The Faculty Member's assigned grade and/or department may be changed during the term of this Agreement if deemed necessary by the Executive Director or his/her designees. It is understood and Faculty Member agrees to perform his/her duties in a professional and competent manner, that Faculty Member will act as a positive influence on fellow workers and students and that Faculty Member will comply with the rules, policies and procedures established by the Executive Director and the Board of Trustees relative to the conduct of the school, faculty and staff which are promulgated from time to time, including, but not limited to the Employee Handbook. Faculty Member acknowledges that in the course of his/her employment Faculty Member will have access to and become aware of confidential student/parent/school information. Faculty Member agrees to maintain such information in confidence and not to use or disclose any such information except for the legitimate business purposes of the School. The School reserves the right to modify the application of rules, policies and procedures and to revise, supplement or rescind any of its rules, policies or procedures at any time, and without advance notice.
- 3. Work Year/Hours.** Report to work date is August 23, 2016. Final work day is no later than June 30, 2017. The Faculty Member is generally required to be on the school premises during the regular school hours of 8:00 am to 3:30 pm, Monday - Friday. In addition, you will be required to attend regularly scheduled staff, department and academy meetings as instructed by the building principal as well as, provide after school academic help and any additional hours required from time to time for those emergencies, events and activities which may be reasonably expected in the normal course of a school year.
- 4. Compensation.** During the Term of Employment, the School agrees to pay the Faculty Member a bi-weekly salary of \$2,554.54 (**annualized \$66,418.12**) less all lawful withholdings and deductions, beginning 9/2/2016. The salary specified in this section 4 has been determined in consideration of documents and representations of the Faculty Member that the Faculty Member has a **Masters degree**, has completed **10 years** of creditable experience and is **Certified**.

The Faculty Member understands and agrees that the salary is earned for work performed on scheduled school days (187) as outlined in the 2016-2017 School Calendar and any payments received prior to such work being performed are an advance on salary. In addition to the Compensation described above, the Faculty Member will be entitled to participate in all fringe benefits available as outlined in the Employee Handbook and subject to the eligibility requirements for each benefit as set forth therein and in plan documents, to the extent such benefits are not inconsistent with the provisions of this Agreement. Benefits must be elected within thirty [30] days after the Term of Employment start date. If the Faculty Member is already receiving benefits from the School, such benefits shall remain unchanged unless the Faculty Member requests modifications. To elect or modify benefits, the Faculty Member must contact Human Resources at x3631 for an appointment. The school reserves the right to revise, supplement or rescind any of its benefits at any time, without advance notice.

6. Expiration of Contract and Renewal. It is mutually agreed that the parties have no agreement, express or implied, beyond the final date of the Term of Employment. There are no restrictions on either party's right for any reason to choose to seek or refuse to seek another contract with the other party after the date of expiration of this Contract. It is expressly understood that Faculty Member evaluations do not guarantee that the School will or will not make an offer of a renewal contract.

It is further mutually understood that, should the School intend to offer a renewal contract to the Faculty Member to begin after the expiration of this contract, the School will notify the Faculty Member of this offer and provide a new agreement governing the employment relationship between the parties. If the Faculty Member is thus notified of the School's offer to execute a renewal contract, to begin after the expiration of this Contract, the Faculty Member will notify the School of the decision to accept the offer of such Contract within two weeks or such other date as stated in the renewal contract. The Faculty Member is under no obligation to accept the offer of a renewal contract. **If Certification Requirements as outlined in Paragraph 9 are not met by April 15, 2017, a renewal contract may not be offered.** The Faculty Member acknowledges that if the Faculty Member accepts this contract and thereafter wishes to terminate it, it may be difficult or impossible for the School to find a suitable replacement. Therefore, the parties agree that this contract may be terminated only by mutual consent or in accordance with Paragraph 8 below.

7. Removal and Other Disciplinary Action. The Executive Director or his/her designee may remove any Faculty Member from the Faculty Member's regular duties and/or take such other action as shall be in the Executive Directors' sole judgment in the best interest of the School or student, including but not limited to removing the Faculty Member from the School premises.
