CONTRACT

Pursuant to the provisions of Chapter 150E of the General Laws of Massachusetts THIS CONTRACT IS MADE THIS 1st day of July, 2023, by the SCHOOL COMMITTEE OF THE TOWN OF WESTBOROUGH (hereinafter sometimes referred to as the Committee) and the WESTBOROUGH EDUCATION ASSOCIATION (hereinafter sometimes referred to as the Association).

I. RECOGNITION

A. It is understood and agreed that the COMMITTEE acting in accordance with the authority of Massachusetts General Laws, Chapter 150 E, has recognized the ASSOCIATION as the exclusive representative for the purposes of collective bargaining of the Westborough School Employees' unit identified as follows:

I. All regular day school teaching personnel employed by the Westborough School Committee who hold certificates or waivers under Chapter 71 of the Massachusetts General Laws and all other personnel who hold such certificates or waivers and who perform a school-related function such as librarians, counselors, reading specialists, nurses, curriculum coordinators with teaching responsibilities, school psychologists, ELL teachers, physical therapists, occupational therapists, school adjustment counselors, Board Certified Behavior Analysts (BCBAs), and speech/language pathologists.

Included within the category of waiver of personnel shall be those for whom an application for waiver has been filed and is still pending.

Excluded from the unit: the Superintendent, Assistant Superintendent, Director of Finance and Operations, Director of Student Services, Director of Technology, Director of Human Resources, Principals, Supervising Assistant Principals, Director of Fine Arts, Director of Wellness, Athletics Director, Director of ELL, Early Childhood Director, Special Education Coordinators, substitutes and all other employees of the municipal employer.

B. Unless otherwise indicated, the employees of the above unit will be hereinafter referred to as the "TEACHERS," and reference to teachers will include all teachers, PK-22.

II. RIGHTS OF COMMITTEE

A. The Committee is a public body established under and with powers provided by the statutes of the Commonwealth of Massachusetts, and nothing in this Agreement will be deemed to derogate from the powers and responsibilities of the Committee, the Superintendent or the building principal under the statutes of the Commonwealth or the rules and regulations of agencies of the Commonwealth. Except as otherwise provided in this Agreement, the Committee and/or the Superintendent retain the powers, rights and duties that they have by law. These powers, rights and duties include, but are not limited to, hiring, promoting, transferring, assigning and retaining teachers; disciplining teachers in accordance with statutory authority; establishing work schedules; controlling and supervising the schools, staff, students and properties of the Westborough Public Schools; and establishing policies, rules and regulations.

B. The parties recognize and agree that the provisions of this Agreement are intended to be given their full force and effect while at the same time they must be construed in accordance with the terms of the Education Reform Act of 1993 and any subsequent amendments thereto. Accordingly, and by way of example only, there may be instances where the parties have agreed the "Committee" is to act when, in fact, as a result of the Education Reform Act, the Superintendent and/or the principal(s) must now do so. It is the parties' intention that the obligations of this agreement continue to be fulfilled even though the statutory powers to act may have been delegated to and must be exercised by persons and entities other than those named expressly herein.

C. The failure of the Committee to exercise any right or power hereby reserved to it, or the exercise by it of any such right in a particular manner, will not be deemed a waiver nor a restriction of any such exercise of rights, nor a lack thereof.

III. GRIEVANCE PROCEDURE

A. A "grievance" is hereby defined to mean a dispute involving the meaning, interpretation, or application of this Contract.

B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances which may arise from time to time. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. INFORMAL PROCEDURE

Nothing herein contained will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement. Said teacher may request the Association to be present at such adjustment and to state its views.

D. MISCELLANEOUS

1. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits to the aggrieved teacher and to the President of the Association will permit the aggrieved party or parties to proceed to the next step.

2. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits will be deemed to be acceptance of the decision rendered at that step.

3. No reprisals of any kind shall be taken by any party to this contract against any party in interest, any witness, any member of the Association or any other participant in the grievance procedure by reason of such participation.

4. A grievance that affects a group or class of teachers may be submitted in writing by the Association (who will be considered the aggrieved party) to the Superintendent directly and the

processing of such grievance shall be commenced at Level Two. Such grievance must be filed within twenty (20) school days from the date of the event upon which the grievance is based.

5. If any teacher covered by this Contract shall present any grievance without representation by the Association, the disposition, if any, of the grievance will be consistent with the provisions of this Contract. The Association will be permitted to be heard at each level of the procedure under which the grievance will be considered.

6. **Rights of Teachers to Representation:**

In the processing of a grievance at the level of the employer's principal or at any higher level, an aggrieved teacher may, if he/she/they so elects, be represented by or accompanied by an officer or member of the Association, or by an attorney, or any other person, and he/she/they may call in witnesses to testify on the matter of his/her/their grievance. When a teacher does not elect to be represented by officers or members of the Association, the latter shall have the right, when and if the issue reaches the level of the Superintendent of Schools and thereafter, to appear at the hearing on the grievance in the person of no more than three of its officers or members, and state or argue its views.

7. When a grievance arises, the grievance must be filed within twenty (20) school days from the day of the event upon which the grievance is based.

8. Grievances and grievance responses will not be filed in an individual's personnel file.

E. **FORMAL PROCEDURE**

I. **INTRODUCTION**

a. Since it is important that the grievance be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

b. In the event a grievance is filed on or after June 1 which, if left unresolved until the beginning of the following year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as practicable.

2. **LEVEL ONE**

A teacher with a grievance will present it in writing to his/her/their principal within twenty (20) school days of the event on which the grievance is based and the initial grievance must be specific to include the exact article and section alleged to have been violated and statement of the circumstances of the incident which precipitated the grievance. The principal will answer said written grievance in writing within ten (10) school days. Any meeting with reference to the above shall be held during non-school hours.

3. LEVEL TWO

- a. In the event that the grievance will not have been disposed of to the satisfaction of the aggrieved teacher at Level One, or in the event that no decision has been reached within ten (10) school days after presentation of the grievance to the principal, the grievance shall be reduced to writing (including references to the principal's written answer to the grievance and reasons for disagreement with the principal's resolution of the grievance, which need not be elaborated but should be directly responsive to the issues at dispute) and referred to the Superintendent of Schools within ten (10) school days of the disposition under Level One.
- b. The Superintendent shall represent the School Committee at this level of the grievance procedure. Within ten (10) school days after receipt of the written grievance by the Superintendent, his/her/their designee will meet with the aggrieved teacher in an effort to settle the grievance. The aggrieved teacher will have the right to be represented by a member of the Association at this level. The Superintendent will answer the grievance in writing within ten (10) school days following said meeting.
- c. If the subject matter of the grievance involves any action of the Superintendent or the building principal(s) pursuant to Chapter 71, Sections 38, 40, 41, 42D, 43, 47A and 59B, and if the grievance has not been disposed of to the satisfaction of the aggrieved party, the aggrieved party within ten (10) days of the decision through the Association may initiate arbitration by giving written notice of its intention to the Superintendent.

4. LEVEL THREE

In the event that the grievance will not have been disposed of to the satisfaction of the aggrieved party at Level Two, and if the matter being grieved is subject to the authority of the Committee, or in the event that no decision has been rendered within ten (10) school days after the Level Two meeting, the grievance will be referred in writing to the School Committee within ten (10) school days of disposition at Level Two. The appeal of the grievance will contain references to the written answer by the Superintendent of Schools with reasons why the Superintendent's resolution of the grievance was not accepted, which need not be elaborate but should be directly responsive to the issues in dispute. At its next regular School Committee meeting, or at a special meeting called for the purpose of considering the grievance, the School Committee will meet with the aggrieved party and the Association in an effort to settle the grievance. Only grievances that do not involve personnel matters delineated in Section 3c may proceed to Level Three.

5. LEVEL FOUR - ARBITRATION

- a. If the grievance involves a personnel matter defined in Section 3c and has not been disposed of under Level Two to the satisfaction of the aggrieved party, or if the grievance has not been disposed of under Level Three to the satisfaction of the aggrieved party, he/she/they may, through the Association, not later than ten (10) school days after the decision rendered at Level Two or Level Three as the case may be, initiate arbitration of the grievance by giving written notice to the Committee of this intention.

- b. The Association and/or the Committee will submit the grievance to the American Arbitration Association. The parties will be bound by the rules and procedures of the American Arbitration Association currently in force. The decision of the Arbitrator will be final and binding upon the parties. The cost of the services of the arbitrator(s), including the per diem expenses, if any, and the actual and necessary travel and subsistence expenses, will be borne equally by the Committee and the Association, but each party will bear its own expenses for the presentation of the case.
- c. Arbitrator's Decision:
- (1) When the dispute is submitted to the arbitrator, as a result of the appeal of the grievance, the only items which the arbitrator may consider are those mentioned in the grievance, unless the parties have by stipulation extended the scope of the arbitrator's authority to consider additional items not mentioned in the grievance.
 - (2) The arbitrator selected shall confer promptly with the representatives of the Committee and the Association, shall review the records of the case, and shall hold such further hearings with the aggrieved party and other parties of interest as he/she/they shall deem requisite.
 - (3) The arbitrator's award will be in writing and will set forth his/her/their findings of fact with reasoning and conclusions. He/she/they shall arrive at a decision solely upon the facts, evidence and contentions presented by the parties through the arbitration proceedings.

The arbitrator will have no power to add to, subtract from or modify any of the terms of this contract. Subject to the foregoing, the decision of the arbitrator will be submitted to the Committee and the Association and the teacher or group of teachers who initiated the grievance. The decision of the arbitrator will be implemented as soon as is reasonably possible.

Each Counselor who is required to work additional days will be paid at his/her/their per diem rate.

I. WEA PRESIDENT

The WEA President shall receive five paid days of leave to conduct Association business and will be released from the following formally assigned non-teaching duties: hall duty, bus duty, recess duty, student dismissal duty, and detention duty. In lieu of the President's five designated days, three days may be used by other officers of the Association at the President's discretion and such days will be deducted from the five days allotted to the President. V. LEAVE

A. SICK LEAVE

1. All regularly employed teachers shall be granted sick leave with full pay cumulative to the number of teacher work days (184 days), for reasons of personal illness or for illness in their immediate family (immediate family means spouse/domestic partner, dependent children), or at the discretion of the Superintendent of Schools. Teachers earn sick leave at a rate of ten (10) days for the first year of service in Westborough, eleven (11) days for the second year and twelve (12) days for the third year. Teachers earn sick leave at a rate of fifteen (15) days a contract year for their fourth and successive years of continuous service. Medical and dental appointments may be considered as sick leave at the teacher's option.

2. Teachers will have the sick leave to be earned in an academic year posted to their account as of the first day of the academic year. Beginning teachers must complete twenty (20) school days of service before being eligible to use posted sick leave. Teachers will earn sick leave at the rate of one day per month for the first year; 1.1 days per month for the second year; 1.2 days per month for the third year; 1.5 days per month for the fourth and successive years.

3. In the event that a teacher terminates his/her/their service during the academic year, the sick leave will be recomputed according to the days of sick leave used in excess of the days earned. The excess sick leave days used will be deducted at the rate of 1/184 per day from the final pay.

4. In the event that a teacher is granted a leave of absence during the year, the teacher's sick leave will be recomputed and correctly posted to indicate only sick leave actually earned as of the date of the leave. If leave is overdrawn, the teacher will have 1/184 per day deducted from the final paycheck.

5. In the case of absence due to an industrial accident, the employer agrees to make up the difference between the teacher's regular wages and the amount received from Workers' Compensation. Such difference shall be deducted from sick leave. If the question exists as to whether a teacher is entitled to compensation under the Workers' Compensation Act, it is agreed that, pending resolution of said question, the teacher may draw sick leave benefits. The teacher shall reimburse the town for the amount received from Workers' Compensation benefits for said period. Upon such payment to the town, sick leave credits equal to the amount of compensation shall be re-credited to the teacher's sick leave accumulation.

6. SICK LEAVE BANK

- a. The Committee agrees to establish a sick leave bank for the use of bargaining unit members who have exhausted their accumulated and annual sick leave days because of unplanned, extended and serious illness (and require additional leave to make recovery from illness and return to work unless retirement or death occurs) and would otherwise lose pay through such continued illness.
- b. Teachers not on professional status who are covered by this collective bargaining Agreement will be eligible to receive a maximum benefit of thirty (30) days from the bank.
- c. At the beginning of the school year, each member of the bargaining unit whose total sick days exceeds the maximum accrual amount, shall donate his/her/their excess sick days that would be "lost" to the Sick Bank.
- d. Professional Status Teachers who have accumulated sick leave shall be assessed one (1) day each above and beyond any days given under Section c. in the event that the number of days in the sick leave bank falls below 50 during the school year.
- e. These days set aside in the above bank will be used to provide those teachers who have exhausted their sick leave because of the unplanned, extended and serious illness, with extended sick leave at full pay. Teachers may draw from the bank as many additional sick leave days with full pay, up to 110 days as may be necessary to make recovery from extended illness and return to work unless retirement or death occur.
- f. Teachers may receive benefits of the sick leave bank subject to the following rules:
 - (1) Application for benefits shall be in writing to the Superintendent of Schools on the Application For Sick Bank Leave form, accompanied by a doctor's certificate as to the need for extended recovery time from the illness. The doctor's certificate must also indicate the date by which the doctor anticipates the teacher will be able to return to work.
 - (2) Application for benefits may be made prior to the teacher's exhaustion of his/her/their own personal sick leave to expedite benefits, but drawing upon the bank will not actually commence

until the teacher's own sick leave benefits are exhausted and adequate medical certification has been provided.

(3) Sick days drawn from the bank shall be actual work days in which school was in session excluding weekend, holiday, school closings and vacation periods.

(4) Access to the bank may be barred because of the history of prior usage of annual and accumulated sick leave.

(5) No teacher shall begin to draw on the sick leave bank until absent without sick leave for five (5) days, after which time the teacher may apply for use of the sick leave bank and, if approved, the sick leave will be retroactive to the first day of this absence.

In the case of a teacher who has been absent for more than five days, who applied to the Sick Leave Bank prior to the exhaustion of his/her/their own sick leave days, and whose request for Sick Leave Bank days was approved prior to the exhaustion of his/her/their personal sick days, there will be no waiting period for the use of the Sick Leave Bank days.

(6) In the event of disability, the sick leave bank benefits shall cease after 110 consecutive school days have been exhausted. Upon exhaustion of the 110 days, the teacher may reapply to the Sick Leave Bank up to an additional 30 days. The teacher may reapply for additional 30-day increments, not to exceed 180 school days total.

- g. A four (4) member committee composed of two (2) members of the Association and two (2) members of the School Committee, or their designees, will administer the sick leave bank. In the event of a tie vote, the Sick Leave Bank Committee will agree upon a fifth person to break the tie. If the parties cannot agree, the Association and the Committee will draw lots to determine which party will select the tie breaker.

(1) The Sick Leave Committee will make every effort to convene within twenty (20) school days from the date of a received application.

(2) The Sick Leave Bank Committee will have the power to validate the applicant's request, determine the sufficiency of the medical verification and request additional documentation if deemed necessary, and the need for a specific number of days.

(a) The Sick Leave Bank Committee may require a second opinion from a qualified physician if the initial documentation is deemed inadequate.

(b) In the event that the two opinions conflict with one another, then the Sick Leave Bank Committee will select a third whose opinion will be final.

(c) The cost of the second and third opinions, if any, will be shared equally by the Association and the School Committee.

(3) Should the Sick Leave Bank Committee reject an application for benefits under subsection (1) without seeking a second opinion, the applicant may, at his/her/their own expense, appeal the

decision by presenting a second opinion within sixty (60) days from a qualified physician from a list of physicians provided by the Sick Leave Bank Committee, subject to health plan constraints. This opinion will be binding on both the Sick Leave Bank Committee and the applicant.

(4) The Sick Leave Bank Committee will have the power to deny access to the bank because of prior use of accumulated sick leave. If a member's application is denied in whole or in part because of prior sick leave usage, he/she/they will have a right to appeal said denial directly to the Sick Leave Bank Committee. The individual will have the right to be accompanied by an Association representative of his/her/their choosing, and to meet with the Sick Leave Bank Committee to present his/her/their position, express his/her/their concerns, and/or present additional data.

(5) A grievance under this section may be processed and arbitrated only on the question of whether the Sick Leave Bank Committee followed the procedures.

- h. Upon return from extended sick leave for which benefits were received through the sick leave bank, the teacher will be entitled to and will accumulate individual sick leave on the same basis as all other teachers per sick leave provisions elsewhere in the Contract.
- i. Teachers may not utilize the sick leave bank for illness in their immediate family.
- j. Teachers will NOT continue to earn annual sick leave while on sick leave through the sick leave bank.
- k. Sick Leave Bank Benefits and Worker's Compensation

If a member receiving Sick Leave Bank benefits applies for Workers' Compensation and receives days which are later determined to have a portion thereof covered by Workers' Compensation, the proportionate amount of each day the Sick Leave Bank has provided to cover time determined to be covered by the Workers' Compensation payment shall be restored to the Sick Leave Bank. Repayment to the Town will not exceed the Workers' Compensation settlement or award or the total amount paid from the Sick Leave Bank.

7. SICK LEAVE BUY-BACK

- a. A unit member who voluntarily retires under the superannuation provisions of the Massachusetts General Laws after 15 years of service as a teacher in the Westborough Public Schools may request that the Westborough Public Schools pay him/her/them at the rate of 25% of the daily rate for a substitute teacher in the Westborough Public Schools for each of his/her/their unused accumulated sick leave days up to a maximum of \$5,000. Such payment shall be referred to as the "Voluntary Retirement Payment" and shall be subject to withholdings for state and federal taxes and other withholdings required by law or authorized by the teacher.
- b. To be eligible for such Voluntary Retirement Payment, such teacher must file a written request with the Superintendent of the Westborough Public Schools on or before December 1st for end of year June retirements (staff retiring the last day of school) and for other retirement dates, 7 months notice prior to the retirement date must be given. Such request submitted is an

irrevocable letter of resignation signed by the teacher with the date of resignation the same as the date of anticipated retirement. If unforeseen circumstances exist which create a hardship for a teacher who has given such notice under this subsection, the Superintendent may, at his/her/their sole discretion and on a non-precedent setting basis, waive the irrevocability of the resignation. In the event a teacher retires without having given the written request for Voluntary Retirement Payment to the Superintendent on or before December 1st, a teacher may request a waiver of the December 1st requirement from the Superintendent of Schools. The Superintendent's decision on whether or not to grant the waiver and the Superintendent's decision on whether the sick leave buyback payment will occur in the fiscal year in which the teacher retires or the following fiscal year is final and not subject to the grievance and arbitration provisions of the collective bargaining agreement.

- c. On the date of resignation and anticipated retirement of such teacher, the Director of Finance and Administration for the Westborough Public Schools or his/her/their designee shall certify the number of unused sick leave days the teacher has accumulated and the then current daily rate for substitute teachers in the Westborough Public Schools.
- d. No Voluntary Retirement Payment shall be made or be due to any teacher who does not retire on a voluntary superannuation retirement at the time of his/her/their separation from employment with the Westborough Public Schools. Such teacher shall provide the Director of Finance and Administration with documentation substantiating such superannuation retirement. Teachers who are terminated for just cause or who are otherwise involuntarily separated from the Westborough Public Schools shall not be eligible for the Voluntary Retirement Payment.
- e. The Voluntary Retirement Payment shall be in the form of a bonus and paid by a separate check at the next regular payroll of the Westborough Public Schools after the date of the teacher's separation from employment provided that the teacher has provided the documentation required in subparagraph d. of this section 6 substantiating his/her/their superannuation retirement.
- f. Any Voluntary Retirement Payment made pursuant to this section 6 shall be in the form of a bonus and shall not be considered to be part of a teacher's base salary for any purpose, including retirement pay.

Such leave will be without loss of pay to the extent set forth in the following schedules:

Subject to necessary staffing, every reasonable effort will be made to facilitate faculty representation for the funeral of a colleague or the immediate family of a colleague without the loss of personal or sick time.

C. PERSONAL DAY LEAVE

2. Teachers who are absent for personal business will be entitled to a maximum of three (3) days' leave per year. These three (3) days per year will not be accumulated from year to year. Part-time teachers who begin after the start of the school year will earn a prorated number of personal days.
 - a. A percentage of a teacher's personal days are considered to be "earned" each month as the year progresses. In the event that a teacher terminates his/her/their service during the academic year, personal days will be recomputed according to the personal days used in excess of the days earned. The excess personal days used will be deducted at the rate of 1/184 per day from the final pay.
3. Notification for personal day leave must be submitted to the building principal five (5) full school days in advance of the date requested, unless the emergency nature of such leave precludes this action.
 - a. Personal days in May and June must be requested in writing to the principal with a reason for the request provided. Such requests may be denied.
 - b. Personal day requests for dates/days for which more than five percent of a building's teachers will be out on a personal day, may be denied by the principal. The Principal and Teacher may agree upon an alternate date, if possible.
4. Personal day leave may not be taken to extend a vacation on days immediately preceding or following regular school vacations, Thanksgiving break, or summer break.

 - (a) Educational value of the proposed study to the school system.
 - (b) The distribution of available educational leaves to the various areas of the Westborough School System.
5. Educational leave may be granted for a period up to one (1) academic year.
6. Teachers on educational leave will be paid at full salary for leave up to and including one-half year, and not less than one-half of their regular salary for leave of more than one-half year.
7. Prior to being granted educational leave, the teacher must sign an agreement with the Committee stating that he/she/they will return to his/her/their position in Westborough for two (2) academic years upon termination of such leave and that, in default of completing such service, he/she/they will refund to the Town of Westborough a sum equal to such proportion of salary received while on leave as the amount of service not actually rendered as agreed bears to the total amount of service agreed to be rendered.

Teachers are urged to give earlier notification, thus providing the Administration with additional time to secure a replacement and ensure continuity of instruction.

3. The pregnant teacher may continue in her assigned position as long as her physical condition and ability to perform her assigned duties allow. The Committee may require medical evidence of the teacher's ability to continue to work in the same manner that it may require medical evidence when questioning the health of a teacher in a non-maternity related situation.

4. During the disability periods due to pregnancy or childbirth, a teacher, upon a timely request for sick leave, is eligible to use sick leave to the extent of actual disability with documentation of a disability.

5. The teacher, upon completion of maternity leave, will be restored to the position she held when her leave commenced or to a substantially equivalent position, or will be granted a Child Rearing Leave of Absence in accordance with section G.

5. Teachers of advanced placement classes and department heads may be assigned five (5) classes. In making any assignment of a fifth class to a High School department head, the principal shall consider the size and scope of the department.

H. ASSIGNMENTS FOR ELEMENTARY TEACHERS

1. Elementary teachers will not be expected to teach art, music or physical education (replacing teachers who are certified in these areas) or cover classes in these areas, but may use these four (4) periods as their preparation periods.

2. Elementary specialists, such as art, music, physical education and special needs teachers will be scheduled so that they will have the equivalent of four (4) preparation periods a week.

3. Every effort will be made to continue to provide five (5) preparation periods per week for all PK-6 teachers and to continue to consolidate time blocks for preparation time for the elementary specialists. In the event that a specialist is not available and a substitute teacher is not available, a comparable preparation period will be provided to the classroom teacher within the next ten school days.

4. Lunch supervision will be on a voluntary basis. Teachers who apply for said duty will receive \$8.00 per lunch period. Teachers may be assigned cafeteria duty in extraordinary situations.

I. ASSIGNMENTS FOR SUPPORT TEACHING STAFF

1. At the request of the principal, Support Teaching Staff such as Counselors, Occupational Therapists, Physical Therapists, Speech Language Pathologists, BCBA's, and Psychologists may occasionally need to meet during times in which school is not in session. The scheduling of time will not exceed the number of contractual hours required to work on a typical day. Ample notice and compensatory time will be given to the teacher prior to the scheduled meeting request.

2. At the initiation of the support teacher (Counselors, Occupational Therapists, Physical Therapists, Speech Language Pathologists, BCBA's, and Psychologists) and agreed upon with the principal, support teachers may volunteer to provide student support services during times in which school is not in session. The scheduling of time will not exceed the number of contractual hours required to work on a typical day. Ample notice and compensatory time will be given to the support teacher prior to the scheduled service delivery request.

2. Such notices will include a job description, salary range, and the closing date of applications.

3. Except in emergency cases, no vacancy will be filled until such vacancy shall has been posted for seven (7) school days. Vacancies during the summer vacation period will be posted for seven (7) business days, after notice has been electronically sent to the Association president.

4. Any teacher certified in the area of a vacancy who applies in writing shall be given consideration and interviewed by the appropriate supervisor or administrator designated by the Superintendent of Schools.

5. When the Committee creates a new bargaining unit position, it will fulfill its bargaining obligation in accordance with M.G.L. Chapter 150E.

K. EXISTING GENERAL WORKING CONDITIONS

1. All other existing general working conditions will be considered a part of this Contract.

2. No substantial changes will be made without involvement with the Association.

L. TUITION FOR DEPENDENTS

Any child of a teacher employed by the Westborough school system may attend the Westborough Public Schools at no cost to the teacher provided that the cost to Westborough does not exceed the average per pupil cost per grade. In the event that the Committee accepts the "School Choice Law" or the "School Choice Law" is modified in a way that negatively impacts this provision, the parties agree to renegotiate this provision. In the event that this provision is determined to conflict with any state or federal statute or

regulation, this Section will automatically be removed from the collective bargaining agreement. Once a child is accepted, the child and future siblings shall be allowed to attend school through grade 12 subject to exclusions provided by the student handbook, and provided the child's parent remains a teacher employed by the Westborough Public Schools.

Beginning with the 2014-2015 school year the following criteria applies:

1. The teacher must be a full time teacher.
2. Availability of space is determined by the superintendent.
3. If more students apply than there are available spaces a lottery will take place.

M. TUITION REIMBURSEMENT

All teachers will be entitled to be reimbursed an amount not to exceed \$625 for approved graduate courses, professional development conferences/workshops, or continuing education units needed for a professional license. If the amount requested exceeds \$70,000, reimbursement shall be pro-rated on the basis of credits or CEUs so the cap is not exceeded. If the total requested does not exceed \$70,000, the balance shall be prorated among those who have applied for reimbursement for a second course or program.

Members may submit multiple receipts from approved courses/conferences/workshops. These receipts, in total, will be considered the same as one graduate course and will be reimbursed in accordance with the terms of the above paragraph.

Members holding additional professional licenses will be permitted to apply for tuition reimbursement in order to maintain the additional licenses.

The district shall attempt to provide in-service classes necessary for re-certification for all teachers, including new mandates from DESE. Those members whose areas of certification are not provided for in the district's professional development offerings shall be allowed to pursue PDPs at conferences in the same manner as those who require CEs/CEUs.

N. SCHOOL HEALTH AND SAFETY

The District's Employee Handbook will contain the School Committee's policies on Staff Protection, Staff Health and Safety, and Safety Program. Members of the Administration, staff and School Committee will meet at least once each year to review the policies and make recommendations for any changes.

O. JOINT LABOR MANAGEMENT COMMITTEE

A joint labor management committee shall be established. The committee shall consist of (8) members, four (4) selected by the president of the Association and four (4) selected by the chair of the School Committee. The committee will meet monthly during the school year to discuss matters of mutual concern.

P. SCHOOL ASSIGNMENT

Prior to June 1, teachers will be notified of their tentative program for the following year, including the school assignment and grade level.

Q. TRANSFERS

1. Voluntary Transfers

- a. Teachers who desire a change in grade and/or subject assignments or who wish to transfer to another building shall file a written statement of such desire with the Superintendent not later than March 1, unless the position in which the teacher is interested becomes vacant subsequent to March 1. In the latter case, the statement must be filed within ten (10) school days of the vacancy.
- b. If the statement is filed by March 1, the Superintendent shall notify the teacher as to the disposition of the request no later than June 1. If the statement is filed after March 1, the Superintendent shall notify the teacher as soon thereafter as practicable.
- c. If a change in teaching assignments is anticipated in a particular building due to enrollment variations for the upcoming school year, the Superintendent or his/her/their designee will make a good faith effort to inform teachers in that school throughout the process to allow teachers to consider a change in assignment.
- d. Voluntary transfer opportunities shall be posted as stated in Section J.1.

2. Involuntary Transfers

When the Superintendent determines that an involuntary transfer is necessary, and that it is in the best interest of the students, the Superintendent will meet with the teacher and the WEA/MTA representative to explain the reason(s) at least 10 school days prior to said transfer if an emergency situation arises during the school year, or before June 1st if the transfer is effective for the following school year.

VII. REDUCTION IN FORCE

A. GENERAL PROCEDURE

1. If for any reason the Committee deems it necessary to reduce teaching staff in accordance with a decline in enrollment, reorganization, budget limitations, or as other circumstances may warrant, the following procedures will be followed:
 - a. In the event a reduction in the number of professional status teachers is deemed warranted by the Committee and such reduction cannot be effected through the normal attrition process, the provisions in this Article will be applied to determine which professional status teachers are to be laid off.
 - b. In the event of a reduction in force, the rights of teachers not on professional status will be limited to those provided by statute unless specifically and expressly provided by this Article.

2. Professional status teachers will be laid off according to the procedure below:
 - a. The least senior teacher in the affected discipline will be laid off first.
 - b. Additional layoffs within the same discipline will be in inverse order of seniority.
 - c. Exceptions to the above may be made when it can be demonstrated that the performance of a senior teacher in the affected discipline is less than satisfactory and/or that the junior teacher must be retained to preserve an existing program.
 - d. Once it is determined by the Committee to reduce a full-time position to part-time position, a job description will be posted and volunteers will be sought to transfer into the part-time position.
 - i. If no qualified volunteer is transferred to the newly created part-time position, the Reduction-In-Force procedure outlined in this section will be implemented.
 - ii. A teacher so reduced, or done so voluntarily, to part-time status will retain all professional status and seniority rights and will continue to earn seniority in accordance with this Article.
 - iii. A teacher whose hours are reduced, whether voluntarily or through a Reduction-in-Force, will have the option to be restored to full-time status whenever a position becomes available.
3. For the purpose of this Article, the discipline is defined as the current certificate held under which the teacher is currently working. Certificate categories are defined by the Department of Education.
4. Seniority
 - a. Seniority in discipline will mean length of continuous service in a professional capacity in the Teachers' Unit in the Westborough Public Schools, such service computed in years, months, and days. Service is deemed to start on the first day professional duties are performed in the Westborough Public Schools. A teacher will be listed on the seniority list of the discipline in which he/she/they is currently teaching a majority of the time if it becomes necessary to reduce the force of professional status teachers in a particular discipline. Ties in length of service shall be resolved by the date of hire letters. In the event that the dates of hire letters are identical, the tie shall be resolved by comparing the teachers' Social Security numbers. The teacher whose Social Security number has the higher numerical value shall be deemed to be more senior.
 - b. A professional status teacher who is to be laid off in a particular discipline and is qualified to teach in another discipline will be placed in the second discipline for the purpose of determining if he/she/they or another teacher from the discipline is to be laid off. In making a determination of "qualified" pursuant to this Article, the Committee shall consider:
 - i. certification;
 - ii. major and minor fields of concentration;

- iii. teaching experience in Westborough in the discipline;
 - iv. teaching experience outside the system in the discipline;
 - v. related experience in business and industry;
 - vi. professional development experience in the discipline within the past five years.
- c. An unpaid leave of absence approved by the Committee for a teacher will not be deemed to constitute a break in service; however, time spent in such status will not be included in the computations of the total length of service if it exceeds twenty (20) school days in any school year.

B. SENIORITY LIST

A list specifying the seniority of each teacher shall be prepared by the Director of Human Resources, and forwarded to the President of the Association by October 30. If no challenge to the list is made by the Association within thirty (30) calendar days of receipt of the list, the list will stand as written. Final copies will be sent to each school.

1. Teachers that have worked as a long-term substitute for a Unit A staff member, prior to becoming a permanent Unit A member, on a salaried full-year long-term substitute job, and without a break in service, will have that service time applied towards their seniority date.

C. NOTIFICATION

Teachers to be dismissed under the provision of this article will be notified of such in writing no later than May 15 of the school year preceding the school year in which the reduction is to be effective.

D. RECALL

1. A professional status teacher laid off under this Article shall have recall rights for a two (2) year period commencing on 1 July following the last school year he/she/they taught before being laid off. During the recall period, the laid off teacher will have preference for any vacancy or new position for which he/she/they is eligible in accordance with the experience criteria established in paragraph A.4. above.

a. A laid off teacher will be given priority on the substitute list during said recall period if the teacher has so requested in writing to the Superintendent.

2. A teacher to be recalled shall be so notified at the last address on file with the Superintendent by registered or certified mail and a copy of such notice will be forwarded to the president of the Association. If the teacher fails to respond affirmatively to the recall within two (2) weeks of the date of mailing of the notice, the teacher will forfeit all recall rights under this Article.

3. A teacher recalled under this Article will be given full credit for prior service in the Westborough Public School where length of service in the discipline is being computed. However, time spent awaiting recall while not employed by the Committee will not be included in the computation. Placement on the salary schedule shall be done in a manner consistent with the conditions of the previous sentence. Sick leave benefits and professional status to which a teacher was entitled at the time of layoff will be restored in full upon recall.

4. During the first year of the recall period, teachers will be entitled to retain membership in group life and medical insurance plans of the Town of Westborough provided that the teacher pays 100% of the premium cost (no part of the premiums to be paid by the Committee or the Town of Westborough) and providing that the applicable carrier allows such inclusion. If the teacher forfeits recall rights as specified in Section D.2. of this Article, then the insurance coverage under this paragraph is also forfeited.

5. In recognition of the fact that a layoff is treated as an involuntary leave of absence without pay with recall rights under this Article, a teacher who accepts such leave in lieu of dismissal agrees, in writing, not to exercise any present rights that they may have pursuant to General Laws, Chapter 71, Section 42.

E. ADMINISTRATIVE RIGHTS

Administrators will be credited in seniority computations with all service in a teaching capacity in the Westborough Public Schools.

F. GRIEVANCE AND ARBITRATION

Dismissal of a professional status teacher under A.1. and 2. and determination of qualifications under A.4.b.(1) of this Article will not be subject to the grievance and arbitration provisions of this Agreement except as to the questions of (1) whether the Committee considered the criteria of Section A.2. and/or A.4.b. of this Article and (2) whether the decision of the Committee was predicated upon the aforementioned criteria. In the event the arbitrator finds that the Committee considered the aforementioned criteria and that the decision of the Committee was predicated upon said criteria, the grievance will be dismissed. In the event the arbitrator finds that the Committee did not look at the aforementioned criteria or that the decision of the Committee was not predicated upon said criteria, the sole remedy available to the arbitrator will be to refer the case back to the Committee for consideration in accordance with this Article. The arbitrator will not under any circumstances substitute his/her judgment for that of the Committee.

VIII. TEACHER EVALUATION

The teachers under this contract shall be evaluated in accordance with the procedures in the most current agreement between Westborough Education Association and Westborough School Committee on teacher evaluation, with current procedures which may be amended from time to time in writing by the parties.

A. EVALUATION REVIEW COMMITTEE

An Evaluation Review Committee consisting of 12 members (one teacher from each school appointed by the WEA President; 3 principals and 3 administrators appointed by the Superintendent and co-chaired by a WEA and administration appointee) will meet at least once a year to review and make recommendations for revising our procedures to the WEA and School Committee. Both bodies must approve any changes in the procedures.

B. REOPENER FOR DESE REGULATIONS

Parties agree to reopen Article VIII: Teacher Evaluation to address any changes necessary or desirable as a result of new evaluation regulations from the DESE.

IX. SMOKE-FREE SCHOOLS

Effective September 1, 1994, the Westborough Schools will be smoke-free.

X. DURATION

A. This contract shall remain in force until 30 June 2026 and the signature of the current President of the Association and the current Chairman of the Committee will appear on said contract, with the date that the contract is signed. It may be amended by the agreement of the same parties who have been identified in the RECOGNITION CLAUSE of this contract. It will be renewed automatically for a period of one year from the expiration date each year unless one of the parties will have notified the other at least sixty (60) days before the expiration date that it will not accept renewal.

B. This contract is a complete contract between the parties covering all subjects of bargaining for the term hereof. The Committee shall not be under any obligation to negotiate with the Association any modifications or additions to this contract which are to become effective during the term hereof.

C. In the event that agreements are mutually reached on a voluntary basis between the Committee and the Association, they will be reduced to writing, will be signed by the Committee and the Association and will become an addendum to this contract.

XII. SAVINGS CLAUSE

If any provisions of this Agreement or any application of the Agreement to any teacher or group of teachers will be found to be contrary to law or regulations, then such provision or application will not be deemed valid and subsisting, except to the extent permitted by law or regulations, but all other provisions or applications will continue in full force and effect.

Agreed to this 6 day of June 2023.
