PREAMBLE

THE GREATER FALL RIVER VOCATIONAL SCHOOL DISTRICT COMMITTEE ("the Committee" or "the Employer") and the DIMAN ADMINISTRATORS ASSOCIATION (the "Association") acknowledge that the Committee has complete authority over policies and administration of the school which it exercises by law and that the vehicle of collective bargaining will provide the Administrators with a better opportunity to bring their knowledge and experience to bear on matters of professional concern together with that of the Committee with the goal of assisting in solving the growing problems inherent in the advancement of vocational-technical education; that each student is entitled to instruction by personnel professionally qualified and adequate in number in order that education of the highest quality may be the effective result; that more attention should be devoted to the constructive guidance of leisure time and in-school time activities of students; that commensurate with quality education is the need for good morale within the administrative staff; and that both the Committee and the Association view the consideration of matters of mutual concern as a joint responsibility.

MANAGEMENT'S RIGHTS CLAUSE

The Employer is a public body established under and with powers provided by the statutes of the Commonwealth of Massachusetts and nothing in this Agreement shall derogate from the powers and responsibilities of the Employer under said statutes or the rules and regulations of agencies of the Commonwealth. The Employer retains those rights, powers, and duties it now has, may be granted, or have conferred upon it by law unless modified or changed by this Agreement.

ARTICLE I

RECOGNITION

1.0 The Committee recognizes the Association for the purpose of collective bargaining as the exclusive representative of a unit consisting of all administrative employees who are employed by the Committee in the Administrative positions that are listed in Section 2.0 of this Article and all other administrative positions that may, from time to time, be established by the Committee.

2.0 For the purposes of this agreement the following administrative positions are recognized as part of the Association:

Assistant Principal of Academic Affairs.
Assistant Principal of Technical Affairs.
Assistant Principal of Student Affairs.
Director of Guidance and Admissions.
Director of Special Education and Grant Writing.
Supervisor of Buildings and Grounds.
Assistant Supervisor of Buildings and Grounds.
A Joint Sub-Committee consisting of two Members appointed by the Superintendent and two Members appointed by the DAA President shall meet as soon as possible after the execution of this Agreement in order to review and update as necessary the current Job Descriptions for DAA Bargaining Unit positions. The appointees may include the Superintendent and the DAA President.

3.0 Unless otherwise indicated, the employees in the above unit will be hereinafter referred to as the "Administrators".

4.0 There shall be no discrimination against any employee covered by this Agreement by either the Association or the Committee because of age, race, creed, color, religious creed, sexual orientation (which shall not include persons whose sexual orientation involves minor children as the sex object), national origin, sex, gender identity, marital status, genetic information, or ancestry.

5.0 Members of the administrative bargaining unit who occupy positions that require specific Department of Education licensure shall be required to maintain the appropriate certification. In the event that an administrative bargaining unit position does not require a specific licensure by the Department of Education (e.g., Supervisor of Buildings and Grounds), the members who occupy those positions shall be required to maintain their Department of Education licensure in their chosen field.

ARTICLE II

FUNCTIONS OF ADMINISTRATION

1.0 In the event that either party wishes to change the job description of any Administrative Bargaining Unit position, they have the obligation to bargain over any proposed change(s) before they are implemented.

ARTICLE III

NEGOTIATION PROCEDURE

1.0 Regular Negotiations

1.1 Either party may initiate negotiations for a successor Agreement to this contract provided notice of such intent shall be given in writing on or before the fifteenth (15th) of November of the school year in which the Agreement is to expire and negotiations shall commence no later than the fifteenth (15th) of January of that year. The parties will exchange proposals for changes to the Agreement at the first bargaining session; and except by mutual agreement, no new proposals shall be proposed by either party after the second bargaining session.
In the event that negotiations for a successor Agreement are still in progress on the agreed upon notification date, the parties shall be granted thirty (30) days from the signing to notify the other party of their intent to initiate negotiations for the following year. Said negotiations shall take place not later than sixty (60) days following the notification and the above procedures shall be followed.

1.2 During negotiations, the Committee and Association will present relevant data, exchange points of view and make proposals and counter-proposals. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

1.3 If negotiations between the Committee and the Association result in an impasse, or if the Association is dissatisfied with the progress of negotiations with the Negotiation Committee, the Association may so notify the Committee in writing and will have the right to negotiate directly with the Committee in good-faith effort to reach agreement.

1.4 If negotiations between the Negotiating Committee and the Association result in an impasse or if the Negotiating Committee is dissatisfied with the progress of negotiations with the Association, the Negotiating Committee may so notify the Association in writing and will have the right to present its counter-proposal to and negotiate directly with the Executive Board of the Administrators Association in good-faith effort to reach agreement.

1.5 If the negotiations described in this Section 1.0 have reached an impasse, the procedure described in Chapter 150E of the General Laws will be followed.

1.6 The Committee agrees not to negotiate with any Administrative organizations other than that designated as the exclusive bargaining agent pursuant to Chapter 150E of the General Laws. The Committee further agrees not to negotiate with any Administrative organization other than the Association in regard to changes in wages, hours, or other conditions of employment to become effective during the term of this Agreement.

2.0 New Negotiations

2.1 In the event that either the Committee or the Association desire to make any proposal the subject of which is not covered by the terms of this Agreement, they may submit such proposal in writing to the appropriate receiver. For the Committee, it will submit the proposal to the President of the Association. For the Association, it will submit the proposal to the Chairman of the Committee. A subsequent meeting will be arranged by mutual agreement for both parties to discuss the proposal.
2.2 The receiving party will acknowledge receipt of the proposal in writing within three (3) days. The Negotiating Committee, as here before appointed, and the Association will arrange for a mutually satisfactory time and place for a meeting to negotiate the proposal within fifteen (15) days after receipt of the proposal unless the Negotiating Committee and the Association mutually agree to an extension of time for such meeting. During the initial and subsequent negotiation meetings, the Negotiating Committee and the Association will present relevant data, exchange points of view and make proposals and counter-proposals. The Negotiating Committee will make all pertinent records and information within its possession available to the Association. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

2.3 If an agreement is reached, it will be presented to the full Committee and all members of the Association as a joint recommendation of the Negotiating Committee and the Association, if the matter is one upon which Committee action is necessary. If the Committee disagrees with such joint recommendation, or if the Association disagrees with such joint recommendation, it will not be rejected without further negotiation in good-faith effort to resolve the disagreement.

2.4 Before the Committee adopts a change in policy, which affects wages, hours or this Agreement and which has not been proposed by the Association, the Committee will notify the Association in writing that it is considering such a change. The Association will have the right to negotiate with the Committee provided that it files such a request with the Committee within five (5) days after receipt of said notice.

2.5 Any agreement reached with the Committee will be reduced to writing, will be signed by the Committee and the Association and will become an addendum to this Agreement.

3.0 Special Negotiations

3.1 In the event the Committee desires to make application for grants pursuant to federal and/or state laws and the provisions of these grants conflict with the provisions of this Agreement, it is agreed that the negotiation procedures set forth in Section 2.0 above shall be followed to resolve the conflict. Both the Committee and the Association agree to shorten the timetable set forth as necessary to comply with time requirements in making or processing applications for the grants under the federal or state laws.

4.0 Proposed Contract Changes

4.1 All proposals for changes to the existing Agreement shall contain an addendum that spells out in detail all additions, deletions or revisions and the reason for such
changes. Any proposals submitted to cover areas not contained in the Agreement shall also include the reason for such changes.

5.0 Negotiation meetings between the Committee and the Association will be scheduled after the Administrators scheduled work day.

ARTICLE IV

GRIEVANCE PROCEDURE

1.0 Definitions

1.1 A "grievance" is a claim based upon an event or condition, which affects the welfare and/or conditions of employment of an Administrator or group of Administrators and/or the interpretation, meaning or application of any of the provisions of this Agreement or any subsequent agreement entered into pursuant to this Agreement.

1.2 An "aggrieved person" is the person or persons making the claim.

1.3 A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

2.0 Purpose

2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may from time to time arise affecting the welfare or working conditions of Administrators. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2.2 Nothing herein contained will be construed as limiting the right of any Administrator having a grievance to discuss the matter informally with his/her immediate supervisor and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

3.0 Rights of Administrators to Representatives

3.1 No reprisals of any kind will be taken by the Committee, the Superintendent-Director or the Assistant-Superintendent-Director/Principal against any party in interest, any School representative, or any other participant in the grievance procedure by reason of such participation.
3.2 Any party in interest may be represented at all stages of the grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative officer of any organization other than the Association. When an administrator is not represented by the Association, the above Association shall have the right to be present and to state their views at all stages of the grievance procedure.

4.0 Procedure

4.1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual Agreement.

4.2 In the event a Ten (10) Month Administrator’s grievance is filed on or after June 1, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practical.

5.0 Procedure Levels

5.1Level One

5.1.1 An Administrator with a grievance will first discuss it with his/her immediate supervisor, either directly or through a Representative of the Association, with the objective of resolving the matter informally. If the informal grievance is to be rejected at this level after the informal discussion with the immediate supervisor, the grievance shall be presented in writing and a written answer must be provided within five (5) school days by the immediate supervisor.

5.2 Level Two

5.2.1 If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, he/she shall file the grievance in writing with the applicable Association representative within five (5) school days after the decision at Level One. Within five (5) school days after receiving the written grievance, the Association will refer it to the Superintendent-Director.

5.2.2 The Superintendent-Director will represent the District Committee at this level of the grievance procedure. Within five (5) school days after receipt of the written grievance by the Superintendent-Director, the Superintendent-Director will meet with the aggrieved person in an effort to resolve it.
5.2.3 If an Administrator does not file a grievance in writing with the Association and the written grievance is not forwarded to the Superintendent-Director within thirty (30) school days after the Administrator knew or should have known of the act or condition on which the grievance is based, and then the grievance will be considered as waived. A dispute as to whether a grievance has been waived under this paragraph will be subject to arbitration pursuant to Level Four.

5.3 Level Three

5.3.1 If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within five (5) school days after he/she has first met with the Superintendent-Director, he/she shall file the grievance in writing with the appropriate Association representative within five (5) school days after a decision by the Superintendent-Director or ten (10) school days after he/she has first met with the Superintendent-Director, whichever is sooner. Within five (5) school days after receiving the written grievance the appropriate Association representative will refer it to the Committee by submitting it in writing to the Superintendent-Director. Within twenty (20) school days after the written grievance has been submitted to the Superintendent-Director, the Committee will submit to the Administrator’s Association a written decision on the grievance. Within these twenty (20) school days, the Committee will meet with the aggrieved person for the purpose of resolving the grievance, if possible, at this level.

5.4 Level Four

5.4.1 If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, or if no decision has been rendered within twenty (20) school days by the School Committee after the grievance was submitted in writing to the Superintendent-Director for the Committee, he/she may, within five (5) school days after the decision has been rendered or after twenty (20) school days has passed since the grievance was filed with the Superintendent-Director for transmittal to the Committee, whichever is sooner, request in writing to the appropriate Association representative to submit his/her grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to binding arbitration within fifteen (15) school days after receipt of a request by the aggrieved person.

5.4.2 Within ten (10) school days after such written notice of submission to arbitration, the Sub-Committee and the Association will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or
to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The rules and procedures of the American Arbitration Association will bind the parties in the selection of an arbitrator.

5.4.3 The arbitrator so selected will confer with representatives of the Committee and the Association and hold hearings promptly and will issue his/her decision not later than twenty (20) days from the date of the close of the hearings or if oral hearings have been waived then from the date the final statements and proofs are submitted to him. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning, and conclusions on issues submitted. The arbitrator will be without power or authority to make any decision, which requires the commission of an act, prohibited by law or which is violation of the terms of this Agreement. The decision of the arbitrator will be submitted to the Committee and to the Association and will be final and binding.

5.4.4 The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equally by the Committee and the Association.

All administrators will be available within the school at least during the normal teacher work day and at any times before and after these hours that are reasonably necessary to complete their administrative duties, be available to students and parents, or attend appropriate meetings at the Superintendent-Director’s request. In any event, the Administrator’s workday shall not begin later than 7:00 a.m. and shall not end prior to 3:30 p.m. during the school year.
