In a challenge to a discharge of the Superintendent, the authority of the arbitrator shall be limited to an award for back pay damages for the balance of the contract term after the discharge and shall not include the authority to reinstate the Superintendent to any position.

If the Committee elects not to renew this contract, then the Superintendent's employment will terminate at the expiration of the contract. Such nonrenewal shall not be considered termination and shall not be subject to the "good cause" standard set forth above.

The Superintendent shall furnish and maintain throughout the term of this contract, a valid and appropriate certificate qualifying her to act as the Superintendent in the Commonwealth as required by M.G.L. c. 71, Sec. 38G. The Committee shall reimburse the Superintendent for all reasonably incurred expenses in the performance of her duties, with the exception of travel reimbursement, under this contract in accordance with the laws of Massachusetts, and the policies and by-laws of the Committee. The Committee encourages the Superintendent to participate in professional development; however, the Committee must approve all professional course work as well as attendance at out-of-state conference(s) prior to registration.

In the event that the Superintendent becomes ill, injured or disabled on a long-term basis, and is unable to perform the duties of her office, the Committee shall make available to the Superintendent, described in paragraphs a through c below, up to sixty-five (65) paid days of time off that can be used to provide her with income until she becomes eligible to receive long-term disability benefits. The sixty-five (65) days will be provided using the following method:

- a. At the outset of an illness/injury, the Superintendent will first use up to sixty-five (65) paid days of her own accrued and unused sick leave.
- b. If the Superintendent has less than sixty-five (65) paid sick days, the Superintendent may, after exhausting her paid sick leave, use any accrued and unused vacation and personal time until she reaches a total of sixty-five (65) days of paid leave, or until she is eligible to receive disability benefits, whichever occurs first.
- c. In the event that the Superintendent's combined accrued and unused sick, vacation and personal time is less than sixty-five (65) paid days, the District will provide the remainder of paid days to fulfill this obligation. The total combined use of accrued and unused time, including the days contributed by the District, will be limited to sixty-five (65) days.
- d. The Superintendent recognizes and agrees that the period of her paid absence described for a long-term disability as described in this section will run concurrently with any FMLA leave to which she is entitled.

#### **MEDICAL EXAMINATION**

The Superintendent agrees to have a comprehensive medical examination once every contract year. A statement from the physician certifying to the physical competency of the Superintendent shall be submitted to the Chairperson of the Committee, and shall be treated as confidential information and stored in her medical file.

#### **ABILITY TO CONSULT**

The Superintendent, using vacation and/or personal time, may consult for up to five (5) days per contract year, provided that said consulting does not interfere with her performance of duties as Superintendent and is consistent with Chapter 268A, as amended from time to time. The

Superintendent shall notify the Chairperson of the Committee, in writing, of the nature of such consulting thirty (30) days prior to engaging in such consulting.

### **STANDARDS BASED EVALUATION**

The Superintendent shall be evaluated based on Standards and Rubrics adopted by the Board of Education and DESE on a schedule agreed upon by the parties as set out below. The Standards are: Instructional Leadership, Management and Operations, Family and Community Engagement, and Professional Culture. These may change as determined by the Board of Education. The evaluation shall reflect the five step cycle set out in Principles of Effective Administrative Leadership and Descriptors adopted by the Massachusetts Board of Education, 603 CMR 35.00, and any additional standards or goals mutually agreed upon, excluding the Performance Incentive Plan outlined in this document. The evaluation instrument and the process of evaluation may be amended, modified, or abbreviated by mutual agreement in writing by the Superintendent and the Committee. All evaluations shall be accomplished consistent with the provisions of M.G.L. c. 30A relative to the Open Meeting Law, as amended from time to time.

In addition to an evaluation using the Principles of Effective Administrative Leadership, the Committee and the Superintendent may also establish specific additional goals and criteria, separate from the Performance Incentive Plan, for each review cycle and they shall be in writing and include a statement of the desirable outcomes for each goal. The criteria on which the Superintendent is to be evaluated regarding additional goals separate from the Performance Incentive Plan shall be incorporated into a written evaluation document. The additional goals must be entered into, in writing, no later than October 1 of each school year, unless the timeline is extended by mutual written consent.

On or before the 91<sup>st</sup> day of school and July 31<sup>st</sup> of each calendar year, the Superintendent shall provide the Committee, at a duly called public meeting, a written self-evaluation on mid-cycle and end of cycle goals. Her work since the last cycle review will be discussed in relation to the Board of Education's Principles of Effective Administration and Leadership Standards and any additional goals for standards established in writing. The goals review shall refer to previous year's work as having been "exemplary," "proficient," "needs improvement," or "unsatisfactory" in relation to such principles, goals, or standards. Each such conclusion shall be accompanied by a written narrative specifically referencing events, facts, or action and DESE rubrics in support thereof.

The Committee shall review the Superintendent's progress at end cycle on goals and self-evaluation in a public session prior to the commencement of the next school year and shall complete a summative evaluation assessing attainment of goals against standards using the four (4) DESE rubric ratings.

The Committee may use whatever data sources it deems appropriate, provided that the data it intends to use in a mid or end cycle review or summative evaluation has been reduced to writing and shared with the Superintendent at least ten (10) calendar days before the meeting in a timely manner. Any evaluation report delivered by the Committee shall be signed by the Superintendent. Such signature shall not necessarily indicate agreement with the content thereof but rather acknowledgement of receipt of the document. The Superintendent may respond to the evaluation in writing and will deliver such response to the Chairperson of the Committee or, if established, the members of the Evaluation sub-committee and a copy of the response will be attached to the evaluation and placed in the Superintendent's personnel file.

The evaluation document shall consist of one document reflecting the consensus of the Committee. The consensus shall be compiled by the Chairperson, or, if established, the Evaluation sub-committee, upon submission of each member's individual assessment of the Superintendent's performance. Any individual document of an evaluative nature concerning the Superintendent prepared by any individual member shall be retained by the individual member and considered to be individual feedback and subject to public disclosure per M.G.L. c. 30A, Sec. 22(e).

All discussion of the performance of the Superintendent will be conducted by the Committee in accordance with the Open Meeting Law.

In the event that the summative evaluation indicates that the performance of the Superintendent is "unsatisfactory" or "needs improvement" in any respect, the specifics which have given rise to this determination, the improvements that are expected, and the indicators that will determine whether or not each deficiency cited has been remedied shall be set forth in writing.

Nothing in this agreement shall prevent any member of the School Committee from meeting privately with the Superintendent to discuss any matter either might wish to discuss. At any time prior to the public meeting at which the Committee members discuss and deliberate regarding the Superintendent's performance, the Superintendent shall schedule one or more individual private meetings with each Committee member so that she may discuss with each member her own individual concerns, conclusions, and findings concerning the Superintendent's performance before they are shared with the Committee as a whole.

Any criticisms, complaints, and suggestions called to the attention of the Committee shall be promptly and discretely referred to the Superintendent for study, disposition, or recommendation as appropriate to facilitate the orderly administration of the District to ensure responsiveness to the public and fairness to the Superintendent. Such matters should be raised with the Superintendent at least ten (10) calendar days prior to the summative evaluation to allow for sufficient time for the Superintendent to take remedial action.

#### **INDEMNIFICATION**

The Committee shall indemnify the Superintendent when she is acting within the scope of her official duties to the extent permitted and subject to the provisions of M.G.L. c. 258, Sec. 9.

Notwithstanding any other language or provisions in this contract or elsewhere, this indemnification shall not be effective or binding on the District or Committee unless the Superintendent provides reasonable cooperation to the District or Committee and/or their legal counsel in the defense of any claim or litigation arising out of such incident, events or facts occurring during her employment or services as Superintendent. In no case will individual Committee members be considered personally liable for indemnifying the Superintendent pursuant to the terms of this contract.

#### **ENTIRE AGREEMENT**

The contract embodies the entire agreement between the Committee and the Superintendent, and there is no inducement and no promises, terms, conditions or other obligations made or entered into by either party other than those contained herein. The contract may not be changed except in writing, executed by the full Committee, and the Superintendent. Any part of this contract may be opened for renegotiations during its term by mutual consent, and any amendment to the contract shall be in writing, signed by both the Superintendent and the full Committee, and attached to this contract. This

contract shall be construed and interpreted in accordance with the laws of the Commonwealth of Massachusetts.

**INVALIDITY**

If a court of competent jurisdiction deems any provision of this contract invalid, the remainder of the contract shall continue in full force and effect.

**CHOICE OF LAW AND VENUE**

Any action arising under this contract must be brought in a court located in Massachusetts with proper jurisdiction and venue. This contract shall be interpreted consistent with Massachusetts law.

IN WITNESS WHEREOF, the parties have hereunto signed and sealed this Agreement and a duplicate thereof the 7<sup>th</sup> day of June, 2023.
