ARTICLE III

GRIEVANCE PROCEDURE

A. A "grievance" is hereby defined to mean a dispute involving the meaning, interpretation, or application of this Agreement.

B. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits to the aggrieved teacher and to the President of the Association shall permit the aggrieved teacher or teachers to proceed to the next step.

C. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

D. No reprisals of any kind shall be taken by any party of this Agreement against any party in interest, any witness, any member of the Personnel Committee of the Association, or any other participant in the grievance procedure by reason of such participation.

E. A grievance that affects a group or class of teachers from a different building or department, or is of a general nature, may be submitted in writing by the Association to the Superintendent directly, and the processing of such grievance shall be commenced at Level Two.

F. If any teacher covered by this Agreement shall present any grievance without representation by the Association, the disposition, if any, of the grievance shall be consistent with the provisions of this Agreement. The Association shall be permitted to be heard at each level of the procedure under which the grievance shall be considered.

G. When a grievance arises, the grievance must be filed within twenty (20) calendar days from the day of the event upon which the grievance is based or from the date when the teacher had or should have had knowledge of the event.

Level One

A teacher with a grievance shall present it to the building Principal within twenty (20) school days of the event on which the grievance is based. Any meeting with reference to the above shall be held during non-school hours.
Level Two

(a) In the event that the grievance shall not have been disposed of to the satisfaction of the aggrieved teacher at Level One, or in the event that no decision has been reached within ten (10) school days after presentation of the grievance to the Principal, the grievance shall be reduced to writing and referred to the Superintendent of Schools within five (5) school days of the disposition under Level One.

(b) The Superintendent shall represent the School Committee at this level of the grievance procedure. Within ten (10) school days after receipt of the written grievance by the Superintendent, the Superintendent or a designee shall meet with the aggrieved teacher and the said Principal in an effort to settle the grievance. The aggrieved teacher shall have the right to be represented by a member of the Association at this level.

(c) If the subject matter of the grievance involves any action of the Superintendent or building Principal pursuant to Chapter 71, Sections 38, 40, 41, 42D, 43, 47A and 59B, and if the grievance has not been disposed of to the satisfaction of the aggrieved party, the Association within ten (10) school days after the Level Two meeting may initiate arbitration by giving written notice of its intention to the Superintendent.

Level Three

In the event that the grievance shall not have been disposed of at Level Two, or in the event that no decision has been rendered within ten (10) school days after the Level Two meeting, the grievance shall be referred in writing to the School Committee. At its next regular School Committee meeting, or at a special meeting called for the purpose of considering the grievance, the School Committee shall meet with the Association in an effort to settle the grievance.

Level Four

(a) In the event that the grievance shall not have been satisfactorily disposed of at Level Three, or in the event that no decision has been rendered within ten (10) school days after the Level Three meeting, the Association may refer in writing within ten (10) school days of the disposition under Level Three the unsettled grievance to arbitration. The arbitrator shall be selected by agreement between the parties. If the parties are unable to agree upon an arbitrator, the selection shall be made by the American Arbitration Association, in accordance with its rules and regulations.

(b) The arbitrator shall be without power or authority to modify or alter the terms of this Agreement.

(c) The decision of the arbitrator shall be in writing.

(d) This decision shall be final and binding on both parties.

(e) The costs for the services of the arbitrator shall be borne equally by the School Committee and the Association.

H. Only a single grievance, or two or more grievances involving the same issue, may be included in any demand for arbitration, unless expressly agreed to in writing by the parties.
ARTICLE IV

STAFFING REQUIREMENTS

The Association commends the Committee and the Administration for long recognizing that the essential ingredient in a quality program is an adequate number of competent classroom teachers and a realistic and workable class size. The Association also recognizes that the following proposed staffing ratio is in no way intended to inhibit innovation, experimentation, large group instruction for specific and valid educational purposes, and effective operating programs such as team teaching. It further recognizes the courageous and consistent leadership of the Committee and the Administration in planning and executing building programs that have and will continue to provide adequate physical space.

The ratios will adhere to the School Committee’s Class Size policy when feasible:

A. All teachers shall have, in addition to their lunch period, an average of at least one preparation period per day.

B. A team planning period may be substituted for one of the five (5) preparation periods when deemed necessary by the Administration.

C. Teachers will not be required to substitute in the event a regular substitute cannot be found. When a regular teacher voluntarily agrees to serve as a substitute during his/her preparation period, said teacher will be paid an additional fourteen dollars ($14.00) for each period substituted. Such arrangements will be made by the Principal of the school.

ARTICLE VI

SPECIALISTS AND SPECIAL PROGRAMS

A. The Committee and Administration have long recognized that a quality education requires an adequate number of competent specialists in addition to regular classroom teachers. It is recommended that the following qualified specialists should be employed by the Southborough School System:

- Adjustment Counselors
- Guidance Counselors
- Reading (Remedial and Developmental)
- Art
- Physical Education
Music (Vocal and Instrumental)
School Nurse
Technology Integration Specialists
Library Media Specialists
School Psychologists
Speech Teachers
Occupational Therapists

ARTICLE VII
OPERATIONAL CONDITIONS

A. School Year

1. The work year for teachers will be one hundred and eighty-five (185) days as scheduled by the School Committee. Scheduled days, which are cancelled, for reasons of an emergency nature will not be considered part of the required days listed above.

2. The day before Thanksgiving shall be a half-day for students and teachers. The day before Winter vacation and the last day of classes may be half-days for students but teachers will be required on such days to engage in professional activities after the students' departure to the extent required by State school-day regulations.

3. Teachers shall not be required to work Saturdays except by mutual agreement between the Association and the School Committee.

B. School Day

1. It has been the policy of the School Committee not to stipulate the time teachers should arrive at school or at what time they should leave. It is agreed that teachers as professionals should be aware of their responsibility to be in their classrooms when their students arrive and their responsibility to be available to students for make-up work and special help when this is needed. The practice of handling this in a professional manner shall be continued.

2. The length of the school day shall not be increased or decreased without mutual consent of the Association and the School Committee unless otherwise required by the State Department of Education.

C. After-School Meetings

1. The Southborough Teachers Association and the Southborough School Committee each recognize their crucial role in fostering constructive and cooperative interactions with parents and community members.
2. Teachers are expected to keep parents informed of students' progress completing all written reports fully and accurately, making special presentations, and displaying sensitivity to the needs and expectations of the student. Teachers will continue to establish effective home school partnerships, in appropriate ways, while maintaining professional boundaries.

3. Teachers are required to reserve one afternoon a week, designated by mutual agreement, for staff meetings, policy formulation, curriculum planning and revision, evaluation, and instructional purposes. A morning meeting may be substituted for an afternoon meeting provided the decision to hold a morning meeting is mutually agreed upon by staff and administration. Nothing in this section shall prohibit additional meetings required in the team teaching program.

4. Teachers will continue to meet with parents before school, after school, and during planning periods. It is important that demands on teacher time be reasonable. Building principals may grant additional morning or afternoon release time to individual teachers when the need for parental conferences warrants it.

5. Release Time

   a. There shall be made available released time from 12 noon to 3 p.m. four times per year for parent teacher conferences and other professional purposes as determined by building principals and in coordination with District and school calendars.

   b. Additional release time days may be granted by the School Committee in response to administrative proposals expressing a need for such meetings. Professional development days cancelled due to weather will be made up after the students' 180 day school year is completed.

   c. The President of the Southborough Teachers Association will be released from teaching and non-teaching duties one (1) day per month. Scheduling of the released days shall be worked out between the President and his/her immediate administrator. Additional time may be provided at the discretion of the immediate administrator.

6. Evening Meetings: Members of the bargaining unit shall be required to attend three (3) evening meetings per school year. Two (2) of these evening meetings shall be for parent/teacher conferences. The remaining required meeting shall be for curriculum presentations. The Superintendent will monitor administrative compliance with this provision.

D. Lunch Period

   All teachers shall have a daily duty free lunch period of 30 minutes.

E. All non-teaching building duties shall be distributed on a fair and equitable rotating basis among all members of the bargaining unit by mutual agreement between the administration and the association.

F. The Southborough School Committee and The Southborough Teachers Association reaffirm their commitment to shared decision making in providing meaningful professional development opportunities for all educators.
ARTICLE VIII

NON-TEACHING DUTIES

The Committee and the Association acknowledge that a teacher's primary responsibility is to teach and that his/her energies should, to the extent possible, be utilized to this end. Therefore, they agree to limit as far as possible the following non-teaching duties.

A. Selling and collecting money from students for non-educational purposes. Although teachers may be required to collect and transmit money to be used for educational purposes, they will not be required to tabulate or account for such money.

B. Duplicating instructional or other material, keeping registers and other cumulative record cards, preparing the non-academic sections of the report cards and other similar clerical functions.

C. Teachers will not be required to drive pupils in private vehicles for any school related activities.

D. Nothing in the above sections particularly Section B, is intended to relieve the teacher of the professional responsibility for selecting instructional material, selecting items for tests, determining the proper academic grade for each pupil, determining the proper comments to be included in the cumulative record card and similar professional judgments.

ARTICLE IX

TEACHING ASSIGNMENTS AND TRANSFERS

A. In order to assure that pupils are taught by teachers working within their areas of competence, teachers shall not be hired or assigned except in accordance with the regulations of the Department of Elementary and Secondary Education (DESE).

B. Teachers shall be notified in writing of any change in their assignments for the ensuing school year as soon as possible, but not later than the end of the preceding school year. No teacher shall be transferred without consent except as provided herein, Article IX, Sections C, D, and E below.

C. Teachers pursuing a change in grade, school and/or subject assignments shall provide a written statement of interest with the Superintendent of Schools no later than January 15th.

D. In the determination of assignments and transfers, qualifications, convenience, and wishes of the individual teacher will be considered to the extent that these requests do not conflict with the instructional requirements and the best interests of the school system and pupils.

E. When the transfer of teachers in the Southborough School System is necessary, those qualified teachers applying in Section C (above) shall be given serious consideration. No involuntary transfer shall occur until the teacher has had an opportunity to discuss the matter with the Superintendent.
ARTICLE X

REDUCTION IN FORCE AND RECALL

A. In the event that a reduction in the number of teachers with professional teacher status (PTS) is deemed advisable by the Superintendent, the following rules shall apply in the determination of which teachers are to be laid off:

1. Teachers with PTS shall not be laid off if there is a teacher without PTS whose position the teacher with PTS is qualified to fill.

2. Reduction in force of a teacher with PTS within the targeted disciplines shall be based on a teacher’s job performance and the best interest of the students, which is defined as the teacher’s most recent summative overall evaluation ratings as compared to other teachers’ most recent summative overall evaluation ratings (with ratings of Meets the Standards of the Southborough School District for evaluations prior to 2013-2014). Proficient and Exemplary will be considered equal.
   a. If there is a tie using the above criteria, the tie shall be broken by seniority, with the least senior teacher in the discipline targeted laid off first. If there is still a tie, versatility and/or licensure will be the determining factor. A teacher’s placement on the salary schedule shall not be a factor in the consideration of layoffs.

3. Seniority shall be defined by the length of uninterrupted service in full-time equivalent years and days working under a valid license, from the most recent commencement of service. A seniority list by name shall be provided to the Association by November 15. Disputes over the list shall be submitted to the Superintendent within 30 calendar days of distribution. The Superintendent will respond in writing within 30 calendar days.

4. Unpaid leaves of absence shall not cause an interruption in seniority, but shall not be counted toward credit. Professional status teachers who face the prospect of employment termination, as a result of a reduction in force, shall be informed in writing by May 1 of the school year preceding the anticipated reduction, when feasible.

5. Teachers with professional teacher status who have been reduced shall be eligible for continued participation in group insurance plans at their own expense to the extent provided by federal (COBRA) regulations.

B. Teacher Recall Procedures

In the event of a layoff or a reduction in force, teachers who have been rated Proficient or Exemplary at the time of layoff are eligible for recall. No new employee shall be hired for a permanent position until such time as every
eligible employee on the recall list has been given an opportunity to apply in writing to fill the vacancy.

1. The Superintendent shall maintain a complete list of all professional personnel formerly under the contract who are, by virtue of declining student enrollment and/or school closings, dismissed. It is the applicant's responsibly to furnish current information and an updated resume.

   a. A teacher's name shall be maintained on the recall list until the September 1st two years after the date on which the layoff occurs. Personnel on this list are encouraged to provide notification if they no longer wish to be considered for recall.

   b. Names still listed at the end of the recall period will be dropped.

   c. Individuals who refuse a job offer (of equal FTE) will be dropped from the list except for verified medical reasons. Medical reasons do not extend the recall period.

   d. When a vacancy occurs, the personnel department will notify each qualified former employee on the recall list by mail that a vacancy exists. Those interested must express this interest in writing within a 14-day calendar period from the date of the notification's postmark.

2. Upon recall, employees shall advance one step on the salary schedule, provided that they are employed by the District (90) days in the year directly preceding their layoff, and have satisfied all other contractual requirements. PTS returning to service shall have their accrued sick days and seniority restored. Any teacher with professional teacher status electing to be placed on such recall list will be deemed to have waived his hearing rights under MGL, Chapter 71, Section 42. This section does not abrogate the teacher's right to the grievance procedure as described herein.

ARTICLE XI

VACANCIES AND PROMOTIONS

A. Whenever any vacancy of more than eight (8) weeks in a professional position occurs during the school year (September to June), including those outside the bargaining unit, it will be adequately publicized by the Superintendent via electronic formats at least ten (10) school days prior to the appointment. Postings will include the length of anticipated vacancy, qualifications and salary by contract.

B. All teachers will be given adequate opportunity to make application for such positions, and the Committee agrees to give consideration to the professional background and other attainments of all applicants.

C. Neither the Committee nor the Association will discriminate against any employee covered by this agreement because of race, color, religion or religious creed, national or ethnic origin, age, disability or handicap, sex or gender, gender identity, sexual orientation, military or
Veteran’s status, genetic information, or any other characteristic protected under applicable Federal, State or local law.

ARTICLE XII

TEACHER EVALUATION

A. Teachers will have the right, upon request, to review the contents of their personnel file. A teacher will be entitled to have a representative of the Association accompany him/her during such review.

B. No material derogatory to a teacher's conduct, service, character, or personality will be placed in his/her personnel file unless the teacher has had an opportunity to review that material. The employee's singular personnel file is maintained by the Superintendent's Office. The teacher will acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with contents thereof. The teacher will also have the right to submit a written answer to such material, and his/her answer shall be reviewed by the Superintendent and attached to the file copy.

C. Any complaints regarding any teacher made to any member of the Administration by any parent, student, or other person will be promptly called to the attention of the teacher.

D. All observations of the work performance of a teacher will be conducted openly and with the full knowledge of the teacher. Teachers will be shown any evaluation report prepared by their superiors and will have the right to discuss such reports with their superiors.

E. The Southborough Evaluation Instruments are hereby incorporated into this Agreement by reference. They will be available on the District’s website under Staff Resources. Any substantive changes must be ratified by both parties. Tutors will be evaluated based on the tutor’s evaluation instrument.

F. No teacher will be disciplined, reprimanded, reduced in rank or compensation, or deprived of any professional advantage without just cause, provided, however, that the right to discharge a teacher without professional status because of unsatisfactory work performance will be within the sole discretion of the Administration, as will the determination as to what constitutes unsatisfactory work performance. Unsatisfactory work performance as used in this Article refers to those matters included in the teacher's personnel file.

ARTICLE XIII

SCHOOL FACILITIES

A. Each existing school will provide the following facilities provided no physical alterations are necessary.

B. In planning new buildings, these facilities shall be incorporated in the plans.

1. Space in each classroom in which teachers may safely store instructional materials and
supplies.

2. A teacher work area containing adequate equipment and supplies to aid in the preparation of instructional materials.

3. An appropriately furnished room to be reserved for the exclusive use of the teachers as a faculty lounge. This room will be in addition to the above mentioned teacher work area.

4. A separate dining area for the exclusive use of the teachers.

ARTICLE XIV

USE OF SCHOOL ATHLETIC FACILITIES

A. Association members shall be entitled to use the school athletic facilities without charge during non-school hours.

B. Members will be subject to the following responsibilities and restrictions.

1. The member or members using the school facilities will be held responsible for any damages to school property or equipment.

2. Use of the school facilities shall be secondary to and shall in no way interfere with or hinder the normal functioning of the school program.

3. The facilities shall not be exploited for private gain.

4. Permission from the respective principal shall be obtained prior to use.

ARTICLE XV

SICK LEAVE

Teachers will accrue thirteen (13) days of sick leave as of the first day of the school year. Use of sick leave shall be without loss of pay. Sick time accrual shall be prorated for unit members on unpaid leave or hired after the start of the school year.

Total sick leave shall be cumulative up to one hundred forty-five (145) days.

Deductions for excused absences beyond the allowable sick leave, or for other causes, shall be computed at the rate of 1/185th of the annual salary for each day to be deducted. Salaries obtained from extra-curricular activities will not be included in the deduction.

In the event of absence of a teacher for illness in excess of five (5) consecutive working days, the Superintendent will require the filing of a doctor's certificate, or the Superintendent may, if it has reasonable cause to believe that there is an abuse of sick leave policy, require an examination to be at the Committee's expense.

ARTICLE XVI
SICK BANK

The sick leave bank shall be administered by the Sick Bank Committee. This committee shall consist of five (5) members of the Association plus four (4) members of the Administration appointed by the Superintendent. All members of the Sick Bank Committee shall be entitled to one (1) vote.

1. Assistance is aimed at those individuals who have long-term, terminal, and/or serious extended illness or accident which results in the exhaustion of accumulated sick leave.

2. Funding of the bank will be at the rate of two (2) days per member annually. Members who are employed fifty-percent (50%) or less will donate one (1) day per member annually.

3. Individual petitions will be presented to the Sick Bank Committee by interested parties.

4. When the sick bank falls below two hundred fifty (250) days accumulation, each member will then contribute one (1) more day, to be deducted from his/her yearly sick day credit.

5. First year employees are not eligible for sick bank.

6. Second and third year employees can match the number of their remaining sick days (i.e. if an employee has 11 days left, he/she is eligible for 11 days from the sick bank).

7. In special circumstances, the Superintendent may agree to allow sick bank.

8. Petitioner or his/her representative must present pertinent medical data and proof of illness. A response to any petitioner will be forwarded within two weeks.

9. All decisions by the Sick Bank Committee will be by simple majority vote.

10. All petitions are to be held in strict confidence within the confines of the Sick Bank Committee only.

11. Employees who have exhausted their own sick leave because of an injury covered by workers' compensation are not entitled to draw additional sick leave from the bank to supplement workers' compensation payments.

12. It is understood that an employee may not simultaneously receive benefits from the town's long-term disability insurance and the Sick Bank.

ARTICLE XVII

TEMPORARY LEAVE OF ABSENCE WITH PAY

A. Teachers will be entitled to the following temporary leaves of absence with pay each school year.

1. Personal Leave - A total of three (3) days of absence may be taken for legal, or personal business, or household or family matters which require absence during school hours.
Application for personal leave will be made to the Principal at least forty-eight (48) hours before taking such leave (except in the case of emergencies) and the applicant for such leave will not be required to state the reason for taking such leave other than that he/she is taking it under this section. Personal days may not be taken immediately preceding or following a vacation or holiday. In special circumstances the superintendent may authorize the use of personal leave days immediately preceding or directly following holidays and vacations. Under no circumstances shall said days be used to extend a vacation or holiday. Requests for personal time to be taken after May 15 shall state a reason for the request and be approved by the Superintendent of Schools no less than 48 hours prior to the dates requested for personal leave. If the School Committee should change the school calendar to one where classes are held on days currently designated as religious holidays, either party may request to impact bargain over the change.

2. **Educational Leave** - Temporary leave for the purpose of visiting other schools or attending meetings or conferences of an educational nature will be allowed, but limited to not more than ten percent of, or one member from, each building faculty on any given day. Teachers will be granted one (1) day at any one time in the event of the death of a teacher's brother-in-law, sister-in-law, uncle, aunt, niece, nephew, or cousin. If additional days for bereavement are required, they may be granted at the discretion of the Superintendent of Schools to be charged to accrued sick leave.

4. **Family Illness** - Teachers will be granted up to five (5) days per year in the event of illness requiring bedside or household attention for the teacher's spouse, child, father, mother, or other member of the teacher's immediate household. 5. **Religious Holidays** - Bargaining unit members may be granted up to three (3) days each school year to observe recognized major religious holidays of the religious faith to which such members belong, when such holiday falls upon a day when school is in session. The Superintendent of Schools shall be the final arbiter of what is recognized as any “Bona Fide or Sincerely Held religious beliefs.” Notification must be provided to the Superintendent at least (10) school days in advance of the holiday. In no case will the absence be approved with less than 48 hours' notice. Approved absence for such religious holiday shall not be deducted from personal leave or sick leave.

Any leave granted under this section shall run concurrently with an approved FMLA or MMLA leave.
B. Leaves taken pursuant to Section A 1-3 will be in addition to any sick leave to which the teacher is entitled. No teacher will be required to arrange for his/her own substitute.

3. 4. In the event that more than one application is received the applications will be evaluated upon the following factors:
   a. the educational value of proposed program to the Southborough Schools
   b. the quality of past performance by the employee
   c. the length of service by the employee

B. Upon return to employment the teacher shall be placed on the appropriate step in the salary schedule as though such employee had not been on leave.

C. B. Military leave will be granted to any teacher with one (1) year's service in Southborough who is inducted, or enlists because induction is imminent, into any branch of the armed forces of the United States. A teacher desiring such a leave shall notify the Superintendent of the intent ninety (90) days prior to the due date. Appropriate medical evidence of fitness may be required by the School Committee prior to return from such leave.

   2. Such parental leave shall not affect the employee's right to receive length of service credit, benefits, plans or programs for which he/she was eligible at the date of the leave.

   3. A teacher returning from parental leave who has taught ninety three (93) or more days of the year of the leave will be placed on the next step of the salary schedule.

1. Need for counsel must occur during the term of the teacher's employment contract.

2. When the teacher is the plaintiff or defendant, the Committee will pay the cost of the counsel only if the teacher prevails.

3. If the teacher is acting as a witness only, the Committee will not provide or pay for counsel. No deduction will be taken from the teacher's pay for time spent acting as a witness.

C. The parties agree that to qualify for benefits under this Article a teacher who becomes pregnant must notify the Superintendent in writing as soon as possible but in no event less than four (4) weeks before the commencement of such leave, stating the anticipated dates of departure and return.

Such notification shall provide the Administration with as much opportunity as possible to secure a replacement teacher and insure continuity of assignments.

D. The Southborough Teachers Association accepts the recommendation that due consideration will be given to maternity leaves commencing at the end of a marking term.

E. The teacher upon completion of the eight-week period or sooner upon request, shall be restored as soon as practicable to the position held when the leave commenced or to a substantially equivalent position.

percent (25%) of his/her final year's salary upon his/her official departure from the employ of the Southborough School System. Effective with the 2015-16 school year individuals will not be eligible for the above incentive unless they complete the school year. Exceptions will be made at the discretion of the superintendent.

In the event the Commonwealth of Massachusetts enacts legislation providing for an early retirement incentive program of which the Town of Southborough agrees to become a participant partner, those bargaining unit members meeting the eligibility requirements of the legislated early retirement incentive programs would have the option of participating in only one of the two available programs. The decision as to which program to select remains with the bargaining unit member. Any member who applies for the state program and is rejected will still be eligible for the Southborough program.

Any notice of intent to retire may be withdrawn up until the time approval is received from the Massachusetts Teachers' Retirement Board.

The Committee is under no obligation to carry more than three (3) persons who would be receiving benefits under the plan in a given year; the Superintendent may use his/her discretion in recommending applicants to the School Committee based on the needs of the System. Such discretion may include increasing the number of applicants.
