless the Evaluator indicates that an Educator in his/her second or third years of practice should continue to address induction and mentoring goals pursuant to 603 CMR 7.12, the Educator may address team goals.

iv) For Educators with PTS and ratings of proficient or exemplary, the goals may be team goals. In addition, these Educators may include individual professional practice goals that address enhancing skills that enable the Educator to share proficient practices with colleagues or develop leadership skills.

v) For Educators with PTS and ratings of needs improvement or unsatisfactory, the professional practice goal(s) must address specific standards and indicators identified for improvement. In addition, the goals may be team goals.

8) Evaluation Cycle: Goal Setting and Development of the Educator Plan

A) Every Educator has an Educator Plan that includes, but is not limited to, one goal related to the improvement of practice; one goal for the improvement of student learning. The Plan also outlines actions the Educator must take to attain the goals established in the Plan and benchmarks to assess progress. Goals may be developed by individual Educators, by the Evaluator, or by teams, departments, or groups of Educators who have the similar roles and/or responsibilities. See Sections 15-19 for more on Educator Plans.

B) To determine the goals to be included in the Educator Plan, the Evaluator reviews the goals the Educator has proposed in the Self-Assessment, using evidence of Educator performance and impact on student learning, growth and achievement based on the Educator’s self-assessment and other sources that Evaluator shares with the Educator. The process for determining the Educator’s impact on student learning, growth and achievement will be determined after ESE issues guidance on this matter. See #22, below.

C) Educator Plan Development Meetings shall be conducted as follows:

i) Educators in the same school may meet with the Evaluator in teams and/or individually at the end of the previous evaluation cycle or by October 15th of the next academic year to develop their Educator Plan. Educators shall not be expected to meet during the summer hiatus.

ii) For those Educators new to the school, the meeting with the Evaluator to establish the Educator Plan must occur by October 15th or within six weeks of the start of their assignment in that school.

iii) The Evaluator shall meet individually with Educators with PTS and ratings of needs improvement or unsatisfactory to develop professional practice goal(s) that must address specific standards and indicators identified for improvement. In addition, the goals may address shared grade level or subject matter goals whether they be individual or team goals.
iv) For educators with Professional Teacher Status with ratings of Proficient or Exemplary, the professional practice goal may be team goals. In addition, these educators may include professional practice goals that address enhancing skills that enable the educator to share proficient practices with colleagues or develop leadership skills.

D) The Evaluator completes the Educator Plan by November 1st. The Educator shall sign the Educator Plan within 5 school days of its receipt and may include a written response, which will be attached to the plan. The Educator’s signature indicates that the Educator received the plan. The signature does not indicate agreement or disagreement with its contents. The Evaluator retains final authority over the content of the Educator’s Plan.

9) Evaluation Cycle: Observation of Practice and Examination of Artifacts – Educators without PTS
   A) In the first year of practice or first year assigned to a school:
      i) The Educator shall have at least one announced observation during the school year using the protocol described in section 11B, below.
      ii) The Educator shall have at least four unannounced observations during the school year.
   B) In their second and third years of practice or second and third years as a non-PTS Educator in the school:
      i) The Educator shall have at least three unannounced observations during the school year.
      ii) The Educator may request additional observations.

10) Evaluation Cycle: Observation of Practice and Examination of Artifacts – Educators with PTS
   A) The Educator whose overall rating is proficient or exemplary must have at least two unannounced observation during the evaluation two-year cycle.
   B) The Educator whose overall rating is needs improvement must be observed according to the Directed Growth Plan during the period of Plan which must include at least two unannounced observations.
   C) The Educator whose overall rating is unsatisfactory must be observed according to the Improvement Plan which must include both unannounced and announced observation. The number and frequency of the observations shall be determined by the Evaluator, but in no case, for improvement plans of one year, shall there be fewer than one announced and four unannounced observations. For Improvement Plans of six months or fewer, there must be no fewer than one announced and two unannounced observations.
   D) The Educator may request additional observations.
Appendix C: Teacher and Caseload Educator Contract

11) Observations

The Evaluator’s first observation of the Educator should take place by November 15 and in no case later than December 1\textsuperscript{st}. Observations required by the Educator Plan should be completed by May 15th. The Evaluator may conduct additional observations after this date.

The Evaluator is not required nor expected to review all the indicators in a rubric during an observation. However, every effort will be made to observe for a period of time sufficient to observe as many indicators as possible.

A) Unannounced Observations

i) Unannounced observations may be in the form of partial or full-period classroom visitations.

ii) The Educator will be provided with at least brief written feedback from the Evaluator within five (5) school days of the observation. The written feedback shall be delivered to the Educator in person, by secure electronic notification, placed in the Educator’s mailbox or mailed to the Educator’s home.

iii) Either the Evaluator or the Educator can request a meeting in response to the written feedback resulting from an unannounced observation at any time.

iv) Any observation or series of observations resulting in one or more standards judged to be unsatisfactory or needs improvement for the first time must be followed by at least one observation of at least 30 minutes in duration within 20 school days.

B) Announced Observations

i) All non-PTS Educators in their first year in the school, PTS Educators on Improvement Plans and other educators at the discretion of the evaluator shall have at least one Announced Observation. Announced observations should be a full class period, but not less than thirty (30) minutes, provided that the evaluator was present from the beginning of the class period, unless it is mutually agreed that the evaluator remained for a sufficient time to observe the lesson.

(a) The Evaluator shall select the date and time of the lesson or activity to be observed and discuss with the Educator any specific goal(s) for the observation.

(b) Within 5 school days of the scheduled observation, upon request of either the Evaluator or Educator, the Evaluator and Educator shall meet for a pre-observation conference. In lieu of a meeting, the Educator may inform the Evaluator in writing of the nature of the lesson, the student population served, and any other information that will assist the Evaluator to assess performance

(1st) The Educator shall provide the Evaluator a draft of the lesson, student conference, IEP plan or activity. If the actual plan is different, the Educator will provide the Evaluator with a copy prior to the observation.
(2nd) The Educator will be notified as soon as possible if the Evaluator will not be able to attend the scheduled observation. The observation will be rescheduled with the Educator as soon as reasonably practical.

(c) Within 5 school days of the observation, the Evaluator and Educator shall meet for a post-observation conference. This timeframe may be extended due to unavailability on the part of either the Evaluator or the Educator, but shall be rescheduled within 24 hours if possible.

(d) The Evaluator shall provide the Educator with written feedback within 5 school days of the post-observation conference. For any standard where the Educator’s practice was found to be unsatisfactory or needs improvement, the feedback must:

(1st) Describe the basis for the Evaluator’s judgment.

(2nd) Describe actions the Educator should take to improve his/her performance.

(3rd) Identify support and/or resources the Educator may use in his/her improvement.

(4th) State that the Educator is responsible for addressing the need for improvement.

C) Walkthroughs, Learning Walks, Instructional Rounds or other like procedures by any other name (herein called “walkthroughs”) are intended to gauge the overall climate, culture, and instruction within a school, program, or department, entail walking into multiple classrooms, usually for less than five minutes each. Observations from walkthroughs summarize the aggregate climate, culture, and instruction, rather than commenting on individual teachers, and are used to talk about observed patterns and trends across classrooms. Walkthroughs are not observations for the sake of this evaluation system and do not result in feedback to individual educators. A walkthrough can be announced or unannounced.

12) **Evaluation Cycle: Formative Assessment for Educators on a One (1) Year Plan**

A) A specific purpose for evaluation is to promote student learning, growth and achievement by providing Educators with feedback for improvement. Evaluators are expected to make frequent unannounced visits to classrooms. Evaluators are expected to give targeted constructive feedback to Educators based on their observations of practice, examination of artifacts, and analysis of multiple measures of student learning, growth and achievement in relation to the Standards and Indicators of Effective Teaching Practice and/or Educator Goals.

B) Formative Assessment may be ongoing throughout the evaluation cycle but typically takes places mid-cycle when a Formative Assessment report is completed. For an Educator on a two-year Self-Directed Growth Plan, the mid-cycle Formative Assessment report is replaced by the Formative Evaluation report at the end of year one. See section 13, below.
C) The Formative Assessment report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on Performance Standards and overall, or both.

D) No less than two weeks before the due date for the Formative Assessment report, which due date shall be established by the Evaluator with written notice to the Educator, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may provide to the evaluator additional evidence of the educator’s performances against the four Performance Standards.

E) No less than two weeks before the due date for the Formative Assessment report the Evaluator will provide the Educator with any work samples or products being used as evidence of the educator’s performance against the four performance standards.

F) Upon the request of either the Evaluator or the Educator, the Evaluator and the Educator will meet within five (5) school days either before or after completion of the Formative Assessment Report.

G) The Evaluator shall complete the Formative Assessment report and provide a copy to the Educator. All Formative Assessment reports must be signed by the Evaluator and delivered face-to-face, by secure electronic notification, or to the Educator’s school mailbox or home.

H) The Educator may reply in writing to the Formative Assessment report within 5 school days of receiving the report. The Educator’s reply shall be attached to the report.

I) The Educator shall sign the Formative Assessment report by within 5 school days of receiving the report. The signature indicates that the Educator received the Formative Assessment report. The signature does not indicate agreement or disagreement with its contents.

J) As a result of the Formative Assessment Report, the Evaluator may change the activities in the Educator Plan.

K) If the rating in the Formative Assessment report differs from the last summative rating the Educator received, the Evaluator may place the Educator on a different Educator Plan, appropriate to the new rating.

L) After the formative assessment the educator may request another trained supervisor be assigned to perform a formal observation to be used as evidence in the educator’s summative evaluation.

13) Evaluation Cycle: Formative Evaluation for Two Year Self-Directed Plans Only

A) Educators on two year Self-Directed Growth Educator Plans receive a Formative Evaluation report near the end of the first year of the two year cycle. The Educator’s performance rating for that year shall be assumed to be the same as the previous summative rating unless evidence demonstrates a significant change in performance in which case the rating on the performance standards may change, and the Evaluator may place the Educator on a different Educator plan, appropriate to the new rating.
Appendix C: Teacher and Caseload Educator Contract

B) The Formative Evaluation report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on each performance standard and overall, or both.

C) No less than two weeks before the due date for the Formative Evaluation report, which due date shall be established by the Evaluator with written notice provided to the Educator, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may also provide to the evaluator additional evidence of the educator’s performance against the four Performance Standards.

D) No less than two weeks before the due date for the Formative Evaluation report the Evaluator will provide the Educator with any work samples or products being used as evidence of the educator’s performance against the four performance standards.

E) The Evaluator shall complete the Formative Evaluation report and provide a copy to the Educator. All Formative Evaluation reports must be signed by the Evaluator and delivered face-to-face, by secure electronic notification, or to the Educator’s school mailbox or home.

F) Upon the request of either the Evaluator or the Educator, the Evaluator and the Educator will meet about the Formative Evaluation Report.

G) The Educator may reply in writing to the Formative Evaluation report within 5 school days of receiving the report. The Educator’s reply shall be attached to the report.

H) The Educator shall sign the Formative Evaluation report within 5 school days of receiving the report. The signature indicates that the Educator received the Formative Evaluation report. The signature does not indicate agreement or disagreement with its contents.

I) As a result of the Formative Evaluation report, the Evaluator may change the activities in the Educator Plan.

J) If the rating in the Formative Evaluation report differs from the last summative rating the Educator received, the Evaluator may place the Educator on a different Educator Plan, appropriate to the new rating.

K) After the formative evaluation the educator may request another trained supervisor be assigned to perform a formal observation to be used as evidence in the educator’s summative evaluation.

14) Evaluation Cycle: Summative Evaluation

A) The evaluation cycle concludes with a summative evaluation report. For Educators on a one or two year Educator Plan, the summative report must be written and provided to the educator by May 15th.
Appendix C: Teacher and Caseload Educator Contract

B) The Evaluator determines a rating on each standard and an overall rating based on the Evaluator’s professional judgment, an examination of evidence against the Performance Standards and evidence of the attainment of the Educator Plan goals.

C) The professional judgment of the primary evaluator shall determine the overall summative rating that the Educator receives.

D) For an educator whose overall performance rating is exemplary or proficient and whose impact on student learning is low, the evaluator’s supervisor shall discuss and review the rating with the evaluator and the supervisor shall confirm or revise the educator’s rating.

E) The summative evaluation rating must be based on evidence from multiple categories of evidence. MCAS Growth scores shall not be the sole basis for a summative evaluation rating.

F) To be rated proficient overall, the Educator shall, at a minimum, have been rated proficient on the Curriculum, Planning and Assessment and the Teaching All Students Standards of Effective Teaching Practice.

G) No less than four weeks before the due date for the Summative Evaluation report, which due date shall be established by the Evaluator with written notice provided to the Educator, the Educator will provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may also provide to the evaluator additional evidence of the educator’s performance against the four Performance Standards.

H) No less than four weeks before the due date for the Summative Evaluation report the Evaluator will provide the Educator with any work samples or products being used as evidence of the educator’s performance against the four performance standards.

I) The Summative Evaluation report should recognize areas of strength as well as identify recommendations for professional growth.

J) The Evaluator shall deliver a signed copy of the Summative Evaluation report to the Educator face-to-face, by secure electronic notification, or to the Educator’s school mailbox or home no later than May 15th.

K) The Evaluator shall meet with the Educator rated needs improvement or unsatisfactory to discuss the summative evaluation. The meeting shall occur by June 1st.

L) The Evaluator shall meet with the Educator rated proficient or exemplary to discuss the summative evaluation, if either the Educator or the Evaluator requests such a meeting. The meeting shall occur by June 10th.

M) Upon mutual agreement, the Educator and the Evaluator may develop the Self-Directed Growth Plan for the following two years during the meeting on the Summative Evaluation report.

N) The Educator shall sign the final Summative Evaluation report by June 15th. The signature indicates that the Educator received the Summative Evaluation report. The signature does not indicate agreement or disagreement with its contents.
O) The Educator shall have the right to respond in writing to the summative evaluation which shall become part of the final Summative Evaluation report.

P) A copy of the signed final Summative Evaluation report shall be filed in the Educator’s personnel file.

15) **Educator Plans – General**

A) Educator Plans shall be designed to provide Educators with feedback for improvement, professional growth, and leadership; and to ensure Educator effectiveness and overall system accountability. The Plan must be aligned to the standards and indicators and be consistent with district and school goals.

B) The Educator Plan shall include, but is not limited to:

i) At least one goal related to improvement of practice tied to one or more Performance Standards;

ii) At least one goal for the improvement of the learning, growth and achievement of the students under the Educator’s responsibility;

iii) An outline of actions the Educator must take to attain the goals and benchmarks to assess progress. Actions must include specified professional development and learning activities that the Educator will participate in as a means of obtaining the goals, as well as other support that may be suggested by the Evaluator or provided by the school or district. Examples may include but are not limited to coursework, self-study, action research, curriculum development, study groups with peers, and implementing new programs.

C) It is the Educator’s responsibility to attain the goals in the Plan and to participate in any trainings and professional development provided through the state, district, or other providers in accordance with the Educator Plan.

16) **Educator Plans: Developing Educator Plan**

A) The Developing Educator Plan is for all Educators without PTS, and, at the discretion of the Evaluator, Educators with PTS in new assignments.

B) The Educator shall be evaluated at least annually.

17) **Educator Plans: Self-Directed Growth Plan**

A) A Two-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is moderate or high. A formative evaluation report is completed at the end of year 1 and a summative evaluation report at the end of year 2.

B) A One-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is low. In this case, the Evaluator and Educator shall analyze the discrepancy between the summative evaluation rating and the rating for impact on student learning to seek to determine the cause(s) of the discrepancy.
18) **Educator Plans: Directed Growth Plan**

A) A Directed Growth Plan is for those Educators with PTS whose overall rating is needs improvement.

B) The goals in the Plan must address areas identified as needing improvement as determined by the Evaluator.

C) The Evaluator shall complete a summative evaluation for the Educator at the end of the period determined by the Plan, but at least annually, and in no case later than May 15th.

D) For an Educator on a Directed Growth Plan whose overall performance rating is at least proficient, the Evaluator will place the Educator on a Self-Directed Growth Plan for the next Evaluation Cycle.

E) For an Educator on a Directed Growth Plan whose overall performance rating is not at least proficient, the Evaluator will rate the Educator as unsatisfactory and will place the Educator on an Improvement Plan for the next Evaluation Cycle.

19) **Educator Plans: Improvement Plan**

A) An Improvement Plan is for those Educators with PTS whose overall rating is unsatisfactory.

B) The parties agree that in order to provide students with the best instruction, it may be necessary from time to time to place an Educator whose practice has been rated as unsatisfactory on an Improvement Plan of no fewer than 42 calendar days in a school year and no more than one school year. Anytime an Improvement plan spans the summer, or requires summer work, the plan will be no less than 90 calendar days. In the case of an Educator receiving a rating of unsatisfactory near the close of one school year, the Improvement Plan may include activities that occur during the summer before the next school year begins.

C) The Evaluator must complete a summative evaluation for the Educator at the end of the period determined by the Evaluator for the Plan.

D) An Educator on an Improvement Plan shall be assigned a Supervising Evaluator (see definitions). The Supervising Evaluator is responsible for providing the Educator with guidance and assistance in accessing the resources and professional development outlined in the Improvement Plan. The primary evaluator may be the Supervising Evaluator.

E) The Improvement Plan shall define the problem(s) of practice identified through the observations and evaluation and detail the improvement goals to be met, the activities the Educator must take to improve and the assistance to be provided to the Educator by the district.

F) The Improvement Plan process shall include:
Appendix C: Teacher and Caseload Educator Contract

i) Within ten school days of notification to the Educator that the Educator is being placed on an Improvement Plan, the Evaluator shall schedule a meeting with the Educator to discuss the Improvement Plan. The Evaluator will develop the Improvement Plan, which will include the provision of specific assistance to the Educator along with the input of the Educator. The final content of the Improvement Plan will rest solely with the Evaluator.

ii) The Educator may request that a representative of the Association attend the meeting(s).

iii) If the Educator consents, the Association will be informed that an Educator has been placed on an Improvement Plan.

v) Detail the timeline for completion of each component of the Plan, including at a minimum a mid-cycle formative assessment report of the relevant standard(s) and indicator(s);

vi) Identify the individuals assigned to assist the Educator which must include minimally the Supervising Evaluator and possibly a mentor teacher and,

vii) Include the signatures of the Educator and Supervising Evaluator.

H) A copy of the signed Plan shall be provided to the Educator. The Educator’s signature indicates that the Educator received the Improvement Plan. The signature does not indicate agreement or disagreement with its contents.

I) Decision on the Educator’s status at the conclusion of the Improvement Plan.

i) All determinations below must be made no later than June 1. One of three decisions must be made at the conclusion of the Improvement Plan:

(a) If the Evaluator determines that the Educator has improved his/her practice to the level of proficiency, the Educator will be placed on a Self-Directed Growth Plan.

(b) In those cases where the Educator was placed on an Improvement Plan as a result of his/her summative rating at the end of his/her Directed Growth Plan, if the Evaluator determines that the Educator is making substantial progress toward proficiency, the Evaluator shall place the Educator on a Directed Growth Plan.
(c) In those cases where the Educator was placed on an Improvement Plan as a result of his/her Summative rating at the end of his/her Directed Growth Plan, if the Evaluator determines that the Educator is not making substantial progress toward proficiency, the Evaluator shall recommend to the superintendent that the Educator be dismissed.

(d) If the Evaluator determines that the Educator’s practice remains at the level of unsatisfactory, the Evaluator shall recommend to the superintendent that the Educator be dismissed.

B) Educators on Plans of Less than One Year

i) The timeline for educators on Plans of less than one year will be established in the Educator Plan.

21) Career Advancement

A) In order to attain Professional Teacher Status, the Educator should achieve ratings of proficient or exemplary on each Performance Standard and overall. A principal considering making an employment decision that would lead to PTS for any Educator who has not been rated proficient or exemplary on each performance standard and overall on the most recent evaluation shall confer with the superintendent by May 1. The principal’s decision is subject to review and approval by the superintendent.

B) In order to qualify to apply for a teacher leader position, the Educator must have had a Summative Evaluation performance rating of proficient or exemplary for at least the previous two years.

C) Educators with PTS whose summative performance rating is exemplary and, after 2013-14 whose impact on student learning is rated moderate or high, shall be recognized and rewarded with leadership roles, promotions, additional compensation, public commendation or other acknowledgement as determined by the district through collective bargaining where applicable.

22) Rating Impact on Student Learning Growth

ESE will provide model contract language and guidance on rating educator impact on student learning growth based on state and district-determined measures of student learning. Upon receiving this model contract language and guidance, the parties agree to bargain with respect to this matter.
23) **Using Student feedback in Educator Evaluation**

ESE will provide model contract language, direction and guidance on using student feedback in Educator Evaluation by June 30, 2013. Upon receiving this model contract language, direction and guidance, the parties agree to bargain with respect to this matter including protocols for administering the instrument(s), protecting student confidentiality, and analyzing student feedback.

24) **Using Staff feedback in Educator Evaluation**

ESE will provide model contract language, direction and guidance on using staff feedback in Administrator Evaluation by June 30, 2013. Upon receiving this model contract language, direction and guidance, the parties agree to bargain with respect to this matter.

25) **Transition from Existing Evaluation System 2012-2013**

A) The Plympton Teachers Association and the Plympton School Committee agree to place all PTS teachers who are currently in “good standing” (i.e. not on a Professional Improvement Plan) at the Proficient classification.

B) The parties agree that those PTS Educators who were on Cycle A of the existing Evaluation system in the 2012-2013 school year shall be placed on the one-year Self-Directed Growth Plan.

C) All Educators who are currently on a Professional Improvement Plan shall be placed at the Needs Improvement classification. Said Educators will continue to fulfill the terms and conditions of the already created plans for the remainder of the current school year and a determination of the appropriate future placement will be made at the end of the school year at a Summative meeting.

D) The evaluation system contained in this agreement shall be implemented in accordance with 603 CMR 35.11.

E) The existing evaluation system will remain in effect until the provisions set forth in this Article are implemented. The relevant timeframe for adopting and implementing new systems is set forth in 603 CMR 35.11(1).

26. **General Provisions**

A) Only Educators who are licensed may serve as primary evaluators of Educators.

B) Evaluators shall not make negative comments about the Educator’s performance, or comments of a negative evaluative nature, in the presence of students, parents or other staff, except in the unusual circumstance where the Evaluator concludes that s/he must immediately and directly intervene. Nothing in this paragraph is intended to limit an administrator’s ability to investigate a complaint, or secure assistance to support an Educator.
C) The superintendent shall assure that Evaluators have training in supervision and evaluation, including the regulations and standards and indicators of effective teaching practice promulgated by ESE (35.03), and the evaluation Standards and Procedures established in this Agreement.

D) Should there be a serious disagreement between the Educator and the Evaluator regarding an overall summative performance rating of unsatisfactory, the Educator may meet with the Evaluator’s supervisor to discuss the disagreement. Should the Educator request such a meeting, the Evaluator’s supervisor must meet with the Educator. The Evaluator may attend any such meeting at the discretion of the superintendent.

E) The parties agree that there will be continuous need to review and to revise this Evaluations Procedure for the first of 3 years. To that end, the parties agree to the following:
   i) The creation of a joint labor-management evaluation team to jointly review and revise, if necessary, the Evaluation Procedure no later than May 15th of each school year through School Year 2014-2015.
   ii) Said review and revision shall include, but not be limited to, the parties amending, by mutual consent, this agreement, and by adding any other aspect needed to implement the Evaluation Procedure.

F) Violations of this article are subject to the grievance and arbitration procedures.

G) For School Year 2012-2013 the Committee and the Association agree to continue discussions to:
   i) Develop mutually acceptable standards for determining what Exemplary Proficient, Needs Improvement, and Unsatisfactory ratings will be.
   ii) Develop mutually agreed upon district measures for student learning and/or how they will be applied to an Educator’s Evaluation.

WHEREAS, the undersigned parties wish to resolve any and all claims, filed or not, arising out of the implementation of the health insurance changes.

AND WHEREAS, by entering into this Agreement the parties each rely on the undertaking of the others, now therefore in consideration of the foregoing and of the mutual promises, representations and understandings of the parties set forth herein, the adequacy and sufficiency of which are hereby acknowledged, it is agreed:

1. Bargaining Subjects: The School Committee acknowledges and agrees that health insurance benefits, including the amount and structure of co-payments, are mandatory subjects of bargaining pursuant to G.L. c. 150E and, accordingly, that any changes in these benefits create bargaining rights and duties
pursuant to that chapter. The School Committee cannot control the final decision of the Purchasing Group in negotiating for and purchasing group health insurance for participating municipalities.

2. Obligation to Reimburse Employees: The Committee agrees to reimburse bargaining unit members for the increased costs associated with the changes in the group health insurance plans effective July 1, 2010, as set forth above.

Bargaining unit members who have incurred increased costs as set forth above for themselves or any person covered under their health care plan, may submit a request for reimbursement to the Superintendent of Schools.

Effective July 1, 2010 such a request shall be made on or before September 30, 2011 for the prior period of July 1, 2010 through August 31, 2011.

In the future, such a request shall be made on or before the March 31 for the prior period of September 1 through the last day of February of each year, and on or before September 30 for the prior period March 1 through August 31 of each year, and shall be accompanied by documentation showing the amount paid by the employee and the total cost of the increased co-payments.

No later than forty-five (45) days following the submission of such a request, the Employer shall reimburse the employee for the difference between the increased costs associated with the changes and what the employee would have paid prior to July 1, 2010, less a yearly deductible equal to 3.5% of the employee’s share of health insurance premiums.

3. Collective Bargaining Agreement: This Settlement Agreement shall be appended and made part of the current collective bargaining agreement and shall be included in the printing of the successor collective bargaining agreement.
